(i) cancel or otherwise affect rights to distributions or dividends that have accumulated but have not yet been declared on all or part of the shares of the class.

(3) If a proposed amendment that entitles two or more series of shares to be voted as separate voting groups under this section would affect those two or more series in the same or a substantially similar way, the shareholders of all

(2) A bylaw that fixes a greater quorum or voting requirement for shareholders under subsection (1) may not be adopted, amended, or repealed by the board of directors.

**35-1-239. Bylaw increasing quorum or voting requirement for directors.** (1) A bylaw that fixes a greater quorum or voting requirement for the board of directors may be amended or repealed:

(a) if originally adopted by the shareholders, only by the shareholders; or

(b) if originally adopted by the board of directors, either by the shareholders or by the board of directors.

(b) may not contain language that states or implies that the corporation is organized for a purpose or purposes other than those permitted by 35-1-114 and its articles of incorporation.

(2) Except as authorized by subsections (3) and (4), a corporate name must be distinguishable in the records of the secretary of state from:

(3) A corporation may apply to the secretary of state for authorization to use a name that is not distinguishable in the secretary of state's records from one or more of the names described in subsection (2). The secretary of state shall authorize use of the name applied for if:

**35-1-310. Contest of registration of name.** (1) A person doing business in this state may contest the subsequent registration of a name under this section with the office of the secretary of state by filing an acknowledged notice of contest with the secretary of state and sending a copy of the notice of contest to the person who subsequently registered the contested name. The notice to the secretary of state must be accompanied by a $100 deposit, which the secretary of state shall award to the prevailing party in the contest.

(2) Upon receipt of a notice of contest, the secretary of state shall ask each party to the contest to submit within 30 days an affidavit setting forth the facts, opinions, and arguments for or against the retention of the contested name in the records of the secretary of state. The secretary of state shall review the affidavits and shall make a decision or order a hearing to be held within 30 days. If a hearing is ordered, the parties shall meet with the secretary of state before the hearing and attempt to settle the contest. If a settlement is not reached, the secretary of state shall hold a hearing. At the hearing the secretary of state may consider evidence presented by the parties relating to the factual or legal issues raised by the contest. A record of the hearing is not required. The hearing is not a contested case hearing. Where consistent with this section, the informal procedures of the Montana Administrative Procedure Act apply.

(3) The secretary of state may order that the contested name be changed on the records of the secretary of state if it is likely that the use of the names will cause confusion, mistake, or deception among the public when applied to the goods or services provided by the businesses. In determining whether confusion, mistake, or deception is likely, the secretary of state shall consider:

(a) the strength or unique nature of the names;

(b) the similarity of sound, appearance, or meaning of the names;

(c) the intent of the parties;

(d) the type of businesses engaged in or to be engaged in by the parties;

(f) the nature and quality of goods or services provided by the parties;

(g) the level of sophistication of potential purchasers of goods or services offered by the parties;

(h) whether the party contesting the subsequent registration of a name failed to make a timely objection or acquiesced to the use of the name so that it would be inequitable to prohibit its registration; and

(i) whether the names in question are in fair use, have been abandoned, or are parodies of other names.

(4) The secretary of state shall make a decision for one of the parties within 10 days of the hearing and may order that the contested name be changed in the records of the secretary of state and the relevant documents be amended by the secretary of state in a manner that results in a new name that is not the same as or deceptively similar to another name registered with the office of the secretary of state.

(5) A party may appeal the decision of the secretary of state to the district court within 20 days. The district court shall consider the factual and legal issues without reference to the decision of the secretary of state.

**History: En. Sec. 92, Ch. 368, L. 1991.**

**35-1-419. Number and election of directors.** (1) A board of directors consists of one or more individuals, with the number specified in or fixed in accordance with the articles of incorporation or bylaws.

(2) If a board of directors has power to fix or change the number of directors, the board may increase or decrease by 30% or less the number of directors last approved by the shareholders, but only the shareholders may increase or decrease by more than 30% the number of directors last approved by the shareholders.

(3) The articles of incorporation or bylaws may establish a variable range for the size of the board of directors by fixing a minimum and maximum number of directors. If a variable range is established, the number of directors may be fixed or changed from time to time, within the minimum and maximum limits, by the shareholders or the board of directors. After shares are issued, only the shareholders may change the range for the size of the board or change from a fixed to a variable-range size board or vice versa.

(4) Directors are elected at the first annual shareholders' meeting and at each annual meeting thereafter unless their terms are staggered under 35-1-422.

**History: En. Sec. 77, Ch. 368, L. 1991.**

**35-1-420. Election of directors by certain classes of shareholders.** If the articles of incorporation authorize dividing the shares into classes, the articles may also authorize the election of all or a specified number of directors by the holders of one or more authorized classes of shares. Each class or classes of shares entitled to elect one or more directors is a separate voting group for purposes of the election of directors.

**History: En. Sec. 78, Ch. 368, L. 1991.**

**35-1-421. Terms of directors generally.** (1) The terms of the initial directors of a corporation expire at the first shareholders' meeting at which directors are elected.

(2) The terms of all other directors expire at the next annual shareholders' meeting following their election unless their terms are staggered under 35-1-422.

(3) A decrease in the number of directors does not shorten an incumbent director's term.

(4) A director elected or appointed to fill a vacancy is elected or appointed for the unexpired term of his predecessor in office.

(5) Despite the expiration of a director's term, the director continues to serve until the director's successor is elected and qualifies or until there is a decrease in the number of directors.

**History: En. Sec. 79, Ch. 368, L. 1991.**

**35-1-422. Staggered terms for directors.** If there are nine or more directors, the articles of incorporation or bylaws may provide for staggering their terms by dividing the total number of directors into two or three groups, with each group containing as near as possible to one-half or one-third of the total. In that event, the terms of directors in the first group expire at the first annual shareholders' meeting after their election, the terms of the second group expire at the second annual shareholders' meeting after their election, and the terms of the third group, if any, expire at the third annual shareholders' meeting after their election. At each annual shareholders' meeting held thereafter, directors shall be chosen for a term of 2 years or 3 years, as the case may be, to succeed those whose terms expire.

**History: En. Sec. 80, Ch. 368, L. 1991.**

**35-1-423. Resignation of directors.** (1) A director may resign at any time by delivering written notice to the board of directors, its chairman, or to the corporation.

(2) A resignation is effective when the notice is delivered unless the notice specified a later effective date.

**History: En. Sec. 81, Ch. 368, L. 1991.**

**35-1-424. Removal of directors.** (1) The shareholders may remove one or more directors with or without cause unless the articles of incorporation provide that directors may be removed only for cause.

(2) If a director is elected by a voting group of shareholders, only the shareholders of that voting group may participate in the vote to remove the director.

(3) Any director or the entire board of directors may be removed only by a vote of the holders of two-thirds of the shares entitled to vote at an election of directors unless otherwise provided by the articles of incorporation or bylaws. If the shareholders have the right to cumulate their votes when electing directors and if less than the entire board is to be removed, a director may not be removed if the votes cast against the director's removal would be sufficient to elect him if cumulatively voted at an election of the entire board of directors or, if there are classes of directors, at an election of the class of directors of which the director is a part. If the corporation has fewer than 100 shareholders, the entire board of directors may be removed only by a vote of a majority of the shares then entitled to vote.

(4) A director may be removed by the shareholders only at a meeting called for the purpose of removing the director. The meeting notice must state that the purpose, or one of the purposes, of the meeting is removal of the director.

**History: En. Sec. 82, Ch. 368, L. 1991.**

**35-1-425. Removal of directors by judicial proceeding.** (1) The district court of the county where a corporation's principal office or, if the office is not located in this state, the county where its registered office is located may remove a director of the corporation from office in a proceeding begun either by the corporation or by its shareholders holding at least 10% of the outstanding shares of any class if the court finds that:

(a) the director engaged in fraudulent or dishonest conduct or in gross abuse of authority or discretion, with respect to the corporation; and

(b) removal is in the best interest of the corporation.

(2) The court that removes a director may bar the director from reelection for a period prescribed by the court.

(3) If shareholders begin a proceeding under subsection (1), they shall make the corporation a party defendant.

**History: En. Sec. 83, Ch. 368, L. 1991.**

**35-1-426. Vacancy on board.** (1) Unless the articles of incorporation provide otherwise, if a vacancy occurs on a board of directors, including a vacancy resulting from an increase in the number of directors:

(a) the shareholders may fill the vacancy;

(b) the board of directors may fill the vacancy; or

(c) if the members of the board of directors remaining in office constitute fewer than a quorum of the board, they may fill the vacancy by the affirmative vote of a majority of all the directors remaining in office.

(2) If the vacant office was held by a director elected by a voting group of shareholders, only the holders of shares of that voting group are entitled to vote to fill the vacancy if it is filled by the shareholders.

(3) A vacancy that will occur at a specific later date, by reason of a resignation effective at a later date under 35-1-423 or otherwise, may be filled before the vacancy occurs. However, the new director may not take office until the vacancy occurs.

**History: En. Sec. 84, Ch. 368, L. 1991.**

**35-1-427. Compensation of directors.** Unless the articles of incorporation or bylaws provide otherwise, the board of directors may fix the compensation of directors.

**History: En. Sec. 85, Ch. 368, L. 1991.**

**35-1-428. Penalty for signing false document.** (1) The execution of any document required to be filed with the secretary of state under this chapter constitutes an affirmation, under the penalties of false swearing, by each person executing the document that the facts stated therein are true.

(2) The secretary of state shall provide for the printing of a warning to this effect on each form prescribed by him under this chapter.

**35-1-431. Meetings.** (1) The board of directors may hold regular or special meetings in the state or out of the state.

(2) Unless the articles of incorporation or bylaws provide otherwise, the board of directors may permit any or all directors to participate in a regular or special meeting by, or conduct the meeting through the use of, any means of communication by which all directors participating may simultaneously hear each other during the meeting. A director participating in a meeting by this means is considered to be present in person at the meeting.

(3) If requested by a director, minutes of any regular or special meeting must be prepared and be distributed to each director.

**History:** **En. Sec. 86, Ch. 368, L. 1991.**

**35-1-432. Action without meeting.** (1) Unless the articles of incorporation or bylaws provide otherwise, action required or permitted by this chapter to be taken at a board of directors' meeting may be taken without a meeting if the action is taken by all members of the board. The action must be evidenced by one or more written consents describing the action taken, be signed by each director, and be included in the minutes or filed with the corporate records reflecting the action taken.

(2) Action taken under this section is effective when the last director signs the consent unless the consent specifies a different effective date.

(3) A consent signed under this section has the effect of a meeting vote and may be described as a vote in any document.

**History:** **En. Sec. 87, Ch. 368, L. 1991.**

**35-1-433. Notice of meeting.** (1) Unless the articles of incorporation or bylaws provide otherwise, regular meetings of the board of directors may be held without notice of the date, time, place, or purpose of the meeting.

(2) Unless the articles of incorporation or bylaws provide for a longer or shorter period, special meetings of the board of directors must be preceded by at least 2 days' notice of the date, time, and place of the meeting. The notice is not required to describe the purpose of the special meeting unless required by the articles of incorporation or bylaws.

**History:** **En. Sec. 88, Ch. 368, L. 1991.**

**35-1-434. Waiver of notice.** (1) A director may waive a notice required by this chapter, the articles of incorporation, or bylaws before or after the date and time stated in the notice. Except as provided by subsection (2), the waiver must be in writing, be signed by the director entitled to the notice, and be filed with the minutes or corporate records.

(2) A director's attendance at or participation in a meeting waives any required notice to the director of the meeting unless the director, at the beginning of the meeting or promptly upon the director's arrival, objects to holding the meeting or transacting business at the meeting and does not vote for or assent to action taken at the meeting.

**History:** **En. Sec. 89, Ch. 368, L. 1991.**

**35-1-435. Quorum — voting.** (1) Unless the articles of incorporation or bylaws require a greater number, a quorum of a board of directors consists of:

(a) a majority of the fixed number of directors if the corporation has a fixed board size; or

(b) a majority of the number of directors prescribed or, if no number is prescribed, the number in office immediately before the meeting begins, if the corporation has a variable-range size board.

(2) The articles of incorporation or bylaws may authorize a quorum of a board of directors to consist of no fewer than one-third of the fixed or prescribed number of directors.

(3) If a quorum is present when a vote is taken, the affirmative vote of a majority of directors present is the act of the board of directors unless the articles of incorporation or bylaws require the vote of a greater number of directors.

(4) A director who is present at a meeting of the board of directors or a committee of the board of directors when corporate action is taken is considered to have assented to the action taken unless:

(a) the director objects at the beginning of the meeting or promptly upon the director's arrival to holding the meeting or transacting business at the meeting and delivers written notice of the director's objection to the presiding officer before its adjournment or to the corporation immediately after adjournment of the meeting;

(b) the director's dissent or abstention from the action taken is entered in the minutes of the meeting; or

(c) the director delivers written notice of his dissent or abstention to the presiding officer of the meeting before its adjournment or to the corporation immediately after adjournment of the meeting.

(5) The right of dissent or abstention is not available to a director who votes in favor of the action taken.

**35-1-436 through 35-1-438 reserved.**

**35-1-439. Committees.** (1) Unless the articles of incorporation or bylaws provide otherwise, a board of directors may create one or more committees and appoint members of the board of directors to serve on them. Each committee may have two or more members who serve at the pleasure of the board of directors.

(2) The creation of a committee and appointment of members to it must be approved by the greater of a majority of all the directors in office when the action is taken or the number of directors required by the articles of incorporation or bylaws to take action under 35-1-435.

(3) Sections 35-1-431 through 35-1-435, which govern meetings, action without meetings, notice and waiver of notice, and quorum and voting requirements of the board of directors, apply to committees and their members as well.

(4) To the extent specified by the board of directors or in the articles of incorporation or bylaws, each committee may exercise the authority of the board of directors under 35-1-416. However, a committee may not:

(a) authorize distributions;

(b) approve or propose to shareholders action that this chapter requires to be approved by shareholders;

(c) fill vacancies on the board of directors or on any of its committees;

(d) amend articles of incorporation;

(e) adopt, amend, or repeal bylaws;

(f) approve a plan of merger not requiring shareholder approval;

(g) authorize or approve reacquisition of shares, except according to a formula or method prescribed by the board of directors; or

(h) authorize or approve the issuance of or sale or contract for sale of shares or determine the designation and relative rights, preferences, and limitations of a class or series of shares. However, the board of directors may authorize a committee or a senior executive officer of the corporation to do so within limits specifically prescribed by the board of directors.

(5) The creation of, delegation of authority to, or action by a committee does not by itself constitute compliance by a director with the standards of conduct described in 35-1-418.

**History: En. Sec. 91, Ch. 368, L. 1991.**

**35-1-440 reserved.**

**35-1-441. Required officers.** (1) A corporation has the officers described in its bylaws or appointed by the board of directors in accordance with the bylaws.

(2) A duly appointed officer may appoint one or more officers or assistant officers if authorized by the bylaws or the board of directors.

(3) The bylaws or the board of directors shall delegate to one of the officers responsibility for preparing minutes of the directors' and shareholders' meetings and for authenticating records of the corporation.

(4) The same individual may simultaneously hold more than one office in a corporation.

**History: En. Sec. 94, Ch. 368, L. 1991.**

**35-1-442. Duties of officers.** Each officer has the authority and shall perform the duties set forth in the bylaws or, to the extent consistent with the bylaws, the duties prescribed by the board of directors or by direction of an officer authorized by the board of directors to prescribe the duties of other officers.

**History: En. Sec. 95, Ch. 368, L. 1991.**

**35-1-443. Standards of conduct for officers.** (1) An officer with discretionary authority shall discharge his duties under that authority:

(a) in good faith;

(b) with the care an ordinarily prudent person in a similar position would exercise under similar circumstances; and

(c) in a manner the officer reasonably believes to be in the best interests of the corporation.

(2) In discharging his duties, an officer is entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by:

(a) one or more officers or employees of the corporation whom the officer reasonably believes to be reliable and competent in the matters presented; or

(b) attorneys, public accountants, or other persons as to matters the officer reasonably believes are within the person's professional or expert competence.

(3) An officer is not acting in good faith if the officer has knowledge concerning the matter in question that makes reliance otherwise permitted by subsection (2) unwarranted.

(4) An officer is not liable for any action taken as an officer or for any failure to take any action if the officer performed the duties of his office in compliance with this section.

**History: En. Sec. 96, Ch. 368, L. 1991.**

**35-1-444. Resignation and removal of officers.** (1) An officer may resign at any time by delivering notice to the corporation. A resignation is effective when the notice is delivered unless the notice specifies a later effective date. If a resignation is made effective at a later date and the corporation accepts the future effective date, its board of directors may fill the pending vacancy before the effective date if the board of directors provides that the successor does not take office until the effective date.

(2) The board of directors may remove any officer with or without cause, and if authorized by the bylaws or by the board of directors, an officer may remove an officer or assistant officer appointed by that officer under 35-1-441 with or without cause.

**History: En. Sec. 97, Ch. 368, L. 1991.**

**35-1-445. Contract rights of officers.** (1) The appointment of an officer does not itself create contract rights.

(2) An officer's removal does not affect the officer's contract rights, if any, with the corporation. An officer's resignation does not affect the corporation's contract rights, if any, with the officer.

**History: En. Sec. 98, Ch. 368, L. 1991.**

**35-1-446 through 35-1-450 reserved.**

**35-1-451. Definitions.** As used in 35-1-451 through 35-1-459, the following definitions apply:

(1) "Corporation" includes any domestic or foreign predecessor entity of a corporation in a merger or other transaction in which the predecessor's existence ceased upon consummation of the transaction.

(2) (a) "Director" means an individual who is or was a director of a corporation or an individual who, while a director of a corporation, is or was serving at the corporation's request as a director, officer, partner, trustee, employee, or agent of another foreign or domestic corporation, partnership, joint venture, trust, employee benefit plan, or other enterprise. A director is considered to be serving an employee benefit plan at the corporation's request if the director's duties to the corporation include duties or services by him to the plan or to participants in or beneficiaries of the plan.

(b) Director includes, unless the context requires otherwise, the estate or personal representative of a director.

(3) "Expenses" include attorney fees.

(4) "Liability" means the obligation to pay a judgment, settlement, penalty, or fine, including an excise tax assessed with respect to an employee benefit plan, or to pay reasonable expenses incurred with respect to a proceeding.

(5) (a) "Official capacity" means:

(i) when used with respect to a director, the office of director in a corporation; or

(ii) when used with respect to an individual other than a director, as contemplated in 35-1-457, the office in a corporation held by the officer or the employment or agency relationship undertaken by the employee or agent on behalf of the corporation.

(b) Official capacity does not include service for any other foreign or domestic corporation or any partnership, joint venture, trust, employee benefit plan, or other enterprise.

(6) "Party" includes an individual who was, is, or is threatened to be made a named defendant or respondent in a proceeding.

(7) "Proceeding" means any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative and whether formal or informal.

**History: En. Sec. 99, Ch. 368, L. 1991.**

**35-1-452. Authority to indemnify.** (1) Except as provided in subsection (4), an individual made a party to a proceeding because he is or was a director may be indemnified against liability incurred in the proceeding if:

(a) he conducted himself in good faith;

(b) he reasonably believed:

(i) in the case of conduct in his official capacity with the corporation, that his conduct was in the corporation's best interests; and

(ii) in all other cases, that his conduct was at least not opposed to the corporation's best interests; and

(c) in the case of any criminal proceeding, he had no reasonable cause to believe his conduct was unlawful.

(2) A director's conduct with respect to an employee benefit plan for a purpose the director reasonably believed to be in the interests of the participants in and beneficiaries of the plan is conduct that satisfies the requirement of subsection (1)(b)(ii).

(3) The termination of a proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent is not, of itself, a determination that the director did not meet the standard of conduct described in this section.

(4) A corporation may not indemnify a director under this section:

(a) in connection with a proceeding by or in the right of the corporation in which the director was adjudged liable to the corporation; or

(b) in connection with any other proceeding charging improper personal benefit to the director, whether or not involving action in the director's official capacity, in which the director was adjudged liable on the basis that personal benefit was improperly received by the director.

(5) Indemnification permitted under this section in connection with a proceeding by or in the right of the corporation is limited to reasonable expenses incurred in connection with the proceeding.

**History: En. Sec. 100, Ch. 368, L. 1991.**

**Cross-References**

Indemnity, Title 28, ch. 11, part 3.

**35-1-453. Mandatory indemnification.** Unless limited by its articles of incorporation, a corporation shall indemnify a director who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which the director was a party because he is or was a director of the corporation, against reasonable expenses incurred by the director in connection with the proceeding.

**History: En. Sec. 101, Ch. 368, L. 1991.**

**35-1-454. Advance for expenses.** (1) A corporation may pay for or reimburse the reasonable expenses incurred by a director who is a party to a proceeding in advance of final disposition of the proceeding if:

(a) the director furnishes the corporation a written affirmation of the director's good faith belief that the director has met the standard of conduct described in 35-1-452;

(b) the director furnishes the corporation a written undertaking, executed personally or on the director's behalf, to repay the advance if it is ultimately determined that the director did not meet the standard of conduct described in 35-1-452; and

(c) a determination is made that the facts then known to those making the determination would not preclude indemnification under 35-1-451 through 35-1-459.

(2) The undertaking required by subsection (1)(b) must be an unlimited general obligation of the director but need not be secured and may be accepted without reference to financial ability to make repayment.

(3) Determinations and authorizations of payments under this section must be made in the manner specified in 35-1-456.

**History: En. Sec. 102, Ch. 368, L. 1991.**

**35-1-455. Court-ordered indemnification.** Unless a corporation's articles of incorporation provide otherwise, a director of the corporation who is a party to a proceeding may apply for indemnification to the court conducting the proceeding or to another court of competent jurisdiction. On receipt of an application, the court, after giving any notice the court considers necessary, may order indemnification if it determines that the director:

(1) is entitled to mandatory indemnification under 35-1-453, in which case the court shall also order the corporation to pay the director's reasonable expenses incurred in obtaining court-ordered indemnification; or

(2) is fairly and reasonably entitled to indemnification in view of all the relevant circumstances, whether or not the director met the standard of conduct set forth in 35-1-452 or was adjudged liable as described in 35-1-452(4). If the director was adjudged liable as described in 35-1-452(4), the director's indemnification is limited to reasonable expenses incurred.

**History: En. Sec. 103, Ch. 368, L. 1991.**

**35-1-456. Determination and authorization of indemnification.** (1) A corporation may not indemnify a director under 35-1-452 unless authorized in the specific case after a determination has been made that indemnification of the director is permissible in the circumstances because the director has met the standard of conduct set forth in 35-1-452.

(2) The determination must be made:

(a) by the board of directors by majority vote of a quorum consisting of directors not at the time parties to the proceeding;

(b) if a quorum cannot be obtained under subsection (2)(a), by majority vote of a committee designated by the board of directors, in which designated directors who are parties may participate, consisting solely of two or more directors not at the time parties to the proceeding;

(c) by special legal counsel:

(i) selected by the board of directors or its committee in the manner prescribed in subsection (2)(a) or (2)(b); or

(ii) if a quorum of the board of directors cannot be obtained under subsection (2)(a) and a committee cannot be designated under subsection (2)(b), selected by majority vote of the full board of directors in which selected directors who are parties may participate; or

(d) by the shareholders, but shares owned by or voted under the control of directors who are at the time parties to the proceeding may not be voted on the determination.

(3) Authorization of indemnification and evaluation as to reasonableness of expenses must be made in the same manner as the determination that indemnification is permissible, except that if the determination is made by special legal counsel, authorization of indemnification and evaluation as to reasonableness of expenses must be made by those entitled under subsection (2)(c) to select counsel.

**History: En. Sec. 104, Ch. 368, L. 1991.**

**35-1-457. Indemnification of officers, employees, and agents.** Unless a corporation's articles of incorporation provide otherwise:

(1) an officer of the corporation who is not a director is entitled to mandatory indemnification under 35-1-453 and is entitled to apply for court-ordered indemnification under 35-1-455 to the same extent as a director;

(2) the corporation may indemnify and advance expenses under 35-1-451 through 35-1-459 to an officer, employee, or agent of the corporation who is not a director to the same extent as to a director; and

(3) a corporation may also indemnify and advance expenses to an officer, employee, or agent who is not a director to the extent, consistent with public policy, that may be provided by its articles of incorporation, bylaws, general or specific action of its board of directors, or contract.

**History: En. Sec. 105, Ch. 368, L. 1991.**

**35-1-458. Insurance.** A corporation may purchase and maintain insurance on behalf of an individual who is or was a director, officer, employee, or agent of the corporation or who, while a director, officer, employee, or agent of the corporation, is or was serving at the request of the corporation as a director, officer, partner, trustee, employee, or agent of another foreign or domestic corporation, partnership, joint venture, trust, employee benefit plan, or other enterprise, against liability asserted against or incurred by him in that capacity or arising from his status as a director, officer, employee, or agent, whether or not the corporation would have power to indemnify him against the same liability under 35-1-452 or 35-1-453.

**History: En. Sec. 106, Ch. 368, L. 1991.**

**35-1-459. Application.** (1) A provision treating a corporation's indemnification of or advance for expenses to directors that is contained in its articles of incorporation, its bylaws, a resolution of its shareholders or board of directors, a contract, or other instrument is valid only if and to the extent the provision is consistent with 35-1-451 through 35-1-459. If articles of incorporation limit indemnification or advance for expenses, indemnification and advance for expenses are valid only to the extent consistent with the articles of incorporation.

(2) Sections 35-1-451 through 35-1-459 do not limit a corporation's power to pay or reimburse expenses incurred by a director in connection with the director's appearance as a witness in a proceeding at a time when the director has not been made a named defendant or respondent to the proceeding.

**History: En. Sec. 107, Ch. 368, L. 1991.**

**35-1-460 reserved.**

**35-1-461. Definitions.** As used in 35-1-461 through 35-1-464, the following definitions apply:

(1) "Conflicting interest" with respect to a corporation means the interest a director of the corporation has respecting a transaction effected or proposed to be effected by the corporation or by a subsidiary of the corporation or any other entity in which the corporation has a controlling interest if:

(a) regardless of whether the transaction is brought before the board of directors of the corporation for action, the director knows at the time of commitment that he or a related person is a party to the transaction or has a beneficial financial interest in or is so closely linked to the transaction and the transaction is of such financial significance to the director or a related person that the interest would reasonably be expected to exert an influence on the director's judgment if the director were called upon to vote on the transaction; or

(b) the transaction is brought, or is of a character and significance to the corporation that it would in the normal course be brought, before the board of directors of the corporation for action and the director knows at the time of commitment that any of the following persons is either a party to the transaction or has a beneficial financial interest in or is so closely linked to the transaction and the transaction is of such financial significance to the person that the interest would reasonably be expected to exert an influence on the director's judgment if the director were called upon to vote on the transaction:

(i) an entity, other than the corporation, of which the director is a director, general partner, agent, or employee;

(ii) a person who controls one or more of the entities specified in subsection (1)(b)(i) or an entity that is controlled by, or is under common control with, one or more of the entities specified in subsection (1)(b)(i); or

(iii) an individual who is a general partner, principal, or employer of the director.

(2) "Director's conflicting interest transaction", with respect to a corporation, means a transaction effected or proposed to be effected by the corporation or by a subsidiary of the corporation or any other entity in which the corporation has a controlling interest in which transaction a director of the corporation has a conflicting interest.

(3) "Related person" means:

(a) the spouse or a parent or sibling of a spouse of the director;

(b) a child, grandchild, sibling, parent or spouse of any child, grandchild, sibling, or parent of the director;

(c) an individual having the same residence as the director;

(d) a trust or estate of which an individual specified in this subsection (3) is a substantial beneficiary; or

(e) a trust, estate, incompetent person, conservatee, or minor for whom the director is a fiduciary.

(4) "Required disclosure" means disclosure by a director, who has a conflicting interest, of:

(a) the existence and nature of his conflicting interest; and

(b) all facts known to the director respecting the subject matter of the transaction that an ordinarily prudent person would reasonably believe to be material to a judgment about whether or not to proceed with the transaction.

(5) "Time of commitment" respecting a transaction means the time when the transaction is consummated or, if made pursuant to contract, the time when the corporation or its subsidiary or the entity in which it has a controlling interest becomes contractually obligated so that its unilateral withdrawal from the transaction would entail significant loss, liability, or other damage.

**History: En. Sec. 108, Ch. 368, L. 1991.**

**35-1-462. Judicial action.** (1) A transaction effected or proposed to be effected by a corporation or by a subsidiary of the corporation or any other entity in which the corporation has a controlling interest that is not a director's conflicting interest transaction may not be enjoined, set aside, or give rise to an award of damages or other sanctions in a proceeding by a shareholder or by or in the right of the corporation because a director of the corporation or any person with whom the director has a personal, economic, or other association has an interest in the transaction.

(2) A director's conflicting interest transaction may not be enjoined, set aside, or give rise to an award of damages or other sanctions in a proceeding by a shareholder or by or in the right of the corporation because the director or any person with whom the director has a personal, economic, or other association has an interest in the transaction if:

(a) directors' action respecting the transaction was at any time taken in compliance with 35-1-463;

(b) shareholders' action respecting the transaction was at any time taken in compliance with 35-1-464; or

(c) the transaction, judged according to the circumstances at the time of commitment, is established to have been fair to the corporation.

**History: En. Sec. 109, Ch. 368, L. 1991.**

**35-1-463. Directors' action.** (1) Directors' action respecting a transaction is effective for purposes of 35-1-462(2)(a) if the transaction received the affirmative vote of a majority, but no fewer than two, of those qualified directors on the board of directors or on an empowered committee of the board who voted on the transaction after either required disclosure to them, to the extent the information was not known by them, or compliance with subsection (2). Action by a committee is effective only if all its members are qualified directors and its members are either all the qualified directors on the board or are appointed by the affirmative vote of a majority of the qualified directors on the board.

(2) If a director has a conflicting interest respecting a transaction but neither the director nor a related person of the director specified in 35-1-461(3) is a party to the transaction and if the director has a duty under law or

professional canon or a duty of confidentiality to another person respecting information relating to the transaction such that the director may not make the disclosure described in 35-1-461(4)(b), disclosure is sufficient for purposes of subsection (1) if the director:

(a) discloses to the directors voting on the transaction the existence and nature of the conflicting interest and informs them of the character and limitations imposed by that duty before their vote on the transaction; and

(b) plays no part, directly or indirectly, in their deliberations or vote.

(3) A majority, but no fewer than two, of all the qualified directors on the board of directors or on the committee constitutes a quorum for purposes of action that complies with this section. Directors' action that otherwise complies with this section is not affected by the presence or vote of a director who is not a qualified director.

(4) For purposes of this section, "qualified director" means, with respect to a director's conflicting interest transaction, any director who does not have either a conflicting interest respecting the transaction or a familial, financial, professional, or employment relationship with a second director who does have a conflicting interest respecting the transaction, which relationship would, in the circumstances, reasonably be expected to exert an influence on the first director's judgment when voting on the transaction.

**History: En. Sec. 110, Ch. 368, L. 1991.**

**35-1-464. Shareholders' action.** (1) Shareholders' action respecting a transaction is effective for purposes of 35-1-462(2)(b) if a majority of the votes entitled to be cast by the holders of all qualified shares were cast in favor of the transaction after:

(a) notice to shareholders describing the director's conflicting interest transaction;

(b) provision of the information referred to in subsection (3); and

(c) required disclosure to the shareholders who voted on the transaction, to the extent the information was not known by them.

(2) A majority of the votes entitled to be cast by the holders of all qualified shares constitutes a quorum for purposes of action that complies with this section. Subject to the provisions of subsections (3) and (4), shareholders' action that otherwise complies with this section is not affected by the presence of shareholders, or the voting, of shares that are not qualified shares.

(3) For purposes of compliance with subsection (1), a director who has a conflicting interest respecting the transaction shall, before the shareholders' vote, inform the secretary or other office or agent of the corporation authorized to tabulate votes of the number of all shares and the identity of persons holding or controlling the vote of all shares that the director knows are beneficially owned by or the voting of which is controlled by the director or by a related person of the director, or both.

(4) If a shareholders' vote does not comply with subsection (1) solely because of a failure of a director to comply with subsection (3) and if the director establishes that his failure did not determine and was not intended by him to influence the outcome of the vote, the court may, with or without further proceedings respecting 35-1-462(2)(c), take action respecting the transaction

and the director and give effect, if any, to the shareholders' vote as it considers appropriate in the circumstances.

(5) For purposes of this section, "qualified shares" means any shares entitled to be voted with respect to the director's conflicting interest transaction except shares that, to the knowledge, before the vote, of the secretary or other officer or agent of the corporation authorized to tabulate votes, are beneficially owned by or the voting of which is controlled by a director who has a conflicting interest respecting the transaction or by a related person of the director, or both.

**35-1-516. Annual meeting.** (1) A corporation shall hold an annual meeting of shareholders at a time stated in or fixed in accordance with the bylaws.

(2) Annual shareholders' meetings may be held in the state or out of the state, at the place stated in or fixed in accordance with the bylaws. If a place is not stated in or fixed in accordance with the bylaws, annual meetings must be held at the corporation's principal office.

(3) The failure to hold an annual meeting at the time stated in or fixed in accordance with a corporation's bylaws does not affect the validity of any corporate action.

(4) If the corporation has 50 or fewer shareholders and if permitted by the bylaws, shareholders may participate in an annual meeting of the shareholders through a conference telephone or similar communication equipment by means of which all persons participating in the meeting can hear each other at the same time. Participation in this manner constitutes presence in person at a meeting.

**History:** **En. Sec. 49, Ch. 368, L. 1991.**

**35-1-517. Special meeting.** (1) A corporation shall hold a special meeting of shareholders:

(a) on the call of its board of directors or the person authorized to do so by the articles of incorporation or bylaws; or

(b) if the holders of at least 10% of all the votes entitled to be cast on any issue proposed to be considered at the proposed special meeting sign, date, and deliver to the corporation's secretary one or more written demands for the meeting that describe the purpose for which it is to be held.

(2) If the record date is not fixed or the manner of fixing the record date is not specified under 35-1-518 or 35-1-522, the record date for determining shareholders entitled to demand a special meeting is the date the first shareholder signs the demand.

(3) Special shareholders' meetings may be held in the state or out of the state, at the place stated in or fixed in accordance with the bylaws. If a place is not stated or fixed in accordance with the bylaws, special meetings must be held at the corporation's principal office.

(4) Only business within the purpose described in the meeting notice required by 35-1-520 may be conducted at a special shareholders' meeting.

(5) If the corporation has 50 or fewer shareholders and if permitted by the bylaws, shareholders may participate in a special meeting of the shareholders by means of a conference telephone or similar communication equipment through which all persons participating in the meeting can hear each other at the same time. Participation in this manner constitutes presence in person at a meeting.

**History: En. Sec. 50, Ch. 368, L. 1991.**

**35-1-518. Court-ordered meeting.** (1) The district court of the county where a corporation's principal office or, if its principal office is not located in this state, in the county where its registered office is located may summarily order a meeting to be held:

(a) on application of any shareholder of the corporation entitled to participate in an annual meeting if an annual meeting was not held within the earlier of 6 months after the end of the corporation's fiscal year or 15 months after its last annual meeting; or

(b) on application of a shareholder who signed a demand for a special meeting valid under 35-1-517, if:

(i) notice of the special meeting was not given within 30 days after the date the demand was delivered to the corporation's secretary; or

(ii) the special meeting was not held in accordance with the notice.

(2) The court may fix the time and place of the meeting, determine the shares entitled to participate in the meeting, specify a record date for determining shareholders entitled to notice of and to vote at the meeting, prescribe the form and content of the meeting notice, fix the quorum required for specific matters to be considered at the meeting or direct that the votes represented at the meeting constitute a quorum for action on those matters, and enter other orders necessary to accomplish the purpose or purposes of the meeting.

**History: En. Sec. 51, Ch. 368, L. 1991.**

**35-1-519. Action without meeting.** (1) Action required or permitted by this chapter to be taken at a shareholders' meeting may be taken without a meeting if the action is taken by all the shareholders entitled to vote on the action. The action must be evidenced by one or more written consents describing the action taken, signed by all the shareholders entitled to vote on the action, and delivered to the corporation for inclusion in the minutes or filing with the corporate records.

(2) If not otherwise determined under 35-1-518 or 35-1-522, the record date for determining shareholders entitled to take action without a meeting is the date the first shareholder signs the consent under subsection (1).

(3) A consent signed under this section has the effect of a meeting vote and may be described as a vote in any document.

(4) If this chapter requires that notice of proposed action be given to nonvoting shareholders and the action is to be taken by unanimous consent of the voting shareholders, the corporation shall give its nonvoting shareholders written notice of the proposed action at least 10 days before the action is taken. The notice must contain or be accompanied by the same material that, under this chapter, would have been required to be sent to nonvoting shareholders in a notice of meeting at which the proposed action would have been submitted to the shareholders for action.

**History: En. Sec. 52, Ch. 368, L. 1991.**

**35-1-520. Notice of meeting.** (1) A corporation shall notify shareholders of the date, time, and place of each annual and special shareholders' meeting not less than 10 or more than 60 days before the meeting date. Unless this chapter or the articles of incorporation require otherwise, the corporation is required to give notice only to shareholders entitled to vote at the meeting.

(2) Unless this chapter or the articles of incorporation require otherwise, notice of an annual meeting need not include a description of the purpose for which the meeting is called.

(3) Notice of a special meeting must include a description of the purpose or purposes for which the meeting is called.

(4) If not otherwise fixed under 35-1-518 or 35-1-522, the record date for determining shareholders entitled to notice of and to vote at an annual or special shareholders' meeting is the day before the first notice is delivered to shareholders.

(5) Unless the bylaws require otherwise, if an annual or special shareholders' meeting is adjourned to a different date, time, or place, notice need not be given of the new date, time, or place if the new date, time, or place is announced at the meeting before adjournment. If a new record date for the adjourned meeting is or must be fixed under 35-1-522, notice of the adjourned meeting must be given under this section to persons who are shareholders as of the new record date.

**History: En. Sec. 53, Ch. 368, L. 1991.**

**35-1-521. Waiver of notice.** (1) A shareholder may waive any notice required by this chapter, the articles of incorporation, or bylaws before or after the date and time stated in the notice. The waiver must be in writing, be signed by the shareholder entitled to the notice, and be delivered to the corporation for inclusion in the minutes or filing with the corporate records.

(2) A shareholder's attendance at a meeting:

(a) waives objection to lack of notice or defective notice of the meeting unless the shareholder at the beginning of the meeting objects to holding the meeting or transacting business at the meeting; and

(b) waives objection to consideration of a particular matter at the meeting that is not within the purpose described in the meeting notice unless the shareholder objects to considering the matter when it is presented.

**History:** **En. Sec. 54, Ch. 368, L. 1991.**

**35-1-522. Record date.** (1) The bylaws may fix or provide the manner of fixing the record date for one or more voting groups in order to determine the shareholders entitled to notice of a shareholders' meeting, to demand a special meeting, to vote, or to take any other action. If the bylaws do not fix or provide for fixing a record date, the board of directors of the corporation may fix a future date as the record date.

(2) A record date fixed under this section may not be more than 70 days before the meeting or action requiring a determination of shareholders.

(3) A determination of shareholders entitled to notice of or to vote at a shareholders' meeting is effective for any adjournment of the meeting unless the board of directors fixes a new record date, which it must do if the meeting is adjourned to a date more than 120 days after the date fixed for the original meeting.

(4) If a court orders a meeting adjourned to a date more than 120 days after the date fixed for the original meeting, it may provide that the original record date continues in effect or it may fix a new record date.

**History:** **En. Sec. 55, Ch. 368, L. 1991.**

**35-1-523. Shareholders' list for meeting.** (1) After fixing a record date for a meeting, a corporation shall prepare an alphabetical list of the names of all its shareholders who are entitled to notice of a shareholders' meeting. The list must:

(a) be arranged by voting group, and within each voting group by class or series of shares; and

(b) show the address of and number of shares held by each shareholder.

(2) The shareholders' list must be available for inspection by any shareholder, beginning 2 business days after notice is given of the meeting for which the list was prepared and continuing through the meeting, at the corporation's principal office or at a place identified in the meeting notice in the city where the meeting will be held. A shareholder or a shareholder's agent or attorney is entitled on written demand to inspect and, subject to the requirements of 35-1-1107(3), to copy the list, during regular business hours and at that shareholder's expense, during the period it is available for inspection.

(3) The corporation shall make the shareholders' list available at the meeting, and any shareholder or the shareholder's agent or attorney is entitled to inspect the list at any time during the meeting or any adjournment.

(4) If the corporation refuses to allow a shareholder or the shareholder's agent or attorney to inspect the shareholders' list before or at the meeting or to copy the list as permitted by subsection (2), on application of the shareholder, the district court of the county where a corporation's principal office or, if the

principal office is not located in this state, its registered office is located, may summarily order the inspection or copying at the corporation's expense and may provide recovery to a shareholder for costs, including reasonable attorney fees, in bringing the action.

(5) Refusal or failure to prepare or make available the shareholders' list does not affect the validity of action taken at the meeting.

**History: En. Sec. 56, Ch. 368, L. 1991.**

**35-1-524. Voting entitlement of shares.** (1) Except as provided in subsections (2) and (3) or unless the articles of incorporation provide otherwise, each outstanding share, regardless of class, is entitled to one vote on each matter voted on at a shareholders' meeting. Only shares are entitled to vote.

(2) Absent special circumstances, the shares of a corporation are not entitled to vote if they are owned, directly or indirectly, by a second corporation, domestic or foreign, and the first corporation owns, directly or indirectly, a majority of the shares entitled to vote for directors of the second corporation.

(3) Subsection (2) does not limit the power of a corporation to vote any shares, including its own shares, held by it in a fiduciary capacity.

(4) Redeemable shares are not entitled to vote after notice of redemption is mailed to the holders and a sum sufficient to redeem the shares has been deposited with a bank, trust company, or other financial institution under an irrevocable obligation to pay the shareholders the redemption price on surrender of the shares.

(5) Shares acquired by the corporation pursuant to 35-1-630 are not entitled to vote as long as they are owned by the corporation.

**35-1-525. Proxies.** (1) A shareholder may vote its shares in person or by proxy.

(2) A shareholder may appoint a proxy to vote or otherwise act for that shareholder by signing an appointment form, either personally or by attorney-in-fact.

(3) An appointment of a proxy is effective when received by the secretary or other officer or agent authorized to tabulate votes. An appointment is valid for 11 months unless a longer period is expressly provided in the appointment form.

(4) Except as provided in subsection (6), an appointment of a proxy is revocable by the shareholder unless the appointment form conspicuously states that it is irrevocable and the appointment is coupled with an interest. Appointments coupled with an interest include the appointment of:

(a) a pledgee;

(b) a person who purchased or agreed to purchase the shares;

(c) a creditor of the corporation who extended it credit under terms requiring the appointment;

(d) an employee of the corporation whose employment contract requires the appointment; or

(e) a party to a voting agreement created under 35-1-533.

(5) The death or incapacity of the shareholder appointing a proxy does not affect the right of the corporation to accept the proxy's authority unless notice of the death or incapacity is received by the secretary or other officer or agent authorized to tabulate votes before the proxy exercises the proxy's authority under the appointment.

(6) An appointment made irrevocable under subsection (4) is revoked when the interest with which it is coupled is extinguished.

(7) A transferee for value of shares subject to an irrevocable appointment may revoke the appointment if the transferee did not know of its existence when the transferee acquired the shares and the existence of the irrevocable appointment was not noted conspicuously on the certificate representing the shares or on the information statement for shares without certificates.

(8) Subject to 35-1-526 and to any express limitation on the proxy's authority appearing on the face of the appointment form, a corporation is entitled to accept the proxy's vote or other action as that of the shareholder making the appointment.

(9) A shareholder may not sell his vote or issue a proxy to vote to any person for any sum of money or anything of value except as authorized in 35-1-532 and this section.

**35-1-526. Shares held by nominees.** (1) A corporation may establish a procedure by which the beneficial owner of shares that are registered in the name of a nominee is recognized by the corporation as the shareholder. The extent of this recognition may be determined in the procedure.

(2) The procedure may set forth:

(a) the type of nominee to which it applies;

(b) the rights or privileges that the corporation recognizes in a beneficial owner;

(c) the manner in which the procedure is selected by the nominee;

(d) the information that must be provided when the procedure is selected;

(e) the period for which selection of the procedure is effective; and

(f) other aspects of the rights and duties created.

**History: En. Sec. 59, Ch. 368, L. 1991.**

**35-1-527. Corporation's acceptance of votes.** (1) If the name signed on a vote, consent, waiver, or proxy appointment corresponds to the name of a shareholder, the corporation if acting in good faith is entitled to accept the vote, consent, waiver, or proxy appointment and give it effect as the act of the shareholder.

(2) If the name signed on a vote, consent, waiver, or proxy appointment does not correspond to the name of its shareholder, the corporation, if acting in good faith, is nevertheless entitled to accept the vote, consent, waiver, or proxy appointment and give it effect as the act of the shareholder if:

(a) the shareholder is an entity and the name signed purports to be that of an officer or agent of the entity;

(b) the name signed purports to be that of an administrator, executor, guardian, or conservator representing the shareholder and, if the corporation requests, evidence of fiduciary status acceptable to the corporation has been presented with respect to the vote, consent, waiver, or proxy appointment;

(c) the name signed purports to be that of a receiver or trustee in bankruptcy of the shareholder and, if the corporation requests, evidence of this status acceptable to the corporation has been presented with respect to the vote, consent, waiver, or proxy appointment;

(d) the name signed purports to be that of a pledgee, beneficial owner, or attorney-in-fact of the shareholder and, if the corporation requests, evidence acceptable to the corporation of the signatory's authority to sign for the shareholder has been presented with respect to the vote, consent, waiver, or proxy appointment; or

(e) two or more persons are the shareholder as cotenants or fiduciaries and the name signed purports to be the name of at least one of the co-owners and the person signing appears to be acting on behalf of all the co-owners.

(3) The corporation is entitled to reject a vote, consent, waiver, or proxy appointment if the secretary or other officer or agent authorized to tabulate votes, acting in good faith, has reasonable basis for doubt about the validity of the signature on it or about the signatory's authority to sign for the shareholder.

(4) The corporation and its officer or agent who accept or reject a vote, consent, waiver, or proxy appointment in good faith and in accordance with the standards of this section are not liable in damages to the shareholder for the consequences of the acceptance or rejection.

(5) Corporate action based on the acceptance or rejection of a vote, consent, waiver, or proxy appointment under this section is valid unless a court of competent jurisdiction determines otherwise.

**History: En. Sec. 60, Ch. 368, L. 1991.**

**35-1-528. Quorum and voting requirements for voting groups.** (1) Shares entitled to vote as a separate voting group may take action on a matter at a meeting only if a quorum of those shares exists with respect to that matter. Unless the articles of incorporation or this chapter provide otherwise, a majority of the votes entitled to be cast on the matter by the voting group constitutes a quorum of that voting group for action on that matter.

(2) Once a share is represented for any purpose at a meeting, it is considered present for quorum purposes for the remainder of the meeting and for any adjournment of that meeting unless a new record date is or must be set for that adjourned meeting.

(3) If a quorum exists, action on a matter other than the election of directors by a voting group is approved if the votes cast within the voting group favoring the action exceed the votes cast opposing the action, unless the articles of incorporation or this chapter require a greater number of affirmative votes.

(4) An amendment of articles of incorporation adding, changing, or deleting a quorum or voting requirement for a voting group greater than specified in subsection (2) or (3) is governed by 35-1-530.

(5) The election of directors is governed by 35-1-531.

**History: En. Sec. 61, Ch. 368, L. 1991.**

**35-1-529. Action by single and multiple voting groups.** (1) If the articles of incorporation or this chapter provide for voting by a single voting group on a matter, action on that matter is taken when voted upon by that voting group as provided in 35-1-527.

(2) If the articles of incorporation or this chapter provide for voting by two or more voting groups on a matter, action on that matter is taken only when voted upon by each of those voting groups counted separately as provided in 35-1-528. Action may be taken by one voting group on a matter even though no action is taken by another voting group entitled to vote on the matter.

**History: En. Sec. 62, Ch. 368, L. 1991.**

**35-1-530. Greater quorum or voting requirements.** (1) The articles of incorporation may provide for a greater quorum or voting requirement for shareholders or for voting groups of shareholders than is provided for by this chapter.

(2) An amendment to the articles of incorporation that adds, changes, or deletes a greater quorum or voting requirement must meet the same quorum requirement and be adopted by the same vote and voting groups required to take action under the quorum and voting requirements then in effect or proposed to be adopted, whichever is greater.

**History: En. Sec. 63, Ch. 368, L. 1991.**

**35-1-531. Voting for directors — cumulative voting.** (1) Unless otherwise provided in the articles of incorporation, directors are elected by a plurality of the votes cast by the shares entitled to vote in the election at a meeting at which a quorum is present.

(2) Except as limited by subsection (3), at each election for directors each shareholder entitled to vote at the election has the right:

(a) to vote, in person or by proxy, the number of shares owned by the shareholder for as many persons as there are directors to be elected and for whose election the shareholder has a right to vote; or

(b) to cumulate the shareholder's votes:

(i) by giving one candidate as many votes as the number of directors to be elected multiplied by the number of shareholders' shares; or

(ii) by distributing the votes on the same principle among any number of the candidates.

(3) The right of all shareholders to cumulate their shares provided by subsection (2) may be denied by a statement to that effect included in the articles of incorporation, but only if:

(a) the statement is included in the articles of incorporation at the time the initial articles of incorporation are filed; or

(b) the statement is included in an amendment to the articles of incorporation unless the number of votes sufficient to elect one director, if voted upon a cumulative basis, was voted against the amendment.

**History: En. Sec. 64, Ch. 368, L. 1991.**

**35-1-532. Voting trusts.** (1) One or more shareholders may create a voting trust, conferring on a trustee the right to vote or otherwise act for them, by signing an agreement setting out the provisions of the trust, which may include anything consistent with its purpose, and by transferring their shares to the trustee. When a voting trust agreement is signed, the trustee shall prepare a list of the names and addresses of all owners of beneficial interests in the trust, together with the number and class of shares each transferred to the trust, and deliver copies of the list and agreement to the corporation's principal office.

(2) A voting trust becomes effective on the date the first shares subject to the trust are registered in the trustee's name. A voting trust is valid for not more than 10 years after its effective date unless extended under subsection (3).

(3) All or some of the parties to a voting trust may extend it for additional terms of not more than 10 years each by signing an extension agreement and obtaining the voting trustee's written consent to the extension. An extension is valid for 10 years from the date the first shareholder signs the extension agreement. The voting trustee shall deliver copies of the extension agreement and the list of beneficial owners to the corporation's principal office. An extension agreement binds only those parties signing it.

(4) The counterpart of the voting trust agreement and the copy of the record deposited with the corporation is subject to the same right of examination by a shareholder of a corporation, in person or by agent or attorney, as are the books and records of the corporation, and the counterpart and the copy of the record are subject to examination by any holder of record of voting trust certificates, either in person or by agent or attorney, at any reasonable time for any proper purpose.

**History: En. Sec. 65, Ch. 368, L. 1991.**

**35-1-533. Voting agreements.** (1) Two or more shareholders may provide for the manner in which they will vote their shares by signing an agreement for that purpose. A voting agreement created under this section is not subject to the provisions of 35-1-532.

(2) A voting agreement created under this section is specifically enforceable.

**History: En. Sec. 66, Ch. 368, L. 1991.**

**35-1-534. Liability of shareholders.** (1) A purchaser from a corporation of its own shares is not liable to the corporation or its creditors with respect to the shares except to pay the consideration for which the shares were authorized to be issued as provided in 35-1-623 or specified in the subscription agreement as provided in 35-1-622.

(2) Unless otherwise provided in the articles of incorporation, a shareholder of a corporation is not personally liable for the acts or debts of the corporation except that a shareholder may become personally liable by reason of that shareholder's own acts or conduct.

**History: En. Sec. 39, Ch. 368, L. 1991.**

**35-1-535. Shareholders' preemptive rights.** (1) The shareholders of a corporation do not have a preemptive right to acquire the corporation's unissued shares except to the extent provided in the articles of incorporation.

(2) A statement included in the articles of incorporation that "the corporation elects to have preemptive rights", or similar words, means that all of the following principles apply except to the extent the articles of incorporation expressly provide otherwise:

(a) The shareholders of the corporation have a preemptive right, granted on uniform terms and conditions prescribed by the board of directors to provide a fair and reasonable opportunity to exercise the right, to acquire proportional amounts of the corporation's unissued shares upon the decision of the board of directors to issue them and to acquire proportional amounts of the corporation's issued shares acquired by the corporation pursuant to 35-1-630 upon the decision of the board of directors to convey them.

(b) A shareholder may waive his preemptive right. A waiver evidenced by a writing is irrevocable even though it is not supported by consideration.

(c) Shareholders of a corporation have no preemptive right to acquire proportional amounts of shares with respect to:

(i) shares issued as compensation to directors, officers, agents, or employees of the corporation, its subsidiaries, or its affiliates;

(ii) shares issued to satisfy conversion or option rights created to provide compensation to directors, officers, agents, or employees of the corporation, its subsidiaries, or its affiliates;

(iii) shares authorized in articles of incorporation that are issued within 6 months from the effective date of incorporation; or

(iv) shares sold otherwise than for money.

(d) Holders of shares of any class without general voting rights but with preferential rights to distributions or assets have no preemptive rights with respect to shares of any class.

(e) Holders of shares of any class with general voting rights but without preferential rights to distributions or assets have no preemptive rights with respect to shares of any class with preferential rights to distributions or assets unless the shares with preferential rights are convertible into or carry a right to subscribe for or acquire shares without preferential rights.

(f) Shares subject to preemptive rights that are not acquired by shareholders may be issued to any person for a period of 1 year after being offered to shareholders at a consideration set by the board of directors that is not lower than the consideration set for the exercise of preemptive rights. An offer at a lower consideration or after the expiration of 1 year is subject to the shareholders' preemptive rights.

(g) Shares acquired by the corporation pursuant to 35-1-630 have no preemptive rights as long as they are owned by the corporation.

(3) For purposes of this section, "shares" includes a security convertible into or carrying a right to subscribe for or acquire shares.

**35-1-541. Definitions.** As used in 35-1-541 through 35-1-548, the following definitions apply:

(1) "Derivative proceeding" means a civil suit in the right of a domestic corporation or, to the extent provided in 35-1-548, in the right of a foreign corporation.

(2) "Shareholder" includes a beneficial owner whose shares are held in a voting trust or held by a nominee on the beneficial owner's behalf.

**History: En. Sec. 67, Ch. 368, L. 1991.**

**35-1-542. Standing.** A shareholder may not commence or maintain a derivative proceeding unless the shareholder:

(1) was a shareholder of the corporation at the time of the act or omission complained of or became a shareholder through transfer by operation of law from one who was a shareholder at that time; and

(2) fairly and adequately represents the interests of the corporation in enforcing the right of the corporation.

**History: En. Sec. 68, Ch. 368, L. 1991.**

**35-1-543. Demand.** A shareholder may not commence a derivative proceeding until:

(1) a written demand has been made upon the corporation to take suitable action; and

(2) 90 days have expired from the date the demand was made unless the shareholder has earlier been notified that the demand has been rejected by the corporation or unless irreparable injury to the corporation would result by waiting for the expiration of the 90-day period.

**History: En. Sec. 69, Ch. 368, L. 1991.**

**35-1-544. Stay of proceedings.** If the corporation begins an inquiry into the allegations made in the demand or complaint, the court may stay any derivative proceeding for the period the court considers appropriate.

**History: En. Sec. 70, Ch. 368, L. 1991.**

**35-1-545. Dismissal.** (1) A derivative proceeding must be dismissed by the court on motion by the corporation if one of the groups specified in subsection (2) or (6) has determined in good faith after conducting a reasonable inquiry upon which its conclusions are based that the maintenance of the derivative proceeding is not in the best interests of the corporation.

(2) Unless a panel is appointed pursuant to subsection (6), the determination in subsection (1) must be made by:

(a) a majority vote of independent directors present at a meeting of the board of directors if the independent directors constitute a quorum; or

(b) a majority vote of a committee consisting of two or more independent directors appointed by majority vote of independent directors present at a meeting of the board of directors, whether or not the independent directors constituted a quorum.

(3) None of the following may by itself cause a director to be considered not independent for purposes of this section:

(a) the nomination or election of the director by persons who are defendants in the derivative proceeding or against whom action is demanded;

(b) the naming of the director as a defendant in the derivative proceeding or as a person against whom action is demanded; or

(c) the approval by the director of the act being challenged in the derivative proceeding or demand if the act did not result in personal benefit to the director.

(4) If a derivative proceeding is begun after a determination has been made rejecting a demand by a shareholder, the complaint must allege with particularity facts establishing either that a majority of the board of directors did not consist of independent directors at the time the determination was made or that the requirements of subsection (1) have not been met.

(5) If a majority of the board of directors does not consist of independent directors at the time the determination is made, the corporation has the burden of proving that the requirements of subsection (1) have been met. If a majority

of the board of directors consists of independent directors at the time the determination is made, the plaintiff has the burden of proving that the requirements of subsection (1) have not been met.

(6) Upon motion by the corporation, the court may appoint a panel of one or more independent persons to make a determination of whether the maintenance of the derivative proceeding is in the best interests of the corporation. If this is done, the plaintiff has the burden of proving that the requirements of subsection (1) have not been met.

**History:** **En. Sec. 71, Ch. 368, L. 1991.**

**35-1-546. Discontinuance or settlement — notice.** A derivative proceeding may not be discontinued or settled without the court's approval. If the court determines that a proposed discontinuance or settlement will substantially affect the interests of the corporation's shareholders or a class of shareholders, the court shall direct that notice be given to the shareholders affected.

**History:** **En. Sec. 72, Ch. 368, L. 1991.**

**35-1-547. Payment of expenses.** On termination of the derivative proceeding, the court may:

(1) order the corporation to pay the plaintiff's reasonable expenses, including attorney fees, incurred in the proceeding if it finds that the proceeding has resulted in a substantial benefit to the corporation;

(2) order the plaintiff to pay a defendant's reasonable expenses, including attorney fees, incurred in defending the proceeding if it finds that the proceeding was commenced or maintained without reasonable cause or for an improper purpose; or

(3) order a party to pay an opposing party's reasonable expenses, including attorney fees, incurred because of the filing of a pleading, motion, or other paper, if it finds that:

(a) the pleading, motion, or other paper was not well-grounded in fact, after reasonable inquiry; or

(b) the filing was not warranted by existing law or a good faith argument for the extension, modification, or reversal of existing law and was interposed for an improper purpose, such as to harass, to cause unnecessary delay, or to cause a needless increase in the cost of litigation.

**History:** **En. Sec. 73, Ch. 368, L. 1991.**

**35-1-548. Applicability to foreign corporations.** In a derivative proceeding in the right of a foreign corporation, the matters covered by 35-1-541 through 35-1-548 are governed by the laws of the jurisdiction of incorporation of the foreign corporation except for 35-1-544, 35-1-546, and 35-1-547.

**History:** **En. Sec. 74, Ch. 368, L. 1991.**

**35-1-549 reserved.**

**35-1-550. Number of shareholders.** (1) For purposes of Title 35, chapter 9, the following, identified as a shareholder in a corporation's current record of shareholders, constitutes one shareholder:

(a) three or fewer co-owners;

(b) a corporation, partnership, trust, estate, or other entity; or

(c) the trustees, guardians, custodians, or other fiduciaries of a single trust, estate, or account.

(2) For purposes of Title 35, chapter 9, shareholdings registered in substantially similar names constitute one shareholder if it is reasonable to believe that the names represent the same person.

**History: En. Sec. 38, Ch. 475, L. 1981.**

**35-1-618. Authorized shares.** (1) The articles of incorporation must prescribe the classes of shares and the number of shares of each class that the corporation is authorized to issue. If more than one class of shares is authorized, the articles of incorporation must prescribe a distinguishing designation for each class. Prior to the issuance of shares of a class, the preferences, limitations, and relative rights of that class must be described in the articles of incorporation. All shares of a class must have preferences, limitations, and relative rights identical to those of other shares of the same class, except to the extent otherwise permitted by 35-1-619.

(2) (a) The articles of incorporation must authorize:

(i) one or more classes of shares that together have unlimited voting rights; and

(ii) one or more classes of shares which may be the same class or classes as those with voting rights.

(b) The classes of shares listed in subsections (2)(a)(i) and (2)(a)(ii), taken together are entitled to receive the net assets of the corporation upon dissolution.

(3) The articles of incorporation may authorize one or more classes of shares that:

(a) have special, conditional, or limited voting rights or no right to vote, except to the extent prohibited by this chapter;

(b) are redeemable or convertible as specified in the articles of incorporation:

(i) at the option of the corporation, the shareholder, or another person or upon the occurrence of a designated event;

(ii) for cash, indebtedness, securities, or other property; and

(iii) in a designated amount or in an amount determined in accordance with a designated formula or by reference to extrinsic data or events;

(c) entitle the holders to distributions calculated in any manner, including dividends that may be cumulative, noncumulative, or partially cumulative; and

(d) have preference over any other class of shares with respect to distributions, including dividends and distributions upon the dissolution of the corporation.

(4) The description of the designations, preferences, limitations, and relative rights of share classes in subsection (3) is not exhaustive.

(5) When authorized by its articles of incorporation to do so, a corporation may issue bonds, debentures, or other obligations convertible into shares of any class in the amounts and on terms and conditions that may be provided by resolutions of the board of directors.

**History:** **En. Sec. 33, Ch. 368, L. 1991.**

**35-1-619. Terms of class or series determined by board of directors.** (1) If the articles of incorporation so provide, the board of directors may determine, in whole or part, the preferences, limitations, and relative rights, within the limits set forth in 35-1-618, of any class of shares before the issuance of any shares of that class or of one or more series within a class before the issuance of any shares of that series.

(2) Each series of a class must be given a distinguishing designation.

(3) All shares of a series must have preferences, limitations, and relative rights identical to those of other shares of the same series and, except to the extent otherwise provided in the description of the series, to those of other series of the same class.

(4) Before issuing any shares of a class or series created under this section, the corporation shall deliver to the secretary of state, for filing, articles of amendment that are effective without shareholder action and that set forth:

(a) the name of the corporation;

(b) the text of the amendment determining the terms of the class or series of shares;

(c) the date the amendment was adopted; and

(d) a statement that the amendment was duly adopted by the board of directors.

**History: En. Sec. 34, Ch. 368, L. 1991.**

**35-1-620. Issued and outstanding shares.** (1) A corporation may issue the number of shares of each class or series authorized by the articles of incorporation. Subject to 35-1-630, shares that are issued are outstanding shares until they are reacquired, redeemed, converted, or canceled.

(2) The reacquisition, redemption, or conversion of outstanding shares is subject to 35-1-712 and to the limitations of subsection (3) of this section.

(3) Whenever shares of the corporation are outstanding, one or more shares that together have unlimited voting rights and one or more shares that together are entitled to receive the net assets of the corporation upon dissolution must be outstanding.

**History: En. Sec. 35, Ch. 368, L. 1991.**

**35-1-621. Fractional shares.** (1) A corporation may:

(a) issue fractions of a share or pay in money the value of fractions of a share;

(b) arrange for disposition of fractional shares by the shareholders; and

(c) issue scrip in registered or bearer form entitling the holder to receive a full share upon surrendering enough scrip to equal a full share.

(2) Each certificate representing scrip must be conspicuously labeled "scrip" and must contain the information required by 35-1-626.

(3) The holder of a fractional share is entitled to exercise the rights of a shareholder, including the right to vote, to receive dividends, and to participate in the assets of the corporation upon liquidation. The holder of scrip is not entitled to any of these rights unless the scrip provides for them.

(4) The board of directors may authorize the issuance of scrip subject to any condition considered desirable, including the condition:

(a) that the scrip will become void if not exchanged for full shares before a specified date; and

(b) that the shares for which the scrip is exchangeable may be sold and the proceeds paid to the scripholders.

**History: En. Sec. 36, Ch. 368, L. 1991.**

**35-1-622. Subscription for shares before incorporation.** (1) A subscription for shares entered into before incorporation is irrevocable for 6 months unless the subscription agreement provides a longer or shorter period or unless all the subscribers agree to revocation.

(2) The board of directors may determine the payment terms of subscriptions for shares that were entered into before incorporation, unless the subscription agreement specifies them. A call for payment by the board of

directors must be uniform, so far as practicable, as to all shares of the same class or series unless the subscription agreement specifies otherwise.

(3) Shares issued pursuant to subscriptions entered into before incorporation are fully paid and nonassessable when the corporation receives the consideration specified in the subscription agreement.

(4) If a subscriber defaults in payment of money or property under a subscription agreement entered into before incorporation, the corporation may collect the amount owed in the same manner as it would collect any other debt. Alternatively, unless the subscription agreement provides otherwise, the corporation may rescind the agreement and may sell the shares if the debt remains unpaid more than 20 days after the corporation sends written demand for payment to the subscriber.

(5) A subscription agreement entered into after incorporation is a contract between the subscriber and the corporation and is subject to the provisions of 35-1-623.

**History: En. Sec. 37, Ch. 368, L. 1991.**

**35-1-623. Issuance of shares.** (1) The powers granted in this section to the board of directors may be reserved to the shareholders by the articles of incorporation.

(2) The board of directors may authorize shares to be issued for consideration consisting of any tangible or intangible property or benefit to the corporation, including cash, promissory notes, services performed, contracts for services to be performed, or other securities of the corporation.

(3) Before the corporation issues shares, the board of directors must determine that the consideration received or to be received for shares to be issued is adequate. The determination by the board of directors is conclusive with regard to the adequacy of consideration for the issuance of shares relating to whether the shares are validly issued, fully paid, and nonassessable.

(4) When the corporation receives the consideration for which the board of directors authorized the issuance of shares, the shares issued for the consideration are fully paid and nonassessable.

(5) The corporation may place in escrow shares issued for a contract for future services or benefits or a promissory note, or the corporation may also make other arrangements to restrict the transfer of the shares and may credit distributions in respect of the shares against their purchase price until the services are performed, the note is paid, or the benefits received. If the services are not performed, the note is not paid, or the benefits are not received, the shares escrowed or restricted and the distributions credited may be canceled in whole or in part.

**History: En. Sec. 38, Ch. 368, L. 1991.**

**35-1-624. Share dividends.** (1) Unless the articles of incorporation provide otherwise, shares may be issued pro rata and without consideration to the corporation's shareholders or to the shareholders of one or more classes or series. An issuance of shares under this subsection is a share dividend.

(2) Shares of one class or series may not be issued as a share dividend in respect of shares of another class or series unless:

(a) the articles of incorporation authorize the issuance;

(b) a majority of the votes entitled to be cast by the class or series to be issued approve the issue; or

(c) there are no outstanding shares of the class or series to be issued.

(3) If the board of directors does not fix the record date for determining shareholders entitled to a share dividend, the record date is the date the board of directors authorizes the share dividend.

**History: En. Sec. 40, Ch. 368, L. 1991.**

**35-1-625. Share options.** A corporation may issue rights, options, or warrants for the purchase of shares of the corporation. The board of directors shall determine the terms upon which the rights, options, or warrants are issued, their form and content, and the consideration for which the shares are to be issued.

**History: En. Sec. 41, Ch. 368, L. 1991.**

**35-1-626. Form and content of certificates.** (1) Shares may but need not be represented by certificates. Unless this chapter or another statute expressly provide otherwise, the rights and obligations of shareholders are identical whether or not their shares are represented by certificates.

(2) At a minimum, each share certificate must state on its face:

(a) the name of the issuing corporation and that it is organized under the law of this state;

(b) the name of the person to whom issued; and

(c) the number and class of shares and the designation of the series, if any, that the certificate represents.

(3) (a) If the issuing corporation is authorized to issue different classes of shares or different series within a class the following must be summarized on the front or back of each certificate:

(i) the designations, relative rights, preferences, and limitations applicable to each class;

(ii) the variations in rights, preferences, and limitations determined for each series; and

(iii) the authority of the board of directors to determine variations for future series.

(b) Alternatively, each certificate may state conspicuously on its front or back that the corporation will furnish the shareholder this information on request in writing and without charge.

(4) Each share certificate must be signed, either manually or in facsimile, by two officers designated in the bylaws or by the board of directors and may bear the corporate seal or its facsimile.

(5) If the person who signed, either manually or in facsimile, a share certificate no longer holds office when the certificate is issued, the certificate remains valid.

**35-1-627. Shares without certificates.** (1) Unless the articles of incorporation or bylaws provide otherwise, the board of directors of a corporation may authorize the issue of some or all of the shares of any or all of its classes or series without certificates. The authorization does not affect shares already represented by certificates until they are surrendered to the corporation.

(2) Within a reasonable time after the issuance or transfer of shares without certificates, the corporation shall send the shareholder a written statement of the information required on certificates by 35-1-626 and, if applicable, subsection (1) of this section.

**History: En. Sec. 43, Ch. 368, L. 1991.**

**35-1-628. Restriction on transfer or registration of transfer of shares and other securities.** (1) The articles of incorporation, the bylaws, an agreement among shareholders, or an agreement between shareholders and the corporation may impose restrictions on the transfer or registration of transfer of shares of the corporation. A restriction does not affect shares issued before the restriction was adopted unless the holders of the shares are parties to the restriction agreement or have voted in favor of the restriction.

(2) A restriction on the transfer or registration of transfer of shares is valid and enforceable against the holder or a transferee of the holder if the restriction is authorized by this section and its existence is noted conspicuously on the front or back of the certificate or is contained in the information statement required by 35-1-627. Unless noted, a restriction is not enforceable against a person without knowledge of the restriction.

(3) A restriction on the transfer or registration of transfer of shares is authorized:

(a) to maintain the corporation's status when it is dependent on the number or identity of its shareholders;

(b) to preserve exemptions under federal or state securities law;

(c) to preserve an election under the Internal Revenue Code; or

(d) for any other reasonable purpose.

(4) A restriction on the transfer or registration of transfer of shares may:

(a) obligate the shareholder first to offer the corporation or other person, separately, consecutively, or simultaneously, an opportunity to acquire the restricted shares;

(b) obligate the corporation or other person, separately, consecutively, or simultaneously, to acquire the restricted shares;

(c) require the corporation, the holders of any class of its shares, or another person to approve the transfer of the restricted shares, if the requirement is not manifestly unreasonable; or

(d) prohibit the transfer of the restricted shares to designated persons or classes of persons if the prohibition is not manifestly unreasonable.

(5) For purposes of this section, "shares" includes a security convertible into or carrying a right to subscribe for or acquire shares.

**35-1-629. Expense of issue.** A corporation may pay the expenses of selling or underwriting its shares and of organizing or reorganizing the corporation from the consideration received for shares.

**History: En. Sec. 45, Ch. 368, L. 1991.**

**35-1-630. Corporation's acquisition of its own shares.** (1) Except as provided in subsection (2), a corporation may acquire its own shares, and those shares constitute authorized but unissued shares.

(2) If provided by the corporation's articles of incorporation or bylaws, shares acquired pursuant to subsection (1) constitute authorized and issued shares. A corporation may at any time, by resolution of its board of directors, cancel all or any part of the shares acquired under this subsection, in which case the shares constitute authorized but unissued shares.

(3) If the articles of incorporation prohibit the reissue of acquired shares, the number of authorized shares is reduced by the number of shares acquired, effective on amendment of the articles of incorporation.

(4) Articles of amendment may be adopted by the board of directors without shareholder action, must be delivered to the secretary of state, for filing, and must set forth:

(a) the name of the corporation;

(b) the reduction in the number of authorized shares, itemized by class and series; and

(c) the total number of authorized shares, itemized by class and series, remaining after reduction of the shares.

**35-1-712. Distributions to shareholders.** (1) A board of directors may authorize and the corporation may make distributions to its shareholders, subject to restriction by the articles of incorporation and the limitation in subsection (3).

(2) If the board of directors does not fix the record date for determining shareholders entitled to a distribution, other than a distribution involving a repurchase or reacquisition of shares, it is the date the board of directors authorizes the distribution.

(3) A distribution may not be made if, after giving it effect:

(a) the corporation would not be able to pay its debts as they become due in the usual course of business; or

(b) the corporation's total assets would be less than the sum of its total liabilities plus, unless the articles of incorporation permit otherwise, the amount that would be needed, if the corporation were to be dissolved at the time of the distribution, to satisfy the preferential rights upon dissolution of shareholders whose preferential rights are superior to those receiving the distribution.

(4) The board of directors may base a determination that a distribution is not prohibited under subsection (3) either on financial statements prepared on the basis of accounting practices and principles that are reasonable in the circumstances or on a fair valuation or other method that is reasonable in the circumstances.

(5) The effect of a distribution under subsection (1) is measured:

(a) in the case of distribution by purchase, redemption, or other acquisition of the corporation's shares, as of the earlier of:

(i) the date money or other property is transferred or debt incurred by the corporation; or

(ii) the date the shareholder ceases to be a shareholder with respect to the acquired shares;

(b) in the case of any other distribution of indebtedness, as of the date the indebtedness is distributed; or

(c) in all other cases, as of:

(i) the date the distribution is authorized if the payment occurs within 120 days after the date of authorization; or

(ii) the date the payment is made if it occurs more than 120 days after the date of authorization.

(6) A corporation's indebtedness to a shareholder incurred by reason of a distribution made in accordance with this section is at parity with the corporation's indebtedness to its general, unsecured creditors except to the extent subordinated by agreement.

**35-1-713. (2) A director held liable for an unlawful distribution under subsection (1) is entitled to contribution:

(a) from every other director who voted for or assented to the distribution and who did not comply with the applicable standards of conduct described in 35-1-418; and

(b) from each shareholder for the amount the shareholder accepted if the shareholder knows the distribution was made in violation of this chapter or the articles of incorporation.

**35-1-813. Merger.** (1) One or more corporations may merge into another corporation if the board of directors of each corporation adopts and its shareholders, if required by 35-1-815, approve a plan of merger.

(2) The plan of merger must set forth:

(a) the name of each corporation planning to merge and the name of the surviving corporation into which each other corporation plans to merge;

(b) the terms and conditions of the merger; and

(c) the manner and basis of converting the shares of each corporation into shares, obligations, or other securities of the surviving corporation or any other corporation or into cash or other property in whole or part.

(3) The plan of merger may set forth:

(a) amendments to the articles of incorporation of the surviving corporation; and

(b) other provisions relating to the merger.

**History: En. Sec. 124, Ch. 368, L. 1991.**

**35-1-814. Share exchange.** (1) A corporation may acquire all of the outstanding shares of one or more classes or series of another corporation if the board of directors of each corporation adopts and its shareholders, if required by 35-1-815, approve the exchange.

(2) The plan of exchange must set forth:

(a) the name of the corporation from which shares will be acquired and the name of the acquiring corporation;

(b) the terms and conditions of the exchange; and

(c) the manner and basis of exchanging the shares to be acquired for shares, obligations, or other securities of the acquiring corporation or any other corporation or for cash or other property in whole or part.

(3) The plan of exchange may set forth any other provision relating to the exchange.

(4) This section does not limit the power of a corporation to acquire all or part of the shares of one or more classes or series of another corporation through a voluntary exchange or otherwise.

**History:** **En. Sec. 125, Ch. 368, L. 1991.**

**35-1-815. Action on plan.** (1) Except as provided in subsection (7), after adopting a plan of merger or share exchange, the board of directors of each corporation party to the merger and the board of directors of the corporation whose shares will be acquired in the share exchange shall submit the plan of merger, except as provided in subsection (7), or share exchange for approval by its shareholders.

(2) For a plan of merger or share exchange to be approved:

(a) the board of directors shall recommend the plan of merger or share exchange to the shareholders, unless the board of directors determines that because of conflict of interest or other special circumstances it should make no recommendation and communicates the basis for its determination to the shareholders with the plan; and

(b) the shareholders entitled to vote shall approve the plan.

(3) The board of directors may condition its submission of the proposed merger or share exchange on any basis.

(4) The corporation shall notify each shareholder, whether or not entitled to vote, of the proposed shareholders' meeting in accordance with 35-1-520. The notice must also state that the purpose or one of the purposes of the meeting is to consider the plan of merger or share exchange and must contain or be accompanied by a copy or summary of the plan.

(5) Unless this chapter, the articles of incorporation, or the board of directors, acting pursuant to subsection (3), require a greater vote or a vote by voting groups, the plan of merger or share exchange to be authorized must be approved by each voting group entitled to vote separately on the plan by an affirmative vote of two-thirds, or a majority vote if authorized by subsection (10), of the votes entitled to be cast on the plan by that voting group.

(6) Separate voting by voting groups is required:

(a) on a plan of merger if the plan contains a provision that, if contained in a proposed amendment to articles of incorporation, would require action by one or more separate voting groups on the proposed amendment under 35-1-228; and

(b) on a plan of share exchange by each class or series of shares included in the exchange, with each class or series constituting a separate voting group.

(7) Action by the shareholders of the surviving corporation on a plan of merger is not required if:

(a) the articles of incorporation of the surviving corporation will not differ, except for amendments enumerated in 35-1-226, from its articles before the merger;

(b) each shareholder of the surviving corporation whose shares were outstanding immediately before the effective date of the merger will hold the same number of shares, with identical designations, preferences, limitations, and relative rights, immediately after the merger;

(c) the number of voting shares outstanding immediately after the merger plus the number of voting shares issuable as a result of the merger, either by the conversion of securities issued pursuant to the merger or the exercise of rights and warrants issued pursuant to the merger, will not exceed by more than 20% the total number of voting shares of the surviving corporation outstanding immediately before the merger; and

(d) the number of participating shares outstanding immediately after the merger plus the number of participating shares issuable as a result of the merger, either by the conversion of securities issued pursuant to the merger or the exercise of rights and warrants issued pursuant to the merger, will not exceed by more than 20% the total number of participating shares outstanding immediately before the merger.

(8) As used in subsection (7):

(a) "participating shares" means shares that entitle their shareholders to participate without limitation in distributions; and

(b) "voting shares" means shares that entitle their shareholders to vote unconditionally in elections of directors.

(9) After a merger or share exchange is authorized and at any time before articles of merger or share exchange are filed, the planned merger or share exchange may be abandoned, subject to any contractual rights, without further shareholder action in accordance with the procedure set forth in the plan of merger or share exchange or, if no procedure is set forth, in the manner determined by the board of directors.

(10) A majority of all votes entitled to be cast by each voting group is sufficient to constitute approval by the corporation if a statement to that effect is included in the articles of incorporation but only if:

(a) the statement is included in the articles of incorporation at the time the initial articles of incorporation were filed; or

(b) the statement is included in an amendment to the articles of incorporation approved by an affirmative vote of two-thirds of the votes entitled to be cast on the amendment pursuant to 35-1-227.

Articles of merger or share exchange.** (1) After a plan of merger or share exchange is approved by the shareholders or adopted by the board of directors if shareholder approval is not required, the surviving or acquiring corporation shall deliver to the secretary of state, for filing, articles of merger or share exchange setting forth:

(a) the plan of merger or share exchange; and

(b) if shareholder approval was not required, a statement to that effect; or

(c) if approval of the shareholders of one or more corporations party to the merger or share exchange was required:

(i) the designation, number of outstanding shares, and number of votes entitled to be cast by each voting group entitled to vote separately on the plan as to each corporation; and

(ii) either the total number of votes cast for and against the plan by each voting group entitled to vote separately on the plan or the total number of undisputed votes cast for the plan separately by each voting group and a statement that the number cast for the plan by each voting group was sufficient for approval by that voting group.

(2) Unless a delayed effective date is specified, a merger or share exchange takes effect when the articles of merger or share exchange are filed.

**History: En. Sec. 128, Ch. 368, L. 1991.**

**35-1-817. Effect of merger or share exchange.** (1) When a merger takes effect:

(a) every other corporation party to the merger merges into the surviving corporation and the separate existence of every corporation except the surviving corporation ceases;

(b) the title to all real estate and other property owned by each corporation party to the merger is vested in the surviving corporation without reversion or impairment;

(c) the surviving corporation has all liabilities of each corporation party to the merger;

(d) a proceeding pending against any corporation party to the merger may be continued as if the merger did not occur or the surviving corporation may be substituted in the proceeding for the corporation whose existence ceased;

(e) the articles of incorporation of the surviving corporation are amended to the extent provided in the plan of merger; and

(f) the shares of each corporation party to the merger that are to be converted into shares, obligations, or other securities of the surviving or any other corporation or into cash or other property are converted and the former shareholders are entitled only to the rights provided in the articles of merger or to their rights under 35-1-826 through 35-1-839.

(2) When a share exchange takes effect, the shares of each acquired corporation are exchanged as provided in the plan and the former shareholders are entitled only to the exchange rights provided in the articles of share exchange or to their rights under 35-1-826 through 35-1-839.

**35-1-818. Merger of subsidiary.** (1) A parent corporation owning at least 80% of the outstanding shares of each class of a subsidiary corporation may merge the subsidiary into itself without approval of the shareholders of the parent corporation or subsidiary.

(2) The board of directors of the parent corporation shall adopt a plan of merger that sets forth:

(a) the names of the parent corporation and subsidiary; and

(b) the manner and basis of converting the shares of the subsidiary into shares, obligations, or other securities of the parent corporation or any other corporation or into cash or other property in whole or part.

(3) The parent corporation shall mail a copy of the summary of the plan of merger to each shareholder of the subsidiary who does not waive the mailing requirement in writing.

(4) The parent corporation may not deliver articles of merger to the secretary of state for filing until at least 30 days after the date it mailed a copy

of the plan of merger to each shareholder of the subsidiary who did not waive the mailing requirement.

(5) Articles of merger under this section may not contain amendments to the articles of incorporation of the parent corporation except for amendments enumerated in 35-1-226.

**History: En. Sec. 127, Ch. 368, L. 1991.**

**35-1-819. Merger or share exchange with foreign corporation.** (1) One or more foreign corporations may merge or enter into a share exchange with one or more domestic corporations if:

(a) in a merger, the merger is permitted by the law of the state or country under whose law each foreign corporation is incorporated and each foreign corporation complies with that law in effecting the merger; or

(b) in a share exchange, the corporation whose shares will be acquired is a domestic corporation, whether or not a share exchange is permitted by the law of the state or country under whose law the acquiring corporation is incorporated;

(c) the foreign corporation complies with 35-1-816 and if it is the surviving corporation of the merger or acquiring corporation of the share exchange; and

(d) each domestic corporation complies with the applicable provisions of 35-1-813 through 35-1-815 and 35-1-818 and, if it is the surviving corporation of the merger or acquiring corporation of the share exchange, with the provisions of 35-1-816.

(2) When the merger or share exchange takes effect, the surviving foreign corporation of a merger and the acquiring foreign corporation of a share exchange is considered:

(a) to have appointed the secretary of state as its agent for service of process in a proceeding to enforce any obligation or the rights of dissenting shareholders of each domestic corporation party to the merger or share exchange; and

(b) to have agreed that it will promptly pay to the dissenting shareholders of each domestic corporation party to the merger or share exchange the amount, if any, to which they are entitled under 35-1-826 through 35-1-839.

(3) This section does not limit the power of a foreign corporation to acquire all or part of the shares of one or more classes or series of a domestic corporation through a voluntary exchange or otherwise.

**35-1-820. Shareholder agreements.** (1) An agreement among the shareholders of a corporation that complies with this section is effective among the shareholders and the corporation even though it is inconsistent with one or more other provisions of this chapter in that it:

(a) eliminates the board of directors or restricts the discretion or powers of the board of directors;

(b) governs the authorization or making of distributions, whether or not in proportion to ownership of shares, subject to the limitations in 35-1-712;

(c) establishes who must be directors or officers of the corporation or their terms of office or manner of selection or removal;

(d) governs, in general or in regard to specific matters, the exercise or division of voting power by or between the shareholders and directors or by or among any of them, including use of weighted voting rights or director proxies;

(e) establishes the terms and conditions of any agreement for the transfer or use of property or the provision of services between the corporation and any shareholder, director, officer, or employee of the corporation or among any of them;

(f) transfers to one or more shareholders or other persons all or part of the authority to exercise the corporate powers or to manage the business and affairs of the corporation, including the resolution of any issue about which there exists a deadlock among directors or shareholders;

(g) requires dissolution of the corporation at the request of one or more of the shareholders or upon the occurrence of a specified event or contingency; or

(h) otherwise governs the exercise of the corporate powers or the management of the business and affairs of the corporation or the relationship among the shareholders, the directors, and the corporation or among any of them and is not contrary to public policy.

(2) An agreement authorized by this section must be:

(a) set forth:

(i) in the articles of incorporation or bylaws and approved by all persons who are shareholders at the time of the agreement; or

(ii) in a written agreement that is signed by all persons who are shareholders at the time of the agreement and that is made known to the corporation;

(b) subject to amendment only by all persons who are shareholders at the time of the amendment, unless the agreement provides otherwise; and

(c) valid for 10 years, unless the agreement provides otherwise.

(3) The existence of an agreement authorized by this section must be noted conspicuously on the front or back of each certificate for outstanding shares or on the information statement required by 35-1-627(2). If at the time of the agreement the corporation has shares outstanding represented by certificates, the corporation shall recall the outstanding certificates and issue substitute certificates that comply with this subsection. The failure to note the existence of the agreement on the certificate or information statement may not affect the validity of the agreement or any action taken pursuant to it. Any purchaser of shares who, at the time of purchase, did not have knowledge of the existence of the agreement must be entitled to rescission of the purchase. A purchaser is considered to have knowledge of the existence of the agreement if its existence is noted on the certificate or information statement for the shares in compliance with this subsection and, if the shares are not represented by a certificate, the information statement is delivered to the purchaser at or prior to the time of purchase of the shares. An action to enforce the right of rescission authorized by this subsection must be commenced within the earlier of 90 days after discovery of the existence of the agreement or 2 years after the time of purchase of the shares.

(4) An agreement authorized by this section must cease to be effective when shares of the corporation are listed on a national securities exchange or

regularly traded in a market maintained by one or more members of a national or affiliated securities association. If the agreement ceases to be effective for any reason, the board of directors may, if the agreement is contained or referred to in the corporation's articles of incorporation or bylaws, adopt an amendment to the articles of incorporation or bylaws, without shareholder action, to delete the agreement and any references to it.

(5) An agreement authorized by this section that limits the discretion or powers of the board of directors must relieve the directors of, and impose upon the person or persons in whom the discretion or powers are vested, liability for acts or omissions imposed by law on directors to the extent that the discretion or powers of the directors are limited by the agreement.

(6) The existence or performance of an agreement authorized by this section may not be a ground for imposing personal liability on any shareholders for the acts or debts of the corporation even if the agreement or its performance treats the corporation as if it were a partnership or results in failure to observe the corporate formalities otherwise applicable to the matters governed by the agreement.

(7) Incorporators or subscribers for shares may act as shareholders with respect to an agreement authorized by this section if shares have not been issued when the agreement is made.

(a) sell, lease, exchange, or otherwise dispose of all or substantially all of its property in the usual and regular course of business;

(b) mortgage, pledge, dedicate to the repayment of indebtedness, whether with or without recourse, or otherwise encumber any or all of its property whether or not in the usual and regular course of business; or

(c) transfer any or all of its property to another corporation all the shares of which are owned by the corporation.

(2) Unless the articles of incorporation require it, approval by the shareholders of a transaction described in subsection (1) is not required.

**35-1-823. Sale of assets other than in regular course of business.** (1) A corporation may sell, lease, exchange, or otherwise dispose of all or substantially all of its property, which may include good will, otherwise than in the usual and regular course of business, on the terms and conditions and for the consideration determined by the corporation's board of directors if the board of directors proposes and its shareholders approve the proposed transaction.

(2) For a transaction under this section to be authorized:

(a) the board of directors shall recommend the proposed transaction to the shareholders unless the board of directors determines that because of conflict of interest or other special circumstances it should make no recommendation and communicates the basis for its determination to the shareholders with the submission of the proposed transaction; and

(b) the shareholders entitled to vote shall approve the transaction.

(3) The board of directors may condition its submission of the proposed transaction on any basis.

(4) The corporation shall notify each shareholder, whether or not entitled to vote, of the proposed shareholders' meeting in accordance with 35-1-520. The notice must also state that the purpose or one of the purposes of the meeting is to consider the sale, lease, exchange, or other disposition of all or substantially all the property of the corporation and must contain or be accompanied by a description of the transaction.

(5) Unless the articles of incorporation, or the board of directors acting pursuant to subsection (3), require a greater vote or a vote by voting groups, the transaction to be authorized must be approved by an affirmative vote of two-thirds, or a majority if authorized by subsection (8), of the votes entitled to be cast on the transaction.

(6) After a sale, lease, exchange, or other disposition of property is authorized, the transaction may be abandoned, subject to any contractual rights, without further shareholders' action.

(7) A transaction that constitutes a distribution is governed by 35-1-712 and not by this section.

(8) A majority of votes cast by the shareholders is sufficient to constitute approval by the corporation if a statement to that effect is included in the articles of incorporation but only if:

(a) the statement is included in the articles of incorporation at the time the initial articles of incorporation were filed; or

(b) the statement is included in an amendment to the articles of incorporation approved by an affirmative vote of two-thirds of the votes entitled to be cast on the amendment pursuant to 35-1-227.

**History: En. Sec. 133, Ch. 368, L. 1991.**

**35-1-827. Right to dissent.** (1) A shareholder is entitled to dissent from and obtain payment of the fair value of the shareholder's shares in the event of any of the following corporate actions:

(a) consummation of a plan of merger to which the corporation is a party if:

(i) shareholder approval is required for the merger by 35-1-815 or the articles of incorporation and the shareholder is entitled to vote on the merger; or

(ii) the corporation is a subsidiary that is merged with its parent corporation under 35-1-818;

(b) consummation of a plan of share exchange to which the corporation is a party as the corporation whose shares will be acquired if the shareholder is entitled to vote on the plan;

(c) consummation of a sale or exchange of all or substantially all of the property of the corporation other than in the usual and regular course of business if the shareholder is entitled to vote on the sale or exchange, including a sale in dissolution but not including a sale pursuant to court order or a sale for cash pursuant to a plan by which all or substantially all of the net proceeds of the sale will be distributed to the shareholders within 1 year after the date of sale;

(d) an amendment of the articles of incorporation that materially and adversely affects rights in respect of a dissenter's shares because it:

(i) alters or abolishes a preferential right of the shares;

(ii) creates, alters, or abolishes a right in respect of redemption, including a provision with respect to a sinking fund for the redemption or repurchase of the shares;

(iii) alters or abolishes a preemptive right of the holder of the shares to acquire shares or other securities;

(iv) excludes or limits the right of the shares to be voted on any matter or to cumulate votes, other than a limitation by dilution through issuance of shares or other securities with similar voting rights; or

(v) reduces the number of shares owned by the shareholder to a fraction of a share if the fractional share created is to be acquired for cash under 35-1-621; or

(e) any corporate action taken pursuant to a shareholder vote to the extent the articles of incorporation, bylaws, or a resolution of the board of directors provides that voting or nonvoting shareholders are entitled to dissent and to obtain payment for their shares.

(2) A shareholder entitled to dissent and to obtain payment for shares under 35-1-826 through 35-1-839 may not challenge the corporate action

creating the shareholder's entitlement unless the action is unlawful or fraudulent with respect to the shareholder or the corporation.

**History:** **En. Sec. 134, Ch. 368, L. 1991; amd. Sec. 2, Ch. 249, L. 1993.**

**35-1-828. Dissent by nominees and beneficial owners.** (1) A record shareholder may assert dissenters' rights as to fewer than all the shares registered in his name only if he dissents with respect to all shares beneficially owned by any one person and notifies the corporation in writing of the name and address of each person on whose behalf he asserts dissenters' rights. The rights of a partial dissenter under this subsection are determined as if the shares as to which he dissents and his other shares were registered in the names of different shareholders.

(2) A beneficial shareholder may assert dissenters' rights as to shares held on his behalf only if:

(a) he submits to the corporation the record shareholder's written consent to the dissent not later than the time the beneficial shareholder asserts dissenters' rights; and

(b) he does so with respect to all shares of which he is the beneficial shareholder or over which he has power to direct the vote.

**History:** **En. Sec. 135, Ch. 368, L. 1991.**

**35-1-829. Notice of dissenters' rights.** (1) If a proposed corporate action creating dissenters' rights under 35-1-827 is submitted to a vote at a shareholders' meeting, the meeting notice must state that shareholders are or may be entitled to assert dissenters' rights under 35-1-826 through 35-1-839 and must be accompanied by a copy of 35-1-826 through 35-1-839.

(2) If a corporate action creating dissenters' rights under 35-1-827 is taken without a vote of shareholders, the corporation shall give written notification to all shareholders entitled to assert dissenters' rights that the action was taken and shall send them the dissenters' notice described in 35-1-831.

**History:** **En. Sec. 136, Ch. 368, L. 1991.**

**35-1-830. Notice of intent to demand payment.** (1) If proposed corporate action creating dissenters' rights under 35-1-827 is submitted to a vote at a shareholders' meeting, a shareholder who wishes to assert dissenters' rights:

(a) shall deliver to the corporation before the vote is taken written notice of his intent to demand payment for his shares if the proposed action is effectuated; and

(b) may not vote his shares in favor of the proposed action.

(2) A shareholder who does not satisfy the requirements of subsection (1)(a) is not entitled to payment for his shares under 35-1-826 through 35-1-839.

**History:** **En. Sec. 137, Ch. 368, L. 1991.**

**35-1-831. Dissenters' notice.** (1) If proposed corporate action creating dissenters' rights under 35-1-827 is authorized at a shareholders' meeting, the corporation shall deliver a written dissenters' notice to all shareholders who satisfied the requirements of 35-1-830.

(2) The dissenters' notice must be sent no later than 10 days after the corporate action was taken and must:

(a) state where the payment demand must be sent and where and when certificates for certified shares must be deposited;

(b) inform shareholders of uncertificated shares to what extent transfer of the shares will be restricted after the payment is received;

(c) supply a form for demanding payment that includes the date of the first announcement to news media or to shareholders of the terms of the proposed corporate action and that requires the person asserting dissenters' rights to certify whether or not he acquired beneficial ownership of the shares before that date;

(d) set a date by which the corporation must receive the payment demand, which may not be fewer than 30 nor more than 60 days after the date the required notice under subsection (1) is delivered; and

(e) be accompanied by a copy of 35-1-826 through 35-1-839.

**History: En. Sec. 138, Ch. 368, L. 1991.**

**35-1-832. Duty to demand payment.** (1) A shareholder sent a dissenters' notice described in 35-1-831 shall demand payment, certify whether the shareholder acquired beneficial ownership of the shares before the date required to be set forth in the dissenters' notice pursuant to 35-1-831(2)(c), and deposit his certificates in accordance with the terms of the notice.

(2) The shareholder who demands payment and deposits his certificates under subsection (1) retains all other rights of a shareholder until these rights are canceled or modified by the taking of the proposed corporate action.

(3) A shareholder who does not demand payment or deposit his certificates where required, each by the date set in the dissenters' notice, is not entitled to payment for his shares under 35-1-826 through 35-1-839.

**History: En. Sec. 139, Ch. 368, L. 1991.**

**35-1-833. Share restrictions.** (1) The corporation may restrict the transfer of uncertificated shares from the date the demand for their payment is received until the proposed corporate action is taken or the restrictions are released under 35-1-835.

(2) The person for whom dissenters' rights are asserted as to uncertificated shares retains all other rights of a shareholder until these rights are canceled or modified by the taking of the proposed corporate action.

**History: En. Sec. 140, Ch. 368, L. 1991.**

**35-1-834. Payment.** (1) Except as provided in 35-1-836, as soon as the proposed corporate action is taken or upon receipt of a payment demand, the corporation shall pay each dissenter who complied with 35-1-832 the amount the corporation estimates to be the fair value of the dissenter's shares plus accrued interest.

(2) The payment must be accompanied by:

(a) the corporation's balance sheet as of the end of a fiscal year ending not more than 16 months before the date of payment, an income statement for that year, a statement of changes in shareholders' equity for that year, and the latest available interim financial statements, if any;

(b) a statement of the corporation's estimate of the fair value of the shares;

(c) an explanation of how the interest was calculated;

(d) a statement of the dissenter's right to demand payment under 35-1-837; and

(e) a copy of 35-1-826 through 35-1-839.

**History: En. Sec. 141, Ch. 368, L. 1991.**

**35-1-835. Failure to take action.** (1) If the corporation does not take the proposed action within 60 days after the date set for demanding payment and depositing certificates, the corporation shall return the deposited certificates and release the transfer restrictions imposed on uncertificated shares.

(2) If after returning deposited certificates and releasing transfer restrictions, the corporation takes the proposed action, it shall send a new dissenters' notice under 35-1-831 and repeat the payment demand procedure.

**History: En. Sec. 142, Ch. 368, L. 1991.**

**35-1-836. After-acquired shares.** (1) A corporation may elect to withhold payment required by 35-1-834 from a dissenter unless the dissenter was the beneficial owner of the shares before the date set forth in the dissenters' notice as the date of the first announcement to news media or to shareholders of the terms of the proposed corporate action.

(2) To the extent the corporation elects to withhold payment under subsection (1), after taking the proposed corporate action, the corporation shall estimate the fair value of the shares plus accrued interest and shall pay this amount to each dissenter who agrees to accept it in full satisfaction of his demand. The corporation shall send with its offer a statement of its estimate of the fair value of the shares, an explanation of how the interest was calculated, and a statement of the dissenter's right to demand payment under 35-1-837.

**History: En. Sec. 143, Ch. 368, L. 1991.**

**35-1-837. Procedure if shareholder dissatisfied with payment or offer.** (1) A dissenter may notify the corporation in writing of the dissenter's own estimate of the fair value of the dissenter's shares and the amount of interest due and may demand payment of the dissenter's estimate, less any payment under 35-1-834, or reject the corporation's offer under 35-1-836 and demand payment of the fair value of the dissenter's shares and the interest due if:

(a) the dissenter believes that the amount paid under 35-1-834 or offered under 35-1-836 is less than the fair value of the dissenter's shares or that the interest due is incorrectly calculated;

(b) the corporation fails to make payment under 35-1-834 within 60 days after the date set for demanding payment; or

(c) the corporation, having failed to take the proposed action, does not return the deposited certificates or release the transfer restrictions imposed on uncertificated shares within 60 days after the date set for demanding payment.

(2) A dissenter waives the right to demand payment under this section unless he notifies the corporation of his demand in writing under subsection (1) within 30 days after the corporation made or offered payment for his shares.

**History: En. Sec. 144, Ch. 368, L. 1991.**

**35-1-838. Court action.** (1) If a demand for payment under 35-1-837 remains unsettled, the corporation shall commence a proceeding within 60 days after receiving the payment demand and shall petition the court to determine the fair value of the shares and accrued interest. If the corporation does not commence the proceeding within the 60-day period, it shall pay each dissenter whose demand remains unsettled the amount demanded.

(2) The corporation shall commence the proceeding in the district court of the county where a corporation's principal office or, if its principal office is not located in this state, where its registered office is located. If the corporation is a foreign corporation without a registered office in this state, it shall commence the proceeding in the county in this state where the registered office of the domestic corporation merged with or whose shares were acquired by the foreign corporation was located.

(3) The corporation shall make all dissenters whose demands remain unsettled, whether or not residents of this state, parties to the proceeding as in an action against their shares, and all parties must be served with a copy of the petition. Nonresidents may be served by certified mail or by publication as provided by law.

(4) The jurisdiction of the district court in which the proceeding is commenced under subsection (2) is plenary and exclusive. The court may appoint one or more persons as appraisers to receive evidence and recommend decision on the question of fair value. The appraisers have the powers described in the order appointing them or in any amendment to it. The dissenters are entitled to the same discovery rights as parties in other civil proceedings.

(5) Each dissenter made a party to the proceeding is entitled to judgment:

(a) for the amount, if any, by which the court finds the fair value of the dissenter's shares plus interest exceeds the amount paid by the corporation; or

(b) for the fair value plus accrued interest of his after-acquired shares for which the corporation elected to withhold payment under 35-1-836.

**History: En. Sec. 145, Ch. 368, L. 1991.**

**35-1-839. Court costs and attorney fees.** (1) The court in an appraisal proceeding commenced under 35-1-838 shall determine all costs of the proceeding, including the reasonable compensation and expenses of appraisers appointed by the court. The court shall assess the costs against the corporation, except that the court may assess costs against all or some of the dissenters, in amounts the court finds equitable, to the extent the court finds dissenters acted arbitrarily, vexatiously, or not in good faith in demanding payment under 35-1-837.

(2) The court may also assess the fees and expenses of counsel and experts for the respective parties, in amounts the court finds equitable:

(a) against the corporation and in favor of any or all dissenters if the court finds the corporation did not substantially comply with the requirements of 35-1-829 through 35-1-837; or

(b) against either the corporation or a dissenter, in favor of any other party, if the court finds that the party against whom the fees and expenses are assessed acted arbitrarily, vexatiously, or not in good faith with respect to the rights provided by 35-1-826 through 35-1-839.

(3) If the court finds that the services of counsel for any dissenter were of substantial benefit to other dissenters similarly situated and that the fees for those services should not be assessed against the corporation, the court may award the counsel reasonable attorney fees to be paid out of the amounts awarded the dissenters who were benefited.

(2) the date of its incorporation;

(3) either that none of the corporation's shares have been issued or that the corporation has not commenced business;

(4) that no debt of the corporation remains unpaid;

**35-1-932. Dissolution by board of directors and shareholders.** (1) A corporation's board of directors may propose dissolution for submission to the shareholders.

(2) For a proposal to dissolve to be adopted:

(a) the board of directors shall recommend dissolution to the shareholders unless the board of directors determines that because of conflict of interest or other special circumstances it should make no recommendation and communicates the basis for its determination to the shareholders; and

(b) the shareholders entitled to vote shall approve the proposal to dissolve as provided in subsection (5).

(3) The board of directors may condition its submission of the proposal for dissolution on any basis.

(4) The corporation shall notify each shareholder, whether or not entitled to vote, of the proposed shareholders' meeting in accordance with 35-1-520. The notice must also state that the purpose or one of the purposes of the meeting is to consider dissolving the corporation.

(5) Unless the articles of incorporation, or the board of directors acting pursuant to subsection (3), requires a greater vote or a vote by voting groups to be adopted, the proposal to dissolve must be approved by an affirmative vote of two-thirds, or a majority if authorized by subsection (6), of all the votes entitled to be cast on that proposal.

(6) A majority of votes cast by the shareholders is sufficient to constitute approval by the corporation if a statement to that effect is included in the articles of incorporation but only if:

(a) the statement is included in the articles of incorporation at the time the initial articles of incorporation were filed; or

(b) the statement is included in an amendment to the articles of incorporation approved by an affirmative vote of two-thirds of the votes entitled to be cast on the amendment pursuant to 35-1-227.

**35-1-934. Revocation of dissolution.** (1) A corporation may revoke its dissolution within 120 days of the effective date of the articles of dissolution.

(2) Revocation of dissolution must be authorized in the same manner as the dissolution was authorized unless that authorization permitted revocation by action of the board of directors alone, in which event the board of directors may revoke the dissolution without shareholders' action.

(3) After the revocation of dissolution is authorized, the corporation may revoke the dissolution by delivering to the secretary of state, for filing, articles of revocation of dissolution, together with a copy of its articles of dissolution, that set forth:

(a) the name of the corporation;

(b) the effective date of the dissolution that was revoked;

(3) A claim against the dissolved corporation is barred:

(a) if a claimant who was given written notice under subsection (1) does not deliver the claim to the dissolved corporation by the deadline; or

(5) For purposes of subsections (2) and (3), a conflict of interest transaction is authorized, approved, or ratified, if it receives the affirmative vote of a majority of the directors on the board or on the committee who have no direct or indirect interest in the transaction. However, a transaction may not be authorized, approved, or ratified under this section by a single director. If a majority of the directors on the board who have no direct or indirect interest in the transaction vote to authorize, approve, or ratify the transaction, a quorum is present for the purpose of taking action under this section. The presence of or a vote cast by a director with a direct or indirect interest in the transaction does not affect the validity of any action taken under subsection (2)(a) or (3)(a) if the transaction is otherwise approved as provided in subsection (2) or (3).

(6) For purposes of subsection (3)(b), a conflict of interest transaction is authorized, approved, or ratified by the members if it receives a majority of the votes entitled to be counted under this subsection. Votes cast by or voted under

the control of a director who has a direct or indirect interest in the transaction and votes cast by or voted under the control of an entity described in subsection (4)(a) may not be counted in a vote of members to determine whether to authorize, approve, or ratify a conflict of interest transaction under subsection (3)(b). The vote of these members, however, is counted in determining whether the transaction is approved under other sections of this chapter. A majority of the voting power, whether or not present, that is entitled to be counted in a vote on the transaction under this subsection constitutes a quorum for the purpose of taking action under this section.

(7) The articles, bylaws, or a resolution of the board may impose additional requirements on conflict of interest transactions.

**History: En. Sec. 92, Ch. 411, L. 1991.**

**35-2-419. Terms of directors generally — staggered terms.** (1) The articles or bylaws must specify the terms of directors. Except for designated or appointed directors, the terms of directors may not exceed 5 years. In the absence of any term specified in the articles or bylaws, the term of each director is 1 year. Directors may be elected for successive terms.

(2) A decrease in the number of directors or term of office does not shorten an incumbent director's term.

(3) Except as provided in the articles or bylaws:

(a) the term of a director filling a vacancy in the office of a director elected by members expires at the next election of directors by members; and

(b) the term of a director filling any other vacancy expires at the end of the unexpired term that the director is filling.

(4) Despite the expiration of a director's term, the director continues to serve until the director's successor is elected, designated, or appointed and qualifies or until there is a decrease in the number of directors.

(5) The articles or bylaws may provide for staggering the terms of directors by dividing the total number of directors into groups. The terms of office of the groups need not be uniform.

**History: En. Sec. 78, Ch. 411, L. 1991.**

**35-2-420. Resignation of directors.** (1) A director may resign at any time by delivering written notice to the board of directors, its presiding officer, the president, or the secretary.

(2) A resignation is effective when the notice is effective unless the notice specifies a later effective date. If a resignation is made effective at a later date, the board may fill the pending vacancy before the effective date if the board provides that the successor does not take office until the effective date.

**History: En. Sec. 79, Ch. 411, L. 1991.**

**35-2-421. Removal of directors elected by members or directors.** (1) The members may remove one or more directors elected by them without cause.

(2) If a director is elected by a class, chapter, or other organizational unit or by region or other geographic grouping, the director may be removed only by the members of that class, chapter, unit, or grouping.

(3) Except as provided in subsection (9), a director may be removed under subsection (1) or (2) only if the number of votes cast to remove the director would be sufficient to elect the director at a meeting to elect directors.

(4) If cumulative voting is authorized, a director may not be removed:

(a) if the number of votes sufficient to elect the director under cumulative voting is voted against the director's removal; or

(b) if the director was elected by a class, chapter, unit, or grouping of members and the number of votes of that class, chapter, unit, or grouping of members sufficient to elect the director under cumulative voting is voted against the director's removal.

(5) A director elected by members may be removed by the members only at a meeting called for the purpose of removing the director. The meeting notice must state that the purpose or one of the purposes of the meeting is removal of the director.

(6) In computing whether a director is protected from removal under subsections (2) through (4), it should be assumed that the votes against removal are cast in an election for the number of directors of the class to which the director to be removed belonged on the date of that director's election.

(7) An entire board of directors may be removed under subsections (1) through (5).

(8) A director elected by the board may be removed without cause by the vote of two-thirds of the directors then in office or by a greater number as is set forth in the articles or bylaws. However, a director elected by the board to fill the vacancy of a director elected by the members may be removed without cause by the members, but not the board.

(9) If, at the beginning of a director's term on the board, the articles or bylaws provide that the director may be removed for missing a specified number of board meetings, the board may remove the director for failing to attend the specified number of meetings. The director may be removed only if a majority of the directors then in office vote for the removal.

(10) The articles or bylaws of a religious corporation may:

(a) limit the application of this section; and

(b) set forth the vote and procedures by which the board or any person may remove with or without cause a director elected by the members of the board.

**History: En. Sec. 80, Ch. 411, L. 1991.**

**35-2-422. Removal of designated or appointed directors.** (1) A designated director may be removed by an amendment to the articles or bylaws deleting or changing the designation.

(2) Except as otherwise provided in the articles or bylaws, an appointed director may be removed without cause by the person appointing the director. The person removing the director shall do so by giving written notice of the removal to the director and either the presiding officer of the board or the corporation's president or secretary. The removal of an appointed director is effective when the notice is effective unless the notice specifies a future effective date.

**History: En. Sec. 81, Ch. 411, L. 1991.**

**35-2-423. Removal of directors by judicial proceeding.** (1) The district court for the judicial district of the county where a corporation's principal office is located or, if the principal office is not located in the state, the county where its registered office is located may remove any director of the corporation from office in a proceeding commenced by the corporation, by its members holding at least 10% of the voting power of any class, or by the attorney general in the case of a public benefit corporation, if the court finds that:

(a) (i) the director engaged in fraudulent or dishonest conduct or in gross abuse of authority or discretion, with respect to the corporation; or

(ii) a final judgment has been entered finding that the director has violated a duty set forth in 35-2-416, 35-2-418, 35-2-435, or 35-2-436; and

(b) removal is in the best interest of the corporation.

(2) The court that removes a director may bar the director from serving on the board for a period prescribed by the court.

(3) If members or the attorney general commence a proceeding under subsection (1), the corporation must be made a party defendant.

(4) If a public benefit corporation or its members commence a proceeding under subsection (1), they shall give the attorney general written notice of the proceeding.

(5) The articles or bylaws of a religious corporation may limit or prohibit the application of this section.

**History:** **En. Sec. 82, Ch. 411, L. 1991.**

**35-2-424. Vacancy on board.** (1) Unless the articles or bylaws provide otherwise and except as provided in subsections (2) and (3), if a vacancy occurs on a board of directors, including a vacancy resulting from an increase in the number of directors:

(a) (i) the members, if any, may fill the vacancy; or

(ii) if the vacant office was held by a director elected by a class, chapter, organizational unit or by region or other geographic grouping, only members of the class, chapter, unit, or grouping are entitled to vote to fill the vacancy if it is filled by the members;

(b) the board of directors may fill the vacancy; or

(c) if the directors remaining in office constitute fewer than a quorum of the board, they may fill the vacancy by the affirmative vote of a majority of all the directors remaining in office.

(2) Unless the articles or bylaws provide otherwise, if a vacant office was held by an appointed director, only the person who appointed the director may fill the vacancy.

(3) If a vacant office was held by a designated director, the vacancy must be filled as provided in the articles or bylaws. In the absence of an applicable article or bylaw provision, the vacancy may not be filled by the board.

(4) A vacancy that will occur at a specific later date, by reason of a resignation effective at a later date under 35-2-420(2) or otherwise, may be filled before the vacancy occurs. However, the new director may not take office until the vacancy occurs.

**History:** **En. Sec. 83, Ch. 411, L. 1991.**

**35-2-425. Compensation of directors.** Unless the articles or bylaws provide otherwise, the board of directors may fix the compensation of directors.

**History:** **En. Sec. 84, Ch. 411, L. 1991.**

**35-2-426 reserved.**

**35-2-427. Regular and special meetings.** (1) If the time and place of a directors' meeting is fixed by the bylaws or the board, the meeting is a regular meeting. All other meetings are special meetings.

(2) A board of directors may hold regular or special meetings in the state or out of the state.

(3) Unless the articles or bylaws provide otherwise, a board may permit any or all directors to participate in a regular or special meeting by or to conduct the meeting through the use of any means of communication by which all directors participating may simultaneously hear each other during the meeting. A director participating in a meeting by this means is considered to be present in person at the meeting.

**History: En. Sec. 85, Ch. 411, L. 1991.**

**35-2-428. Action without meeting.** (1) Unless the articles or bylaws provide otherwise, action required or permitted by this chapter to be taken at a board of directors' meeting may be taken without a meeting if the action is taken by all members of the board. The action must be evidenced by one or more written consents describing the action taken, be signed by each director, and be included in the minutes filed with the corporate records reflecting the action taken.

(2) Action taken under this section is effective when the last director signs the consent unless the consent specifies a different effective date.

(3) A consent signed under this section has the effect of a meeting vote and may be described as a vote in any document.

**History: En. Sec. 86, Ch. 411, L. 1991.**

**35-2-429. Call and notice of meetings.** (1) Unless the articles or bylaws provide otherwise or unless the provisions of subsection (3) apply, regular meetings of the board may be held without notice.

(2) Unless the articles, bylaws, or subsection (3) provide otherwise, regular meetings of the board must be preceded by at least 2 days' notice to each director of the date, time, and place, but not the purpose, of the meeting.

(3) In a corporation without members, any board action to remove a director or to approve a matter that would require approval by the members if the corporation had members is not valid unless each director is given at least 7 days' written notice that the matter will be voted upon at a directors' meeting or unless notice is waived pursuant to 35-2-430.

(4) Unless the articles or bylaws provide otherwise, the presiding officer of the board, the president, or 20% of the directors then in office may call and give notice of a meeting of the board.

**History: En. Sec. 87, Ch. 411, L. 1991.**

**35-2-430. Waiver of notice.** (1) A director may at any time waive a notice required by this chapter, the articles, or bylaws. Except as provided in subsection (2), the waiver must be in writing, be signed by the director entitled to the notice, and be filed with the minutes or the corporate records.

(2) A director's attendance at or participation in a meeting waives any required notice of the meeting unless the director, upon arriving at the meeting or prior to the vote on a matter not noticed in conformity with this chapter, the articles, or bylaws, objects to lack of notice and does not vote for or assent to that action.

**History:** **En. Sec. 88, Ch. 411, L. 1991.**

**35-2-431. Quorum and voting.** (1) Except as otherwise provided in this chapter, the articles, or bylaws, a quorum of a board of directors consists of a majority of the directors in office immediately before a meeting begins. In no event may the articles or bylaws authorize a quorum of fewer than the greater of one-third of the number of directors in office or two directors.

(2) If a quorum is present when a vote is taken, the affirmative vote of a majority of directors present is the act of the board unless this chapter, the articles, or bylaws require the vote of a greater number of directors.

**History:** **En. Sec. 89, Ch. 411, L. 1991.**

**35-2-432 reserved.**

**35-2-433. Committees of the board.** (1) Unless prohibited or limited by the articles or bylaws, a board of directors may create one or more committees of the board and appoint members of the board to serve on them. Each committee must have two or more directors who serve at the pleasure of the board.

(2) The creation of a committee and appointment of members to it must be approved by the greater of:

(a) a majority of all the directors in office when the action is taken; or

(b) the number of directors required by the articles or bylaws to take action under 35-2-431.

(3) Sections 35-2-427 through 35-2-431, which govern meetings, action without meetings, notice, waiver of notice, and quorum and voting requirements of the board, apply to committees of the board and their members.

(4) To the extent specified by the board of directors or in the articles or bylaws, each committee of the board may exercise the board's authority under 35-2-414.

(5) A committee of the board may not:

(a) authorize distributions;

(b) approve or recommend to members dissolution, merger, or the sale, pledge, or transfer of all or substantially all of the corporation's assets;

(c) elect, appoint, or remove directors or fill vacancies on the board or on any of its committees; or

(d) adopt, amend, or repeal the articles or bylaws.

(6) The creation of, delegation of authority to, or action by a committee does not by itself constitute compliance by a director with the standards of conduct described in 35-2-416.

**History:** **En. Sec. 90, Ch. 411, L. 1991.**

**35-2-434 reserved.**

**35-2-435. Loans to or guaranties for directors and officers.** (1) A corporation may not lend money to or guarantee the obligation of a director or officer of the corporation.

(2) The fact that a loan or guaranty is made in violation of this section does not affect the borrower's liability on the loan.

**History:** **En. Sec. 93, Ch. 411, L. 1991.**

**35-2-436. Liability for unlawful distributions.** (1) Unless a director complies with the applicable standards of conduct described in 35-2-416, a director who votes for or assents to a distribution made in violation of this chapter is personally liable to the corporation for the amount of the distribution that exceeds what could have been distributed without violating this chapter.

(2) A director held liable for an unlawful distribution under subsection (1) is entitled to contribution:

(a) from every other director who voted for or assented to the distribution and who did not comply with the applicable standards of conduct described in 35-2-416; and

(b) from each person who received an unlawful distribution for the amount of the distribution whether or not the person receiving the distribution knew it was made in violation of this chapter.

**History: En. Sec. 94, Ch. 411, L. 1991.**

**35-2-437 and 35-2-438 reserved.**

**35-2-439. Required officers.** (1) Unless otherwise provided in the articles or bylaws, a corporation has a president, a secretary, a treasurer, and any other officers appointed by the board.

(2) The bylaws or the board shall delegate to one of the officers responsibility for preparing minutes of the directors' and members' meetings and for authenticating records of the corporation.

(3) A person may simultaneously hold more than one office in a corporation.

**History: En. Sec. 95, Ch. 411, L. 1991.**

**35-2-440. Duties and authority of officers.** Each officer has the authority and shall perform the duties set forth in the bylaws or, to the extent consistent with the bylaws, the duties and authority prescribed in a resolution of the board or by direction of an officer authorized by the board to prescribe the duties and authority of other officers.

**History: En. Sec. 96, Ch. 411, L. 1991.**

**35-2-441. Standards of conduct for officers.** (1) An officer with discretionary authority shall discharge his duties under that authority:

(a) in good faith;

(b) with the care an ordinarily prudent person in a similar position would exercise under similar circumstances; and

(c) in a manner the officer reasonably believes to be in the best interests of the corporation and its members, if any.

(2) In discharging his duties, an officer is entitled to rely on information, opinions, reports, or statements, including financial statements and other financial data, if prepared or presented by:

(a) one or more officers or employees of the corporation who the officer reasonably believes to be reliable and competent in the matters presented;

(b) attorneys, public accountants, or other persons as to matters the officer reasonably believes are within the person's professional or expert competence; or

(c) in the case of religious corporations, religious authorities, ministers, priests, rabbis, or other persons whose position or duties in the religious organization the officer believes justify reliance and confidence and who the officer believes to be reliable and competent in the matters presented.

(3) An officer is not acting in good faith if the officer has knowledge concerning the matter in question that makes reliance otherwise permitted by subsection (2) unwarranted.

(4) An officer is not liable to the corporation, any member, or any other person for an action taken or not taken as an officer if the officer acted in compliance with this section.

(5) This part does not modify any limitation of liability of officers provided by Title 27.

**History: En. Sec. 97, Ch. 411, L. 1991.**

**35-2-442. Resignation and removal of officers.** (1) An officer may resign at any time by delivering notice to the corporation. A resignation is effective when the notice is effective unless the notice specifies a future effective date. If a resignation is made effective at a future date and the corporation accepts the future effective date, its board of directors may fill the pending vacancy before the effective date if the board provides that the successor does not take office until the effective date.

(2) A board may remove any officer at any time, with or without cause.

**History: En. Sec. 98, Ch. 411, L. 1991.**

**35-2-443. Contract rights of officers.** (1) The appointment of an officer does not of itself create contract rights.

(2) An officer's removal does not affect the officer's contract rights, if any, with the corporation. An officer's resignation does not affect the corporation's contract rights, if any, with the officer.

**History: En. Sec. 99, Ch. 411, L. 1991.**

**35-2-444. Officers' authority to execute documents.** A contract or other instrument in writing executed or entered into between a corporation and any other person is not invalidated as to the corporation by a lack of authority of the signing officers in the absence of actual knowledge on the part of the other person that the signing officers did not have authority to execute the contract or other instrument if it is signed by:

(1) the presiding officer of the board and the president; or

(2) one person from each of the following:

(a) the presiding officer of the board or the president; and

(b) a vice president, the secretary, treasurer, or executive director.

**History: En. Sec. 100, Ch. 411, L. 1991.**

**35-2-445 reserved.**

**35-2-446. Definitions.** As used in 35-2-446 through 35-2-454, the following definitions apply:

(1) "Corporation" includes any domestic or foreign predecessor entity of a corporation in a merger or other transaction in which the predecessor's existence ceased upon consummation of the transaction.

(2) (a) "Director" means an individual who is or was a director of a corporation or an individual who, while a director of a corporation, is or was serving at the corporation's request as a director, officer, partner, trustee, employee, or agent of another foreign or domestic business or nonprofit corporation, partnership, joint venture, trust, employee benefit plan, or other enterprise. A director is considered to be serving an employee benefit plan at

the corporation's request if the director's duties to the corporation also impose duties on, or otherwise involve services by, the director to the plan or the participants in or beneficiaries of the plan.

(b) Director includes, unless the context requires otherwise, the estate or personal representative of a director.

(3) "Expenses" include attorney fees.

(4) "Liability" means the obligation to pay a judgment, settlement, penalty, fine, excise tax assessed with respect to an employee benefit plan, or reasonable expenses actually incurred with respect to a proceeding.

(5) (a) "Official capacity" means:

(i) when used with respect to a director, the office of director in a corporation; or

(ii) when used with respect to an individual other than a director, as contemplated in 35-2-452, the office in a corporation held by the officer or the employment or agency relationship undertaken by the employee or agent on behalf of the corporation.

(b) Official capacity does not include service for any other foreign or domestic business or nonprofit corporation or any partnership, joint venture, trust, employee benefit plan, or other enterprise.

(6) "Party" includes an individual who was, is, or is threatened to be made a named defendant or respondent in a proceeding.

(7) "Proceeding" means any threatened, pending, or completed action, suit, or proceeding, whether civil, criminal, administrative, or investigative and whether formal or informal.

**History:** **En. Sec. 101, Ch. 411, L. 1991.**

**35-2-447. Authority to indemnify.** (1) Except as provided in subsection (4), an individual made a party to a proceeding because the individual is or was a director may be indemnified against liability incurred in the proceeding if the individual:

(a) conducted himself in good faith;

(b) reasonably believed:

(i) in the case of conduct in his official capacity with the corporation, that his conduct was in its best interests; and

(ii) in all other cases, that his conduct was at least not opposed to its best interests; and

(c) in the case of any criminal proceeding, had no reasonable cause to believe his conduct was unlawful.

(2) A director's conduct with respect to an employee benefit plan for a purpose the director reasonably believed to be in the interests of the participants in and beneficiaries of the plan is conduct that satisfies the requirements of subsection (1)(b)(ii).

(3) The termination of a proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent is not, of itself, a determination that the director did not meet the standard of conduct described in this section.

(4) A corporation may not indemnify a director under this section:

(a) in connection with a proceeding by or in the right of the corporation in which the director was adjudged liable to the corporation; or

(b) in connection with any other proceeding that charges improper personal benefit to the director, whether or not involving action in his official capacity, in which the director was adjudged liable on the basis that personal benefit was improperly received by the director.

(5) Indemnification permitted under this section in connection with a proceeding by or in the right of the corporation is limited to reasonable expenses incurred in connection with the proceeding.

**History: En. Sec. 102, Ch. 411, L. 1991.**

**35-2-448. Mandatory indemnification.** Unless limited by its articles of incorporation, a corporation shall indemnify a director who was wholly successful, on the merits or otherwise, in the defense of any proceeding to which the director was a party because he is or was a director of the corporation, against reasonable expenses actually incurred by the director in connection with the proceeding.

**History: En. Sec. 103, Ch. 411, L. 1991.**

**35-2-449. Advance for expenses.** (1) A corporation may pay for or reimburse the reasonable expenses incurred by a director who is a party to a proceeding in advance of final disposition of the proceeding if:

(a) the director furnishes the corporation a written affirmation of his good faith belief that he has met the standard of conduct described in 35-2-447;

(b) the director furnishes the corporation a written undertaking, executed personally or on the director's behalf, to repay the advance if it is ultimately determined that the director did not meet the standard of conduct; and

(c) a determination is made that the facts then known to those making the determination would not preclude indemnification under 35-2-446 through 35-2-454.

(2) The undertaking required by subsection (1)(b) must be an unlimited general obligation of the director but need not be secured and may be accepted without reference to financial ability to make repayment.

(3) Determinations and authorizations of payments under this section must be made in the manner specified in 35-2-451.

**History: En. Sec. 104, Ch. 411, L. 1991.**

**35-2-450. Court-ordered indemnification.** Unless limited by a corporation's articles of incorporation, a director of the corporation who is a party to a proceeding may apply for indemnification to the court conducting the proceeding or to another court of competent jurisdiction. On receipt of an application, the court, after giving any notice the court considers necessary, may order indemnification in the amount it considers proper if it determines that the director:

(1) is entitled to mandatory indemnification under 35-2-448, in which case the court shall also order the corporation to pay the director's reasonable expenses incurred to obtain court-ordered indemnification; or

(2) is fairly and reasonably entitled to indemnification in view of all the relevant circumstances, whether or not the director met the standard of conduct set forth in 35-2-447(1) or was adjudged liable as described in 35-2-447(4). If the director was adjudged liable, indemnification is limited to reasonable expenses incurred.

**History: En. Sec. 105, Ch. 411, L. 1991.**

**35-2-451. Determination and authorization of indemnification.** (1) A corporation may not indemnify a director under 35-2-447 unless it is authorized in the specific case after a determination has been made that indemnification of the director is permissible in the circumstances because the director has met the standard of conduct set forth in 35-2-447.

(2) The determination must be made:

(a) by the board of directors by majority vote of a quorum consisting of directors not at the time parties to the proceeding;

(b) if a quorum cannot be obtained under subsection (2)(a), by majority vote of a committee designated by the board of directors consisting solely of two or more directors not at the time parties to the proceeding;

(c) by special legal counsel:

(i) selected by the board of directors or its committee in the manner prescribed in subsection (2)(a) or (2)(b); or

(ii) if a quorum of the board cannot be obtained under subsection (2)(a) and a committee cannot be designated under subsection (2)(b), selected by majority vote of the full board, in which selected directors who are parties may participate; or

(d) by the members of a mutual benefit corporation. However, directors who are at the time parties to the proceeding may not vote on the determination.

(3) Authorization of indemnification and evaluation as to reasonableness of expenses must be made in the same manner as the determination that indemnification is permissible, except that if the determination is made by special legal counsel, authorization of indemnification and evaluation as to reasonableness of expenses must be made by those entitled under subsection (2)(c) to select counsel.

(4) A director of a public benefit corporation may not be indemnified until 20 days after the effective date of written notice to the attorney general of the proposed indemnification.

**History: En. Sec. 106, Ch. 411, L. 1991.**

**35-2-452. Indemnification of officers, employees, and agents.** Unless limited by a corporation's articles of incorporation:

(1) an officer of the corporation who is not a director is entitled to mandatory indemnification under 35-2-448 and is entitled to apply for court-ordered indemnification under 35-2-450 to the same extent as a director;

(2) the corporation may indemnify and advance expenses under 35-2-446 through 35-2-454 to an officer, employee, or agent of the corporation who is not a director to the same extent as to a director; and

(3) a corporation may also indemnify and advance expenses to an officer, employee, or agent who is not a director to the extent, consistent with public policy, that may be provided by its articles of incorporation, bylaws, general or specific action of its board of directors, or contract.

**History: En. Sec. 107, Ch. 411, L. 1991.**

**35-2-453. Insurance.** A corporation may purchase and maintain insurance on behalf of an individual who is or was a director, officer, employee, or agent of the corporation or who, while a director, officer, employee, or agent of the corporation, is or was serving at the request of the corporation as a director, officer, partner, trustee, employee, or agent of another foreign or domestic business or nonprofit corporation, partnership, joint venture, trust, employee benefit plan, or other enterprise, against liability asserted against or incurred by him in that capacity or arising from his status as a director, officer, employee, or agent, whether or not the corporation would have power to indemnify the person against the same liability under 35-2-447 or 35-2-448.

**History: En. Sec. 108, Ch. 411, L. 1991.**

**35-2-454. Application.** (1) A provision treating a corporation's indemnification of or advance for expenses to directors that is contained in its articles of incorporation, its bylaws, a resolution of its members or board of directors, a contract, or other instrument is valid only if and to the extent the provision is consistent with 35-2-446 through 35-2-454. If articles of incorporation limit indemnification or advance for expenses, indemnification and advance for expenses are valid only to the extent consistent with the articles.

(2) Sections 35-2-446 through 35-2-454 do not limit a corporation's power to pay or reimburse expenses incurred by a director in connection with appearing as a witness in a proceeding at a time when the director has not been made a named defendant or respondent to the proceeding.

(6) The failure to hold an annual or regular meeting at a time stated in or fixed in accordance with a corporation's bylaws does not affect the validity of any corporate action.

(7) If the corporation has 50 or fewer members and if permitted by the bylaws, members may participate in a meeting of the members by means of a conference telephone call or similar communication equipment through which all persons participating in the meeting can hear each other at the same time. **35-2-527. Special meeting.** (1) A corporation with members shall hold a special meeting of members:

(a) on the call of its board or of the person authorized to do so by the articles or bylaws; or

(b) except as provided in the articles or bylaws of a religious corporation, if the holders of at least 5% of the voting power of any corporation sign, date, and deliver to any corporate officer one or more written demands for the meeting that describe the purpose or purposes for which it is to be held.

(2) For purposes of determining whether the 5% requirement of subsection (1) has been met, the record date is at the close of business on the 30th day before delivery of the demand or demands for a special meeting to any corporate officer.

(3) If a notice for a special meeting demanded under subsection (1)(b) is not given pursuant to 35-2-530 within 30 days after the date the written demand is delivered to a corporate officer, regardless of the requirements of subsection (4), a person signing the demand or demands may set the time and place of the meeting and give notice pursuant to 35-2-530.

(4) Special meetings of members may be held in the state or out of the state, at the place stated in or fixed in accordance with the bylaws. If a place is not stated or fixed in accordance with the bylaws, special meetings must be held at the corporation's principal office.

**History: En. Sec. 59, Ch. 411, L. 1991.**

**35-2-528. Court-ordered meeting.** (1) The district court for the judicial district of the county where a corporation's principal office is located, or, if the principal office is not located in this state, where its registered office is located may summarily order a meeting to be held:

(a) on application of a member or other person entitled to participate in an annual or regular meeting and, in the case of a public benefit corporation, the attorney general, if an annual meeting was not held within the earlier of 6 months after the end of the corporation's fiscal year or 15 months after its last annual meeting;

(b) on application of a member or other person entitled to participate in a regular meeting and, in the case of a public benefit corporation, the attorney general, if a regular meeting is not held within 40 days after the date it was required to be held; or

(c) on application of a member who signed a demand for a special meeting valid under 35-2-527, a person entitled to call a special meeting and, in the case of a public benefit corporation, the attorney general, if:

(i) notice of the special meeting was not given within 30 days after the date the demand was delivered to a corporate officer; or

(ii) the special meeting was not held in accordance with the notice.

(2) The court may fix the time and place of the meeting, specify a record date for determining members entitled to notice of and to vote at the meeting, prescribe the form and content of the meeting notice, fix the quorum required for specific matters to be considered at the meeting or direct that the votes represented at the meeting constitute a quorum for action on those matters, and enter other orders necessary to accomplish the purpose or purposes of the meeting.

(3) If the court orders a meeting, it may also order the corporation to pay the member's costs, including reasonable attorney fees, incurred to obtain the order.

**History: En. Sec. 60, Ch. 411, L. 1991.**

**35-2-529. Action by written consent.** (1) Unless limited or prohibited by the articles or bylaws, action required or permitted by this chapter to be approved by the members may be approved without a meeting of members if the action is approved by members holding at least 80% of the voting power. The action must be evidenced by one or more written consents that describe the action taken, be signed by those members representing at least 80% of the voting power, and be delivered to the corporation for inclusion in the minutes or filing with the corporate records.

(2) If not otherwise determined under 35-2-528 or 35-2-532, the record date for determining members entitled to take action without a meeting is the date the first member signs the consent under subsection (1).

(3) A consent signed under this section has the effect of a meeting vote and may be described as a vote in any document filed with the secretary of state.

(4) Written notice of member approval pursuant to this section must be given to all members who have not signed the written consent. If written notice is required, member approval pursuant to this section is effective 10 days after written notice is given.

**History: En. Sec. 61, Ch. 411, L. 1991.**

**35-2-530. Notice of meeting.** (1) A corporation shall give notice consistent with its bylaws of meetings of members in a fair and reasonable manner.

(2) Any notice that conforms to the requirements of subsection (3) is fair and reasonable, but other means of giving notice may also be fair and reasonable when all the circumstances are considered. However, notice of matters referred to in subsection (3)(b) must be given as specified in subsection (3).

(3) Notice is fair and reasonable if:

(a) the corporation notifies its members of the place, date, and time of each annual, regular, and special meeting of members not less than 10 days before the meeting date or, if notice is mailed by certified mail, not less than 30 or more than 60 days before the meeting date;

(b) notice of an annual or regular meeting includes a description of any matter or matters that must be approved by the members under 35-2-223, 35-2-230, 35-2-418, 35-2-452, 35-2-611, 35-2-617, 35-2-720, or 35-2-721; and

(c) notice of a special meeting includes a description of the matter or matters for which the meeting is called.

(4) Unless the bylaws require otherwise, if an annual, regular, or special meeting of members is adjourned to a different date, time, or place, notice need not be given of the new date, time, or place, if the new date, time, or place is announced at the meeting before adjournment. If a new record date for the adjourned meeting is or must be fixed under 35-2-532, notice of the adjourned meeting must be given under this section to the members of record as of the new record date.

(5) When giving notice of an annual, regular, or special meeting of members, a corporation shall give notice of a matter a member intends to raise at the meeting if:

(a) requested in writing to do so by a person entitled to call a special meeting; and

(b) the request is received by the secretary or president of the corporation at least 10 days before the corporation gives notice of the meeting.

**History:** **En. Sec. 62, Ch. 411, L. 1991.**

**35-2-531. Waiver of notice.** (1) A member may waive a notice required by this chapter, the articles, or bylaws before or after the date and time stated in the notice. The waiver must be in writing, be signed by the member entitled to the notice, and be delivered to the corporation for inclusion in the minutes or filing with the corporate records.

(2) A member's attendance at a meeting:

(a) waives objection to lack of notice or defective notice of the meeting unless the member, at the beginning of the meeting, objects to holding the meeting or transacting business at the meeting; and

(b) waives objection to consideration of a particular matter at the meeting that is not within the purpose or purposes described in the meeting notice unless the member objects to considering the matter when it is presented.

**History:** **En. Sec. 63, Ch. 411, L. 1991.**

**35-2-532. Record date — determining members entitled to notice and vote.** (1) The bylaws of a corporation may fix or provide the manner of fixing a date as the record date for determining the members entitled to notice of a members' meeting. If the bylaws do not fix or provide for fixing a record date, the board may fix a future date as the record date. If a record date is not fixed, members are entitled to notice of the meeting:

(a) at the close of business on the business day preceding the day on which notice is given; or

(b) if notice is waived, at the close of business on the business day preceding the day on which the meeting is held.

(2) The bylaws of a corporation may fix or provide the manner of fixing a date as the record date for determining the members entitled to vote at a members' meeting. If the bylaws do not fix or provide for fixing a record date, the board may fix a future date as the record date. If a record date is not fixed, members on the date of the meeting who are otherwise eligible to vote are entitled to vote at the meeting.

(3) The bylaws may fix or provide the manner for determining a date as the record date for the purpose of determining the members entitled to exercise any rights in respect of any other lawful action. If the bylaws do not fix or provide for fixing a record date, the board may fix in advance the record date. If a record date is not fixed, members are entitled to exercise the rights at the close of business on the day on which the board adopts the resolution relating to it or 60 days prior to the date of other action, whichever is later.

(4) A record date fixed under this section may not be more than 70 days before the meeting or action requiring a determination of members occurs.

(5) A determination of members entitled to notice of or to vote at a membership meeting is effective for any adjournment of the meeting unless the board fixes a new date for determining the right to notice or the right to vote, which it must do if the meeting is adjourned to a date more than 70 days after the record date for determining members entitled to notice of the original meeting.

(6) If a court orders a meeting adjourned to a date more than 120 days after the date fixed for the original meeting, it may provide that the original record date for notice or voting continues in effect or it may fix a new record date for notice or voting.

**History: En. Sec. 64, Ch. 411, L. 1991.**

**35-2-533. Action by written ballot.** (1) Unless prohibited or limited by the articles or bylaws, any action that may be taken at any annual, regular, or special meeting of members may be taken without a meeting if the corporation delivers a written ballot to every member entitled to vote on the matter.

(2) A written ballot must:

(a) set forth each proposed action; and

(b) provide an opportunity to vote for or against each proposed action.

(3) Approval by written ballot pursuant to this section is valid only when:

(a) the number of votes cast by ballot equals or exceeds the quorum required to be present at a meeting authorizing the action; and

(b) the number of approvals equals or exceeds the number of votes that would be required to approve the matter at a meeting at which the total number of votes cast was the same as the number of votes cast by ballot.

(4) All solicitations for votes by written ballot must:

(a) indicate the number of responses needed to meet the quorum requirements;

(b) state the percentage of approvals necessary to approve each matter other than election of directors; and

(c) specify the time by which a ballot must be received by the corporation in order to be counted.

(5) Except as otherwise provided in the articles or bylaws, a written ballot may not be revoked.

**History:** **En. Sec. 65, Ch. 411, L. 1991.**

**35-2-534 reserved.**

**35-2-535. Members' list for meeting.** (1) After fixing a record date for a notice of a meeting, a corporation shall prepare an alphabetical list of the names of all its members who are entitled to notice of the meeting. The list must show the address and number of votes each member is entitled to vote at the meeting. The corporation shall prepare, on a current basis through the time of the membership meeting, a list of members, if any, who are entitled to vote at the meeting but not entitled to notice of the meeting. This list must be prepared on the same basis and be part of the list of members.

(2) The list of members must be available:

(a) for inspection by any member for the purpose of communication with other members concerning the meeting, beginning 2 business days after notice is given of the meeting for which the list was prepared and continuing through the meeting; and

(b) at the corporation's principal office or at a reasonable place identified in the meeting notice in the city where the meeting will be held. A member, a member's agent, or a member's attorney is entitled, on written demand, to inspect and, subject to the limitations of 35-2-907(3) and 35-2-910 to copy the list, at a reasonable time and at the member's expense, during the period it is available for inspection.

(3) The corporation shall make the list of members available at the meeting, and any member, a member's agent, or a member's attorney is entitled to inspect the list at any time during the meeting or any adjournment.

(4) If the corporation refuses to allow a member, a member's agent, or a member's attorney to inspect the list of members before or at the meeting or to copy the list as permitted by subsection (2), the district court for the judicial district of the county where a corporation's principal office or, if the principal office is not located in this state, where its registered office is located, on application of the member, may summarily order the inspection or copying at the corporation's expense, may postpone the meeting for which the list was prepared until the inspection or copying is complete, and may order the corporation to pay the member's costs, including reasonable attorney fees, incurred to obtain the order.

(5) Unless a written demand to inspect and copy a membership list has been made under subsection (2) prior to the membership meeting and a corporation improperly refuses to comply with the demand, refusal or failure to comply with this section does not affect the validity of action taken at the meeting.

(6) The articles or bylaws of a religious corporation may limit or abolish the rights of a member under this section to inspect and copy any corporate record.

**History:** **En. Sec. 66, Ch. 411, L. 1991.**

**35-2-536. Voting entitlement generally.** (1) Unless the articles or bylaws provide otherwise, each member is entitled to one vote on each matter voted on by the members.

(2) Unless the articles or bylaws provide otherwise, if a membership stands of record in the names of two or more persons, their acts with respect to voting have the following effect:

(a) if only one votes, the act binds all; and

(b) if more than one votes, the vote is divided on a pro rata basis.

**History: En. Sec. 67, Ch. 411, L. 1991.**

**35-2-537. Quorum requirements.** (1) Unless this chapter, the articles, or bylaws provide for a higher or lower quorum, 10% of the votes entitled to be cast on a matter must be represented at a meeting of members to constitute a quorum on that matter.

(2) A bylaw amendment to decrease the quorum for any member action may be approved by the members or, unless prohibited by the bylaws, by the board.

(3) A bylaw amendment to increase the quorum required for any member action must be approved by the members.

(4) Unless one-third or more of the voting power is present in person or by proxy, the only matters that may be voted upon at an annual or regular meeting of members are those matters that are described in the meeting notice.

**History: En. Sec. 68, Ch. 411, L. 1991.**

**35-2-538. Voting requirements.** (1) Unless this chapter, the articles, or bylaws require a greater vote or voting by class, if a quorum is present, the affirmative vote of the votes represented and voting, if they are a majority of the required quorum, is the act of the members.

(2) A bylaw amendment to increase or decrease the vote required for any member action must be approved by the members.

**History: En. Sec. 69, Ch. 411, L. 1991.**

**35-2-539. Proxies.** (1) Unless the articles or bylaws prohibit or limit proxy voting, a member may appoint a proxy to vote or otherwise act for the member by signing an appointment form, either personally or by an attorney-in-fact.

(2) An appointment of a proxy is effective when received by the secretary or other officer or agent authorized to tabulate votes. An appointment is valid for 11 months unless a different period is expressly provided in the appointment form. However, a proxy is not valid for more than 3 years from its date of execution.

(3) An appointment of a proxy is revocable by the member.

(4) The death or incapacity of the member appointing a proxy does not affect the right of the corporation to accept the proxy's authority unless notice of the death or incapacity is received by the secretary or other officer or agent authorized to tabulate votes before the proxy exercises authority under the appointment.

(5) Appointment of a proxy is revoked by the person appointing the proxy:

(a) attending any meeting and voting in person; or

(b) signing and delivering to the secretary or other officer or agent authorized to tabulate proxy votes either a writing stating that the appointment of the proxy is revoked or a subsequent appointment form.

(6) Subject to 35-2-542 and any express limitation on the proxy's authority appearing on the face of the appointment form, a corporation is entitled to

accept the proxy's vote or other action as that of the member who made the appointment.

**History: En. Sec. 70, Ch. 411, L. 1991.**

**35-2-540. Cumulative voting for directors — exception.** (1) If the articles or bylaws provide for cumulative voting by members, members may so vote by multiplying the number of votes the members are entitled to cast by the number of directors for whom they are entitled to vote and casting the product for a single candidate or distributing the product among two or more candidates.

(2) Cumulative voting is not authorized at a particular meeting unless:

(a) the meeting notice or statement accompanying the notice states that cumulative voting will take place; or

(b) a member gives notice during the meeting and before the vote is taken of the member's intent to cumulate votes. If one member gives this notice, all other members participating in the election are entitled to cumulate their votes without giving further notice.

(3) A director elected by cumulative voting may be removed by the members without cause if the requirements of 35-2-421 are met unless the votes cast against removal or not consenting in writing to removal would be sufficient to elect the director if voted cumulatively at an election at which the same total number of votes were cast or, if the action is taken by written ballot, all memberships entitled to vote were voted, and if the entire number of directors authorized at the time of the director's most recent election were then being elected.

(4) Members may not cumulatively vote if the directors and members are identical.

**History: En. Sec. 71, Ch. 411, L. 1991.**

**35-2-541. Other methods of electing directors.** A corporation may provide in its articles or bylaws for election of directors by members or delegates:

(1) on the basis of chapter or other organizational unit;

(2) by region or other geographic unit;

(3) by preferential voting; or

(4) by any other reasonable method.

**History: En. Sec. 72, Ch. 411, L. 1991.**

**35-2-542. Corporation's acceptance of votes.** (1) If the name signed on a vote, consent, waiver, or proxy appointment corresponds to the name of a member, the corporation, if acting in good faith, is entitled to accept the vote, consent, waiver, or proxy appointment and give it effect as the act of the member.

(2) If the name signed on a vote, consent, waiver, or proxy appointment does not correspond to the record name of a member, the corporation, if acting in good faith, is nevertheless entitled to accept the vote, consent, waiver, or proxy appointment and give it effect as the act of the member if:

(a) the member is an entity and the name signed purports to be that of an attorney-in-fact of the member and, if the corporation requests, evidence acceptable to the corporation of the signatory's authority to sign for the member has been presented with respect to the vote, consent, waiver, or proxy appointment;

(b) the name signed purports to be that of an attorney-in-fact of the member and, if the corporation requests, evidence acceptable to the corporation of the signatory's authority to sign for the member has been presented with respect to the vote, consent, waiver, or proxy appointment;

(c) two or more persons hold the membership as cotenants or fiduciaries and:

(i) the name signed purports to be the name of at least one of the coholders; and

(ii) the person signing appears to be acting on behalf of all the coholders; or

(d) in the case of a mutual benefit corporation:

(i) the name signed purports to be that of an administrator, executor, guardian, or conservator representing the member and, if the corporation requests, evidence of fiduciary status acceptable to the corporation has been presented with respect to the vote, consent, waiver, or proxy appointment; or

(ii) the name signed purports to be that of a receiver or trustee in bankruptcy of the member and, if the corporation requests, evidence of this status acceptable to the corporation has been presented with respect to the vote, consent, waiver, or proxy appointment.

(3) The corporation is entitled to reject a vote, consent, waiver, or proxy appointment if the secretary or other officer or agent authorized to tabulate votes, acting in good faith, has reasonable basis for doubt about the validity of the signature on it or about the signatory's authority to sign for the member.

(4) The corporation and its officer or agent who accepts or rejects a vote, consent, waiver, or proxy appointment in good faith and in accordance with the standards of this section are not liable in damages to the member for the consequences of the acceptance or rejection.

(5) Corporate action based on the acceptance or rejection of a vote, consent, waiver, or proxy appointment under this section is valid unless a court of competent jurisdiction determines otherwise.

**History:** **En. Sec. 73, Ch. 411, L. 1991.**

**35-2-543. Voting agreements.** (1) Two or more members may provide for the manner in which they will vote by signing an agreement for that purpose. Voting agreements may be valid for a period of up to 10 years. For public benefit corporations, voting agreements must have a reasonable purpose consistent with the corporation's public or charitable purposes.

(2) A voting agreement created under this section is specifically enforceable.

**History:** **En. Sec. 74, Ch. 411, L. 1991.**

If deferred payment is authorized under subsection (8), the court shall also determine the security for payment and other terms of the obligation to purchase. The court may assess reasonable attorney fees and the fees and expenses of appraisers or other experts for a party to the action, in amounts the court finds equitable, against a party that the court finds acted arbitrarily, vexatiously, or not in good faith. (5) (a) The department of public health and human services shall do everything reasonably within its power to obtain, as soon as possible, federal government exemptions from the provisions listed in subsection (4).

(b) Because section 395(c) of the federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PRWORA) allows a grace period for states to amend their constitutions in order to comply with PRWORA and because the Montana legislature believes that the section of PRWORA prohibiting a jury trial in a paternity proceeding violates Article II, section 26, of the Montana constitution and is therefore rejected, the department of public health and human services shall seek a federal government exemption from the jury trial prohibition in PRWORA as the first exemption it seeks under subsection (5)(a).

(6) [Sections 9, 11, 22 through 24, 93, and 95] [37-1-307, 40-1-107, 40-4-105, 40-5-922, 40-5-924, 50-15-403, and 61-5-107] and the bracketed language in [sections 1 through 3, 10, 25, 45, and 89] [40-4-204, 40-5-226, 40-5-901, 40-5-906, 40-5-907, 40-5-923, and 40-6-116] terminate July 1, 1999.

(7) If the bracketed language in [sections 1 through 3, 10, 25, 45, and 89] [40-4-204,

40-5-226, 40-5-901, 40-5-906, 40-5-907, 40-5-923, and 40-6-116] terminates, the code commissioner is instructed to renumber subsections, adjust internal references, and correct grammar and arrangement."

Unprofessional conduct — complaint — investigation — immunity — exception.** (1) Except as provided in subsection (3), a person, government, or private entity may submit a written complaint to the department charging a licensee or license applicant with a violation of this part and specifying the grounds for the complaint.

(2) If the department receives a written complaint or otherwise obtains information that a licensee or license applicant may have committed a violation of this part, the department may, with the concurrence of a member of the screening panel established in 37-1-307, investigate to determine whether there is reasonable cause to believe that the licensee or license applicant has committed the violation. A person or private entity, but not a government entity, filing a complaint under this section in good faith is immune from suit in a civil action related to the filing or contents of the complaint.

(3) A person may not file a complaint under subsection (1) against a licensed or certified provider of health care or rehabilitative services for services that were provided to the person while incarcerated under the legal custody of the department of corrections. If the department of corrections has reason to believe that there has been a violation of this part arising out of health care or rehabilitative services provided to a person incarcerated under the legal custody of the department of corrections, the department of corrections shall report the possible violation to the department for appropriate action under subsection (2).

(5) This chapter does not prohibit the selling of veterinary remedies and instruments by a registered pharmacist at the pharmacist's regular place of business.

(6) This chapter does not prohibit an employee of a licensed veterinarian from performing activities determined by board rule to be acceptable, when performed under the supervision of the employing veterinarian.

(7) This chapter does not prohibit an employee of a licensed veterinarian from rendering care for that veterinarian's animal patients in cases of emergency. Permissible emergency employee activities under this subsection include activities determined by board rule to be acceptable but do not include the performance of surgery or the rendering of diagnoses.

## Part 7

## Licensing of Crematoriums, Crematory Operators, and Crematory Technicians

**37-19-701. Purpose.** The legislature finds that because the practice of crematory operation affects the lives of the people of this state and because some Montanans may exercise their right to choose cremation for themselves or a loved one, it is the purpose of this part to:

(1) provide standards for the licensing and regulation of crematoriums in order to protect the public health, safety, and welfare; and

(2) ensure the qualified and professional practice of crematory operation.

**History: En. Sec. 1, Ch. 38, L. 1993.**

**37-19-702. Licenses required — display of licenses — renewal — penalty for late renewal.** (1) A person doing business in this state or a cemetery, mortuary, corporation, partnership, joint venture, voluntary organization, or other entity that erects, maintains, or provides the necessary appliances and facilities for the cremation of human remains and that conducts cremations must be licensed by the board, beginning July 1, 1993. The license must be displayed in a conspicuous place in the crematory facility.

(2) A crematory license expires on the date set by department rule and may be renewed upon payment of a fee set by the board, which includes the cost of annual inspection. If a crematory facility is attached to a licensed mortuary, only one inspection fee may be charged for inspection of both a mortuary facility under 37-19-403 and a crematory facility.

(3) The board may set a penalty fee for late renewal of a license.

(4) A person in charge of a licensed crematory facility must be licensed as a crematory operator by the board. A person employed by a licensed crematory facility must be licensed as a crematory technician by the board. The license must be displayed in a conspicuous place in the crematory facility.

(5) Crematory operator and crematory technician licenses expire on the date set by department rule and may be renewed upon payment of a fee set by the board. On-the-job training must be provided to a crematory technician at the time of employment.

**History: En. Sec. 4, Ch. 38, L. 1993; amd. Sec. 72, Ch. 429, L. 1995.**

**37-19-703. Application — power of board to set standards — inspection — fees.** (1) Application for a crematory, crematory operator, or crematory technician license must be on forms prescribed by the board and must include the name of the applicant, name of the crematory facility, location of the crematory facility and its mailing address, and any further information the board requires. To be eligible for licensure:

(a) as a crematory facility, an application must include a description of the type of structure and equipment to be used in the operation of the crematory facility;

(b) as a crematory operator, an applicant must be at least 18 years of age, must be a high school graduate or have an equivalent degree, and must be of good moral character.

(2) The application must be accompanied by an application fee set by the board.

(5) A temporary permit may be issued to operate a crematory facility, as prescribed by board rule, that is effective until the initial inspection is completed to the board's satisfaction.

(6) A crematory facility may be inspected by a board member or the board's designated representative during business hours.

(7) The board shall adopt rules governing the cremation of human remains, the transportation of human remains, sanitation, equipment, fire protection, building construction, and recordkeeping.

(8) A crematory facility shall comply with all local building codes, environmental standards, and applicable state and local regulations.

(9) A new crematory facility shall pay an initial inspection fee, set by the board, that must accompany the application.

**History:** **En. Sec. 5, Ch. 38, L. 1993.**

**37-19-704. Cremation authorization required — identification.** (1) Except as otherwise provided in this chapter, a crematory may not cremate human remains until it has received a cremation authorization.

(2) A crematory may not accept unidentified human remains.

(3) Appropriate identification must be placed upon the exterior of the cremation container upon receipt of the human remains.

(7) The unauthorized, simultaneous cremation of human remains of more than one person within the same cremation chamber is prohibited unless the crematory has received express written authorization from all appropriate authorizing agents for the human remains to be cremated simultaneously. A written authorization exempts the crematory from liability for commingling of the product of the cremation process provided the authorization is complied with.

(8) The identification of the human remains, as indicated on the cremation container, must be verified by the crematory operator or crematory technician immediately prior to the cremation container being placed within the cremation chamber. The identification must be removed from the cremation container and be placed near the cremation chamber control panel where it must remain until the cremation process is complete.

(3) Except with the express written consent of the authorizing agent, a person may not:

**37-26-102. Legislative finding — purpose.** (1) The legislature finds that a significant number of Montanans choose naturopathic medicine for their health care needs and declares that naturopathic medicine is a distinct health care profession that affects the public health, safety, and welfare and contributes to public freedom of choice in health care.

(2) The purpose of this chapter is to provide standards for the licensing and regulation of naturopathic physicians in order to protect the public health, safety, and welfare; to ensure that naturopathic health care by qualified naturopathic physicians is available to the people of Montana; and to provide a means of identifying qualified naturopathic physicians.

**History: En. Sec. 2, Ch. 306, L. 1991.**

**37-26-103. Definitions.** As used in this chapter, the following definitions apply:

(b) has the status of candidate for accreditation with the accrediting agency; or

(c) has been approved by the board after an investigation that determines that the college or program meets education standards equivalent to those established by the accrediting agency and complies with the board's rules, which must require as a minimum a 4-year, full-time resident program of academic and clinical study.

(2) "Board" means the alternative health care board established in 2-15-1840.

(3) "Department" means the department of commerce provided for in 2-15-1801.

(b) Minor surgery does not include general or spinal anesthetics, major surgery, surgery of the body cavities, or specialized surgeries, such as plastic surgery, surgery involving the eyes, or surgery involving tendons, ligaments, nerves, or blood vessels.

(6) "Naturopathic childbirth attendance" means the specialty practice of natural childbirth by naturopathic physicians that includes the use of natural therapeutic substances, ophthalmic antibiotics, oxytocin (pitocin), and minor surgery, as set by board rules. The term does not include a forceps delivery, general or spinal anesthesia, or a caesarean section.

(7) "Naturopathic medicine", "naturopathic health care", or "naturopathy" means a system of primary health care practiced by naturopathic physicians for the prevention, diagnosis, and treatment of human health conditions, injury, and disease. Its purpose is to promote or restore health by the support and stimulation of the individual's inherent self-healing processes. This is accomplished through education of the patient by a naturopathic physician and through the use of natural therapies and therapeutic substances.

(c) perform surgical procedures except those minor surgery procedures authorized by this chapter; or

(d) claim to practice any licensed health care profession or system of treatment other than naturopathic medicine unless holding a separate license in that profession.

(2) Naturopathic physicians may prescribe and administer for preventive and therapeutic purposes the following natural therapeutic substances, drugs, and therapies, as well as drugs on the natural substance formulary list provided for in subsection (3):

(3) A five-member alternative health care formulary committee appointed by the board shall establish a natural substance formulary list. The committee consists of a licensed pharmacist plus four members of the board, two of whom must be licensed naturopathic physicians, one who must be a licensed medical doctor, and one who must be a public member. The list may not go beyond the scope of substances covered by approved naturopathic college curricula or continuing education and must be reviewed annually by the committee. Changes to the list that are recommended by the committee and accepted by the board must be published as administrative rules.

(4) Naturopathic physicians may perform or order for diagnostic purposes a physical or orificial examination, ultrasound, phlebotomy, clinical laboratory

test or examination, physiological function test, and any other noninvasive diagnostic procedure commonly used by physicians in general practice and as authorized by 37-26-201(2).

(5) Except as provided by this subsection, it is unlawful for a naturopath to engage, directly or indirectly, in the dispensing of any drugs that a naturopath is authorized to prescribe by subsection (2). If the place where a naturopath maintains an office for the practice of naturopathy is more than 10 miles from a place of business that sells and dispenses the drugs a naturopath may prescribe under subsection (2), then, to the extent the drugs are not available within 10 miles of the naturopath's office, the naturopath may sell the drugs that are unavailable.

(2) This chapter does not restrict or apply to the scope of practice of any other professions licensed, certified, or registered under the laws of this state.

**History: En. Sec. 6, Ch. 306, L. 1991.**

The application must be accompanied by the license fees, the application fees, and the documents, affidavits, and certificates necessary to establish that the applicant possesses the qualifications prescribed by 37-26-402. The burden of proof is on the applicant, but the department may make an independent investigation to determine whether the applicant possesses the necessary qualifications and whether the applicant has committed unprofessional conduct that would be basis for licensure denial. At the board's request, the applicant shall provide necessary authorizations for the release of records and information pertinent to the department's investigation.

(2) A person who applies for licensure but who has not passed a licensure examination prescribed or endorsed by the board shall apply to the board for authorization to take the prescribed licensure examination. ## Part 1
## General

**37-27-101. Short title.** This chapter may be cited as the "Direct-Entry Midwifery Licensing Act".

**History: En. Sec. 1, Ch. 550, L. 1991.**

**37-27-102. Purpose.** The legislature finds and declares that because the practice of direct-entry midwifery affects the lives of the people of this state and because some Montanans may exercise their right to give birth where and with whom they choose, it is the purpose of this chapter to provide for the common good by regulating and ensuring the qualified and professional practice of direct-entry midwifery.

**History: En. Sec. 2, Ch. 550, L. 1991.**

**37-27-103. Definitions.** As used in this chapter, the following definitions apply:

(1) "Apprentice" means a person who is working under the supervision of a licensed direct-entry midwife and is seeking licensure as a direct-entry midwife under this chapter.

(2) "Board" means the alternative health care board established in 2-15-1840.

(3) "Continuous care" means care provided for one person from the initial history-taking interview through monthly prenatal, intrapartum, and postpartum periods.

(4) "Direct-entry midwife" means a person who advises, attends, or assists a woman during pregnancy, labor, natural childbirth, or the postpartum period.

(5) "Licensee" means a person authorized by this chapter to practice direct-entry midwifery.

(6) "Postpartum period" means the period up to 6 weeks following birth.

(7) "Practice of direct-entry midwifery" means the advising, attending, or assisting of a woman during pregnancy, labor, natural childbirth, or the postpartum period.

**History: En. Sec. 3, Ch. 550, L. 1991; amd. Sec. 3, Ch. 524, L. 1991; amd. Sec. 59, Ch. 10, L. 1993.**

**37-27-104. Exemptions.** This chapter does not limit or regulate the practice of a licensed physician, certified nurse-midwife, or licensed basic or advanced emergency medical technician. The practice of direct-entry midwifery does not constitute the practice of medicine, certified nurse-midwifery, or emergency medical care to the extent that a direct-entry midwife advises, attends, or assists a woman during pregnancy, labor, natural childbirth, or the postpartum period when the pregnancy is not a high-risk pregnancy.

**History: En. Sec. 4, Ch. 550, L. 1991.**

**37-27-105. General powers and duties of board — rulemaking authority.** (1) The board shall:

(a) meet at least once annually, and at other times as agreed upon, to elect officers and to perform the duties described in this section; and

(b) administer oaths, take affidavits, summon witnesses, and take testimony as to matters within the scope of the board's duties.

(2) The board shall have the authority to administer and enforce all the powers and duties granted statutorily or adopted administratively.

(3) The board shall adopt rules to administer this chapter. The rules must include but are not limited to:

(a) the development of a license application and examination, criteria for and grading of examinations, and establishment of examination and license fees commensurate with actual costs;

(b) the issuance of a provisional license to midwives who filed the affidavit required by section 2, Chapter 493, Laws of 1989;

(c) the establishment of criteria for minimum educational, apprenticeship, and clinical requirements that, at a minimum, meet the standards established in 37-27-201;

(d) the development of eligibility criteria for client screening by direct-entry midwives in order to achieve the goal of providing midwifery services to women during low-risk pregnancies;

(e) the development of procedures for the issuance, renewal, suspension, and revocation of licenses;

(f) the adoption of disciplinary standards for licensees;

(g) the development of standardized informed consent and reporting forms;

(h) the adoption of ethical standards for licensed direct-entry midwives;

(i) the adoption of supporting documentation requirements for primary birth attendants; and

(j) the establishment of criteria limiting an apprenticeship that, at a minimum, meets the standards established in 37-27-201.

**History: En. Sec. 6, Ch. 550, L. 1991; amd. Sec. 84, Ch. 429, L. 1995.**

**37-27-106 through 37-27-110 reserved.**

**37-27-111. Parents' rights regarding birth of baby.** Except as otherwise provided by law, parents have a right to give birth where and with whom they choose.

**History: En. Sec. 1, Ch. 493, L. 1989. Sec. 37-75-101, MCA 1989; redes. 37-27-111 by Code Commissioner, 1991.**

**37-27-203. If considered necessary, an oral interview may be conducted in addition to the written examination to determine the fitness of the applicant to practice as a direct-entry midwife.

(2) Before an applicant may take the examination, the applicant shall demonstrate to the board that the educational and practical experience requirements in 37-27-201(3) and (4) have been met.

(3) An applicant is exempt from the educational and practical experience requirements of 37-27-201(3) and (4) if the applicant has:

(2) The provisional license is valid until the issuance of grades for the first examination administered pursuant to 37-27-202.

(3) Upon payment of a $200 fee to the department, the board may grant an apprentice direct-entry midwife license to a person who:

(a) is working under the personal supervision of a licensed direct-entry midwife, a certified nurse-midwife, a physician licensed under Title 37, chapter 3, or a licensed naturopathic physician who is certified for the specialty practice of naturopathic childbirth attendance; and

(b) is seeking licensure as a direct-entry midwife under this chapter.

(4) An apprentice direct-entry midwife license is valid for a period prescribed by department of commerce rule and must be renewed at an interval established by the department of commerce, with a limit of four renewals.

(4) Subject to 37-1-101(6), money paid for application, examination, license, and license renewal fees must be deposited in the state special revenue fund for use by the board.

(5) Fees are nonrefundable.

**History: En. Sec. 13, Ch. 550, L. 1991; amd. Sec. 11, Ch. 314, L. 1993.**

(2) Only a direct-entry midwife licensed under this chapter may use the title "licensed midwife" or "direct-entry midwife".

(3) The terms and titles in subsections (1) and (2) identify direct-entry midwives and are restricted to describing and identifying licensed practitioners and their practice. (2) Notwithstanding any other provisions of this chapter, the board may maintain an action to enjoin a person from engaging in the practice of direct-entry midwifery until a license to practice direct-entry midwifery is obtained. A person who has been enjoined and who violates the injunction is punishable for contempt of court. The injunction does not relieve the person practicing direct-entry midwifery without a license from criminal prosecution. The remedy by injunction is in addition to remedies provided for criminal

prosecution of the offender. In charging a person in a complaint for injunction or in an affidavit, information, or indictment with a violation of law by practicing direct-entry midwifery without a license, it is sufficient to charge that the person did, on a certain day and in a certain county, engage in the practice of direct-entry midwifery while not having a license to do so, without averring further or more particular facts concerning the violation.

## Part 1
## General

**37-43-101. Purpose.** It is the purpose of this chapter to reduce and minimize the waste and contamination of ground water resources within this state by reasonable regulation and licensing of drillers or makers of water wells and monitoring wells and to protect the health and general welfare by providing a means for the development of the natural resource of underground water in an orderly, sanitary, and reasonable manner. The reasonable regulation and licensing of drillers or makers of water wells and monitoring wells is in the best interest of the public, and the waste and contamination of ground water resources through inefficient or incompetent operations of drillers or makers of water wells and monitoring wells is prohibited. For the protection of the public and for the conservation of underground water resources, it is necessary that standards be set and maintained to insure that competency in the drilling and making of water wells and monitoring wells in this state is obtained.

**History: En. Sec. 2, Ch. 176, L. 1961; amd. Sec. 2, Ch. 234, L. 1963; amd. Sec. 2, Ch. 232, L. 1974; amd. Sec. 250, Ch. 350, L. 1974; R.C.M. 1947, 66-2602; amd. Sec. 1, Ch. 538, L. 1987.**

(5) "Monitoring well" means a well that is used for pollutant recovery or monitoring ground water quality, ground water levels, or flow direction, but whose primary purpose is not the withdrawal or acquisition of ground water. Monitoring well does not include geotechnical borings, perk test holes, and ground water exploration holes that are used to determine suitability of onsite sewage disposal by septic tank drain fields or lagoons.

(6) "Monitoring well constructor" means a natural person who installs monitoring wells.

(7) "Water well" means an excavation that is drilled, cored, bored, washed, driven, dug, jetted, or otherwise constructed and intended for the location, diversion, artificial recharge, or acquisition of ground water. The term does not include spring development or excavations, by backhoe or otherwise, for recovery and use of surface waters or for the purpose of stock watering or irrigation where the depth is 25 feet or less. The term does not include an

excavation made for the purpose of obtaining or prospecting for oil, natural gas, minerals, or products of mining or quarrying or for inserting media to repressure oil- or natural-gas-bearing formations or for storing petroleum, natural gas, or other products.

(8) "Water well contractor" or "contractor" means a natural person who contracts on behalf of a firm, corporation, partnership, or other business entity to construct, alter, or rehabilitate a water well on lands other than his own for compensation.

## Part 4

## Relative Duties of Outfitters, Guides, and Participants

**37-47-401. Purpose.** It is recognized that some activities conducted by outfitters, guides, and professional guides within the scope of their authorized services are inherently hazardous to participants regardless of all feasible safety measures that may be taken. It is the purpose of this part to define those areas of responsibility and affirmative acts or omissions for which outfitters, guides, and professional guides are liable for loss, damage, or injury and those risks for which the participant expressly assumes or is considered to have voluntarily assumed the risk of loss or damage.

**History: En. Sec. 2, Ch. 170, L. 1981; Sec. 87-4-161, MCA 1985; redes. 37-47-401 by Sec. 11, Ch. 528, L. 1987; amd. Sec. 15, Ch. 328, L. 1995.**

**37-47-402. Duties of outfitters, guides, and professional guides.** An outfitter, guide, or professional guide offering professional services in this state shall:

(1) act as would a reasonably prudent member of the profession while engaging in providing the services authorized to be performed by a licensed member of the profession;

(2) comply with all standards adopted by board rule.

**History: En. Sec. 3, Ch. 170, L. 1981; Sec. 87-4-162, MCA 1985; redes. 37-47-402 by Sec. 11, Ch. 528, L. 1987; amd. Sec. 15, Ch. 220, L. 1993; amd. Sec. 16, Ch. 328, L. 1995.**

**37-47-403. Duties of participants.** (1) A participant shall:

(a) act as would a reasonably prudent person when engaging in the activities offered by a licensed outfitter, guide, or professional guide in this state;

(b) receive permission from the outfitter, guide, or professional guide prior to embarking on any self-initiated activity and inform the outfitter, guide, or professional guide of the participant's plans and intentions upon receiving permission to engage in the self-initiated activity.

(2) A participant may not:

(a) interfere with the running or operation of an outfitter's, guide's, or professional guide's activities when those activities conform to the standards of care set forth in 37-47-402;

(b) use the outfitter's, guide's, or professional guide's equipment, facilities, or services unless the participant has requested and received permission from the outfitter, guide, or professional guide;

(c) knowingly, purposely, or negligently engage in any type of conduct that contributes to or causes injury to the participant or any other person.

**History: En. Sec. 4, Ch. 170, L. 1981; Sec. 87-4-163, MCA 1985; redes. 37-47-403 by Sec. 11, Ch. 528, L. 1987; amd. Sec. 17, Ch. 328, L. 1995.**

**37-47-404. Responsibility for violations of law.** (1) A person accompanying a hunting or fishing party as an outfitter or guide, professional guide, or other employee of the outfitter is equally responsible with any person or party employing the person as an outfitter for any violation of fish and game laws unless the violation is reported to a peace officer by the outfitter, guide, professional guide, or employee and the outfitter, guide, professional guide, or employee was not an active participant. An outfitter or guide, professional guide, or other employee of an outfitter who willfully fails or refuses to report any violation of fish and game laws is liable to the penalties provided in this section. If any guide or professional guide violates the laws or applicable regulations relating to fish and game, outfitting, or guiding with actual or implied knowledge of an outfitter employing the guide or professional guide, the outfitter is legally responsible for the violation for all purposes under the laws or regulations if the outfitter fails to report the violation to the proper authority.

(2) An outfitter, guide, or professional guide shall report any violation or suspected violation of fish and game laws that the outfitter, guide, or professional guide knows or reasonably should have known has been committed by the employees, agents, representatives, clients, or participants in the outfitting or guiding activity. The violation or suspected violation must be reported to a peace officer at the earliest possible opportunity.

(3) A person may not hire or retain an outfitter unless the outfitter is currently licensed in accordance with the laws of the state of Montana. A person may not use the services of a guide or professional guide and a guide or professional guide may not offer services unless the services are obtained through an endorsing outfitter.

**History: En. Sec. 3, Ch. 565, L. 1995.**

**37-51-314. Relationship disclosure requirements.** (1) A broker or salesperson shall disclose the existence and nature of relevant agency or other relationships to the parties to a real estate transaction as provided in this section.

(2) A seller agent shall make the required relationship disclosures:

(a) to the seller at the time the listing agreement is executed or, if the seller agent is acting as a seller subagent, at the time negotiations commence; and

(b) to the buyer or buyer agent at the time negotiations commence.

(3) A buyer agent shall make the required relationship disclosures:

(a) to the buyer at the time the buyer broker agreement is executed or, if the buyer agent is acting as a buyer subagent, at the time negotiations commence; and

(b) to the seller or seller agent at the time negotiations commence.

(4) A statutory broker shall make the required relationship disclosure to the buyer and seller at the time negotiations commence.

(5) A buyer agent or seller agent who subsequently becomes a dual agent shall disclose the relationship to the buyer and seller and receive their consent prior to the time or at the time that the dual agency arises.

(6) A disclosure required by this section must be signed and dated by the party to whom the disclosure is directed and by the broker or salesperson. A disclosure must contain substantially the following information:

(a) Seller agent disclosure to the seller: "(Name of seller agent) will be representing you as your agent or subagent in the sale of your property located at (address of property). Your seller agent is obligated to you as enumerated below. If your seller agent is also representing a buyer who becomes interested in your property, a dual agency may be created. In a dual agency relationship, the seller agent is obligated to the buyer in the same way as to you. This conflict will prohibit the seller agent from advocating exclusively on your behalf or the buyer's behalf and may limit the level of representation you receive. If the potential for a dual agency arises, the seller agent shall provide you with a dual agent disclosure. A seller agent cannot act as a dual agent without your consent and that of the buyer. This consent is given by you and the buyer signing the dual agent disclosure. If you or the buyer declines to give this consent, your opportunity to sell your property to that buyer may be lost.

Your seller agent is obligated to you as follows:

(1) to act solely in the best interests of the seller to the exclusion of all other interests, including those of the seller agent;

(2) to obey promptly and efficiently all lawful instructions of the seller;

(3) to disclose to the seller all relevant and material information that concerns the real estate transaction and that is known by the seller agent and not known by the seller, unless the information is subject to confidentiality arising from a prior or existing agency relationship;

(4) to safeguard the seller's confidences;

(5) to exercise reasonable skill, care, and diligence in pursuing the seller's objectives as established in the listing agreement;

(6) to fully account to the seller for all funds or property of the seller coming into the seller agent's possession;

(7) to comply with all applicable federal and state laws, rules, and regulations; and

(8) to carry out the terms of the listing agreement."

(b) Seller agent disclosure to the buyer: "(Name of seller agent) is the agent of the seller with respect to the seller's property located at (address of property). Although the seller agent is primarily obligated to the seller, the seller agent is obligated to you as specified below.

A seller agent is obligated to a buyer as follows:

(1) to disclose to a buyer any adverse material facts that concern the property and that are known to the seller agent;

(2) to deal in good faith with the buyer; and

(3) to comply with all applicable federal and state laws, rules, and regulations.

"Adverse material fact" means a fact that should be recognized by a broker as being of enough significance as to affect a person's decision to enter into a contract to buy or sell real property and may be a fact that materially affects the value or structural integrity or presents a documented health risk to occupants of the property. The term may not include the fact that an occupant of the property has or has had a communicable disease or that the property was the site of a suicide or felony."

(c) Buyer agent disclosure to the buyer: "(Name of buyer agent) will be representing you as your agent or subagent in the purchase of real property of the nature described in the buyer broker agreement. Your buyer agent is obligated to you as enumerated below. If your buyer agent is also representing a seller of property that you become interested in, a dual agency may be created. In a dual agency relationship, the buyer agent is obligated to the seller in the same way as to you. This conflict will prohibit the buyer agent from advocating exclusively on your behalf or on the seller's behalf and may limit the level of representation you receive. If the potential for a dual agency arises, the buyer agent shall provide you with a dual agent disclosure. A buyer agent cannot act as a dual agent without your consent and that of the seller. This consent is given by you and the seller signing the dual agent disclosure. If you or the seller declines to give this consent, your opportunity to acquire the seller's property may be lost.

Your buyer agent is obligated to you as follows:

(1) to act solely in the best interests of the buyer to the exclusion of all other interests, including those of the buyer agent;

(2) to obey promptly and efficiently all lawful instructions of the buyer;

(3) to disclose to the buyer all relevant and material information that concerns the real estate transaction and that is known by the buyer agent and not known by the buyer, unless the information is subject to confidentiality arising from a prior or existing agency relationship;

(4) to safeguard the buyer's confidences;

(5) to exercise reasonable skill, care, and diligence in pursuing the buyer's objectives as established in the buyer broker agreement;

(6) to fully account to the buyer for all funds or property of the buyer coming into the buyer agent's possession;

(7) to comply with all applicable federal and state laws, rules, and regulations; and

(8) to carry out the terms of the buyer broker agreement."

(d) Buyer agent disclosure to the seller: "(Name of buyer agent) is representing the buyer with respect to the seller's property located at (address of property). Although the buyer agent is primarily obligated to the buyer, the buyer agent is obligated to you as specified below.

A buyer agent is obligated to a seller as follows:

(1) to disclose to a seller any adverse material facts that concern the ability of the buyer to perform on any purchase offer and that are known to the buyer agent;

(2) to deal in good faith with the seller; and

(3) to comply with all applicable federal and state laws, rules, and regulations.

"Adverse material fact" means a fact that should be recognized by a broker as being of enough significance as to affect a person's decision to enter into a contract to buy or sell real property and may be a fact that materially affects the buyer's ability or intent to perform the buyer's obligations under a proposed or existing contract."

(e) Statutory broker disclosure to the buyer and seller: "(Name of statutory broker) will be involved as a statutory broker with respect to the purchase and sale of real property located at (address). A statutory broker is not the agent of the buyer or seller but is only assisting the parties in executing a sale of the property. A statutory broker is obligated to the buyer and seller as specified below.

A statutory broker is obligated to the parties as follows:

(1) to disclose to a buyer any adverse material fact that concerns the property and that is known to the statutory broker and not known to the buyer. However, the statutory broker is not required to conduct an independent inspection of the property or to verify any representation made by the seller.

(2) to disclose to the seller any adverse material fact that concerns the buyer's intent or ability to perform on the purchase offer and that is known to the statutory broker and not known to the seller;

(3) to exercise reasonable skill, care, and diligence in facilitating the purchase and sale of the property; and

(4) to comply with all applicable federal and state laws, rules, and regulations.

"Adverse material fact" means a fact that should be recognized by a broker as being of enough significance as to affect a person's decision to enter into a contract to buy or sell real property. It may be a fact that materially affects the value or structural integrity or presents a documented health risk to occupants of the property, but may not include the fact that an occupant of the property has or has had a communicable disease or that the property was the site of a suicide or felony, or it may be a fact that materially affects the buyer's ability or intent to perform the buyer's obligations under a proposed or existing contract."

(f) Dual agent disclosure to the buyer and seller: "(Name of dual agent) is the agent of the buyer interested in purchasing the property and of the seller of the property located at (address of property). A dual agent is obligated to the buyer and seller as follows:

(1) to act solely in the best interests of the buyer and seller to the exclusion of all other interests including the dual agent's;

(2) to obey promptly and efficiently all lawful instructions of the buyer and seller;

(3) to disclose to the buyer and seller all relevant and material information that concerns the real estate transaction and that is known by the dual agent and not known by the buyer or seller, unless the information is subject to confidentiality arising from a prior or existing agency relationship;

(4) to exercise reasonable skill, care, and diligence in pursuing the buyer's and seller's objectives as established in the listing agreement and buyer broker agreement;

(5) to fully account to the buyer and seller for all funds or property of the buyer and seller coming into the dual agent's possession;

(6) to comply with all applicable federal and state laws, rules, and regulations;

(7) to carry out the terms of the buyer broker agreement; and

(8) to safeguard the buyer's and seller's confidences, subject to the obligation to disclose to a buyer or a seller any adverse material facts that are

known to the dual agent, regardless of any confidentiality considerations. The following may not be disclosed without the written consent of the party to whom the information is confidential:

(a) that the buyer is willing to pay more than the buyer has offered for the property;

(b) that the seller is willing to accept less than the asking price for the property;

(c) factors motivating the buyer to buy or the seller to sell; and

(d) any other information that a party specifically indicates in writing to the dual agent is to be kept confidential and that is not an adverse material fact.

”Adverse material fact“ means a fact that should be recognized by a broker as being of enough significance as to affect a person’s decision to enter into a contract to buy or sell real property. It may be a fact that materially affects the value or structural integrity or presents a documented health risk to occupants of the property, but may not include the fact that an occupant of the property has or has had a communicable disease or that the property was the site of a suicide or felony, or it may be a fact that materially affects the buyer’s ability or intent to perform the buyer’s obligations under a proposed or existing contract.

Upon signing this disclosure form, the buyer and seller acknowledge that they understand the obligations owed by a dual agent to them and consent to the dual agent representing them as a dual agent.”

(7) A written disclosure that complies with the provisions of this section must be construed as a sufficient disclosure of the relationship between a broker or salesperson and a buyer or seller and must be construed as conclusively establishing the obligations owed by a broker or salesperson to a buyer or seller in a real estate transaction.

**37-51-316 through 37-51-320 reserved.**

**37-51-321. Revocation or suspension of license — initiation of proceedings — grounds.** (1) The board may on its own motion and shall on the sworn complaint in writing of a person investigate the actions of a real estate broker or a real estate salesperson, subject to 37-1-101 and 37-1-121, and may revoke or suspend a license issued under this chapter when the broker or salesperson has been found guilty by a majority of the board of any of the following practices:

(a) intentionally misleading, untruthful, or inaccurate advertising, whether printed or by radio, display, or other nature, which advertising in any material particular or in any material way misrepresents any property, terms, values, policies, or services of the business conducted. A broker who operates under a franchise agreement engages in misleading, untruthful, or inaccurate advertising if in using the franchise name, the broker does not incorporate the broker's own name in the franchise name or logotype or does not conspicuously display, on the broker's letterhead and other printed materials available to the public, a statement that the broker's office is independently owned and operated and the trade name, if any, by which the office is known. The board may not adopt advertising standards more stringent than those set forth in this subsection.

(b) making any false promises of a character likely to influence, persuade, or induce;

(c) pursuing a continued and flagrant course of misrepresentation or making false promises through agents or salespersons or any medium of advertising or otherwise;

(d) use of the term "realtor" by a person not authorized to do so or using another trade name or insignia of membership in a real estate organization of which the licensee is not a member;

(e) failing to account for or to remit money coming into the broker's or salesperson's possession belonging to others;

(f) accepting, giving, or charging an undisclosed commission, rebate, or profit on expenditures made for a principal;

(g) acting in a dual capacity of broker and undisclosed principal in a transaction, including failing to disclose in advertisements for real property the person's dual capacity as broker and principal;

(h) guaranteeing, authorizing, or permitting a person to guarantee future profits that may result from the resale of real property;

(i) offering real property for sale or lease without the knowledge and consent of the owner or the owner's authorized agent or on terms other than those authorized by the owner or the owner's authorized agent;

(j) inducing a party to a contract of sale or lease to break the contract for the purpose of substituting a new contract with another principal;

(k) accepting employment or compensation for appraising real property contingent on the reporting of a predetermined value or issuing an appraisal report on real property in which the broker or salesperson has an undisclosed interest;

(l) negotiating a sale, exchange, or lease of real property directly with a seller or buyer if the broker or salesperson knows that the seller or buyer has a written, outstanding listing agreement or buyer broker agreement in connection with the property granting an exclusive agency to another broker;

(m) soliciting, selling, or offering for sale real property by conducting lotteries for the purpose of influencing a purchaser or prospective purchaser of real property;

(n) representing or attempting to represent a real estate broker other than the employer without the express knowledge or consent of the employer;

(o) failing voluntarily to furnish a copy of a written instrument to a party executing it at the time of its execution;

(p) paying a commission in connection with a real estate sale or transaction to a person who is not licensed as a real estate broker or real estate salesperson under this chapter;

(q) intentionally violating a rule adopted by the board in the interests of the public and in conformity with this chapter;

(r) failing, if a salesperson, to place, as soon after receipt as is practicably possible, in the custody of the salesperson's registered broker, deposit money or other money entrusted to the salesperson in that capacity by a person;

(s) demonstrating unworthiness or incompetency to act as a broker or salesperson; or

(t) conviction of a felony.

(2) (a) It is unlawful for a broker or salesperson to openly advertise property belonging to others, whether by means of printed material, radio, television, or display or by other means, unless the broker or salesperson has a signed listing agreement from the owner of the property. The listing agreement must be valid as of the date of advertisement.

(b) The provisions of subsection (2)(a) do not prevent a broker or salesperson from including information on properties listed by other brokers or salespersons who will cooperate with the selling broker or salesperson in materials dispensed to prospective customers.

(c) The license of a broker or salesperson who violates this subsection (2) may be suspended or revoked as provided in subsection (1).

## Part 5

## Recovery Account

**37-51-501. Real estate recovery account established — minimum balance — interest.** (1) There is established in the state special revenue fund for the use of the board a real estate recovery account. The account is used to provide payment of claims based on unsatisfied judgments against persons licensed under the provisions of this chapter. The real estate recovery account is statutorily appropriated as provided in 17-7-502.

(2) The board shall maintain a minimum balance of $100,000 in the account. The board may in its discretion transfer any money in excess of that amount from the account to the state special revenue fund for the use of the board in accordance with the purposes provided in 37-51-204.

(3) Money earned on the investment of funds in the account must be credited to the account annually.

**History:** **En. Sec. 3, Ch. 688, L. 1985.**

**37-51-502. Initial licensure and additional assessment.** (1) A person initially licensed under the provisions of this chapter in 1986 or thereafter shall, in addition to paying any license fee required under this chapter, be assessed the sum of $35 at the time of licensure, to be credited to the real estate recovery account.

(2) If at any time the balance in the real estate recovery account is less than $100,000, every person licensed under this chapter may be assessed a sum, which sum is determined by the board to be sufficient to maintain the balance of the account at a minimum of $100,000.

**History:** **En. Sec. 4, Ch. 688, L. 1985.**

**37-51-503. Claims against fund — orders for payment.** (1) Whenever a person obtains a final judgment in any court of competent jurisdiction against any person licensed under this chapter for the conversion of trust funds or arising directly out of any act or transaction occurring on or after July 1, 1985, for which a license is required under this chapter, he may after executing on such final judgment file an application, in accordance with this section and 37-51-504, with the board for an order directing payment out of the account for any actual and direct loss unpaid on the judgment.

(2) No application or order for payment from the account may be made for:

(a) a judgment which has been satisfied;

(b) any amount in excess of $25,000 for any one licensee, regardless of the number of persons injured by acts of the licensee or number of parcels of real estate involved in the transaction or transactions;

(c) attorney fees and exemplary or punitive damages; or

(d) amounts remaining unpaid on any final judgment entered more than 2 years prior to the date of application.

(3) The application must be:

(a) served by certified mail, return receipt requested, upon the board, the licensee, and any other party to the transaction referred to in the application; and

(b) filed with the board along with an affidavit of service.

**History: En. Sec. 5, Ch. 688, L. 1985.**

Proceedings in aid of execution, Title 25, ch. 14.

**37-51-504. Form of application.** The person making application for payment from the account must show in the application:

(1) that he is not the spouse of the judgment debtor or the personal representative of such spouse;

(2) that he has obtained a judgment which satisfies the requirements of 37-51-503, stating the amount of the judgment and the amount unpaid on the date of the application;

(3) that he has, on the dates and at the times shown by the applicant, diligently pursued the remedies of execution and proceedings in aid of execution provided in Title 25, chapters 13 and 14, respectively;

(4) the amount of any money obtained as a result of the proceedings required to be shown in subsection (3) and the balance of the judgment remaining unpaid for which application is made; and

(5) that he has diligently pursued his remedies of execution and proceedings in aid of execution against any other person against whom he has a judgment as a result of the transaction for which he seeks recovery from the account.

**History: En. Sec. 6, Ch. 688, L. 1985.**

**37-51-505. Motion to dismiss application.** The licensee may request the board at any time to dismiss the application if it appears that the application is without merit. The motion may be supported by the affidavit of any person having knowledge of the facts and may be made on the basis that the application and the judgment referred to therein do not form the basis for a payable claim under 37-51-503 and 37-51-504. The board shall give the applicant at least 10 days' written notice of any motion to dismiss.

**History: En. Sec. 7, Ch. 688, L. 1985.**

**37-51-506. Hearing on application.** (1) Within 30 days of the filing of the affidavit of service, the board shall conduct a hearing upon the application. Upon the motion of either party, the board may continue the hearing up to 60 days and upon a showing of good cause may continue the hearing such further period as the board considers appropriate.

(2) At the hearing the board shall determine by a preponderance of the evidence the truth of any allegations made in the application and supporting documents that are challenged by the licensee.

**History: En. Sec. 8, Ch. 688, L. 1985.**

**37-51-507. Payment from account.** If the board finds after the hearing that an applicant has proved a valid claim against the account, the board shall enter an order requiring payment from the account of whatever sum it finds to be due under the provisions of this part.

**History: En. Sec. 9, Ch. 688, L. 1985.**

**37-51-508. Limitation of payment — pro rata distribution.** (1) The liability of the account may not exceed $25,000 for any one licensee until that licensee has repaid the account. If the $25,000 liability of the account is insufficient to pay in full the valid claims of all applications that have been filed against any one licensee and ordered to be paid, the $25,000 must be distributed among those claimants in the ratio that the amount ordered to be paid to any one claimant bears to the total amounts ordered to be paid or in such other manner as the board considers equitable; and upon such a distribution, all claims are considered satisfied by the amount so distributed. Distribution of such money must, at any time, be among the persons ordered to receive the same, without regard to the order or priority in which their respective judgments were obtained or their applications filed.

(2) Upon petition of any person, the board may require all existing applications for payment of claims against one licensee to be joined in one proceeding for the purpose of a timely determination of their respective rights to the money in the account.

(3) An application for payment of a claim against a licensee filed after the distribution of the full amount for which the account is liable for that licensee must be denied by the board.

**History: En. Sec. 10, Ch. 688, L. 1985.**

**37-51-509. Claims satisfied in order of filing.** If account funds are insufficient to satisfy any claim or portion of a claim ordered to be paid on behalf of a licensee for whom the account liability of $25,000 has not been exceeded, the board shall, when sufficient money has been deposited in the account, satisfy such unpaid claims or portions of them in the order that the applications for such claims were originally filed pursuant to 37-51-503. The board shall pay accumulated interest beginning on the date of the order to pay at the judgment rate on each such unpaid claim.

**History: En. Sec. 11, Ch. 688, L. 1985.**

**37-51-510. Deposits by board.** Money received by the board under 37-51-511 must be deposited in the account and allocated exclusively for the purposes provided in this part.

**History: En. Sec. 12, Ch. 688, L. 1985.**

**37-51-511. Subrogation rights of board.** Upon payment of money from the account, the board is subrogated to all of the rights of the judgment creditor to the extent of the amount so paid and the judgment creditor is considered to have assigned to the board all of his right, title, and interest in the judgment to the extent of the amount paid from the account. Any amount and interest recovered by the board on the judgment must be deposited in the account.

**History: En. Sec. 13, Ch. 688, L. 1985.**

**37-51-512. Other disciplinary powers unimpaired — effect of repayment to fund.** Nothing contained in this part limits the authority of the board to take disciplinary action against any licensee under other provisions of this chapter, nor does the repayment in full of all obligations to the account by any licensee nullify or modify the effect of any other disciplinary action taken by the board under the provisions of this chapter.

(2) (a) The board shall require an applicant for a property manager license to:

(i) apply for licensure to the department;

(iii) satisfactorily complete an examination dealing with the material taught in the course of study.

(b) The course of study must include the subjects of real estate leasing principles, real estate leasing law, and related topics.

(3) Each registrant may, upon registration, obtain a seal of a design authorized by the board, bearing the registrant's name, serial number, and the legend "professional engineer" or "professional land surveyor". Plans, specifications, plats, drawings, reports, design information, and calculations prepared by a registrant must when issued be signed with a written signature, dated, and stamped with the seal or a seal facsimile. It is unlawful for a registrant to affix or permit the seal and signature or seal facsimile to be affixed to any plans, specifications, plats, drawings, reports, design information, or

calculations after the expiration of a certificate or for projects for which the registrant was not in responsible charge.

(4) The department shall issue to any applicant who, in the opinion of the board, has met the requirements of this chapter an enrollment card as an engineer intern or land surveyor intern. The enrollment card must indicate that the applicant's name and status has been recorded with the board. The enrollment card does not authorize the holder to practice as a professional engineer or professional land surveyor.

**37-67-315. Biennial renewal — fee — statement of competency.** (1) Certificates of registration expire every second year on the date established by rule of the department and become invalid on that date unless renewed. The department shall notify each person registered under this chapter of the date of the expiration of the person's certificate and the amount of the fee required for its renewal for 2 years. This notice must be mailed at least 1 month in advance of the date of the expiration of the certificate. Renewal may be made prior to the expiration date by the payment of a fee as set by the board for either a professional engineer or professional land surveyor. For renewal of a dual license as both a professional engineer and professional land surveyor, the fee must be set by the board.

(2) A certificate may not be renewed unless the registrant submits a statement to the effect and the board is satisfied that the registrant has maintained competency by:

(a) the continued practice of engineering or land surveying; and

(b) engaging in other activities that provide for the maintenance of competency if prescribed by board rule, such as continuing education, which may require up to 15 professional development hours as prescribed by board rule and is generally patterned after the model rules of the national council of examiners for engineering and surveying.

(3) Failure on the part of a registrant to renew the certificate biennially prior to the expiration date does not deprive the registrant of the right of renewal; however, a registrant who fails to pay the renewal fee for an additional year of the biennium is considered a new applicant and is required to submit a new application.

(4) The fee for any registrant who fails to renew the certificate prior to the expiration date must be increased by an amount not to exceed 50% of the renewal fee. Renewal may not be completed until all fees are paid.

## Part 1

## General

**37-68-101. Purpose.** The purpose of this chapter is to:

(1) protect the health and safety of the people of this state from the danger of electrically caused shocks, fires, and explosions;

(2) protect property from the hazard of electrically caused fires and explosions;

(3) establish a procedure for determining where and by whom electrical installations are to be made;

(4) assure the public that persons making electrical installations are qualified; and

(5) insure that the electrical installations and electrical products made and sold in this state meet minimum safety standards.

**History: En. Sec. 2, Ch. 148, L. 1965; amd. Sec. 19, Ch. 366, L. 1969; amd. Sec. 1, Ch. 425, L. 1973; amd. Sec. 12, Ch. 226, L. 1974; amd. Sec. 269, Ch. 350, L. 1974; amd. Sec. 8, Ch. 504, L. 1977; R.C.M. 1947, 66-2802(part).**

**37-68-102. Definitions.** Unless the context requires otherwise, in this chapter the following definitions apply:

(1) "Board" means the state electrical board provided for in 2-15-1874.

(2) "Department" means the department of commerce provided for in Title 2, chapter 15, part 18.

(3) "Electrical contractor" means a person, firm, partnership, corporation, association, or combination of these who undertakes or offers to undertake for another the planning, laying out, supervising, and installing or the making of additions, alterations, and repairs in the installation of wiring apparatus and equipment for electric light, heat, and power. A registered electrical engineer who plans or designs electrical installations is not an electrical contractor.

(4) "Journeyman electrician" means a person having the necessary qualifications, training, experience, and technical knowledge to wire for,

install, and repair electrical apparatus and equipment for light, heat, power, and other purposes under the rules governing this work.

(5) "Master electrician" means a person having the necessary qualifications, training, experience, and technical knowledge to properly plan, lay out, and supervise the installation and repair of wiring apparatus and equipment for electric light, heat, power, and other purposes under the rules governing this work.

(6) "Residential electrician" means a person having the necessary qualifications, training, experience, and technical knowledge to wire for, install, and repair electrical apparatus and equipment for light, heat, power, and other purposes in residential construction consisting of less than five living units in a single structure under the rules governing this work.

**History: En. Sec. 3, Ch. 148, L. 1965; amd. Sec. 270, Ch. 350, L. 1974; R.C.M. 1947, 66-2803; amd. Sec. 4, Ch. 546, L. 1979; amd. Sec. 3, Ch. 274, L. 1981.**

**37-68-103. Exemptions.** (1) Nothing in this chapter shall be deemed to apply to the installation, alteration, or repair of electrical signal or communications equipment owned or operated by a public utility or a city. For purposes of this exemption, "communications equipment" includes telephone wire inside a customer's premises. Nothing in this chapter prohibits a public utility from doing inside wiring to install, alter, repair, or maintain electrical equipment, installations, or facilities in buildings owned by the public utility if the work is accomplished by an employee who is a licensed electrician. If the building owned by the public utility is open to the public and the inside wiring constitutes major renovation or construction, the installation, alteration, repair, or maintenance of electrical equipment, installations, or facilities is subject to permits and inspections required by law.

(2) The licensing or inspection provisions of this chapter do not apply to regularly employed maintenance electricians doing maintenance work on the business premises of their employer, nor do they apply to line work on the business premises of the employer when ordinary and customary in-plant or onsite installations, modifications, additions, or repairs are performed.

(3) Nothing in this chapter shall be construed to require an individual to hold a license while or for doing electrical work on his own property or residence provided that said property or residence is maintained for his own use.

(4) An individual, firm, partnership, or corporation may engage in business as an electrical contractor without an electrician's license if all electrical work performed by such individual, firm, partnership, or corporation is under the direction, control, and supervision of a licensed master electrician or under the direction, control, and supervision of a journeyman electrician for residential construction consisting of less than five living units in a single structure.

(5) Any person who plugs in an electrical appliance where an approved electrical outlet is already installed shall not be considered as an installer.

(6) No provisions of this chapter shall in any manner interfere with, hamper, preclude, or prohibit any vendor of any electrical appliance from selling, delivering, and connecting any electrical appliance if the connection does not necessitate the installation of electrical wiring of the structure where the appliance is to be connected.

**History:** **En. Sec. 12, Ch. 148, L. 1965; amd. Sec. 1, Ch. 423, L. 1973; amd. Sec. 1, Ch. 269, L. 1975; R.C.M. 1947, 66-2812; amd. Sec. 5, Ch. 546, L. 1979; amd. Sec. 1, Ch. 245, L. 1987.**

**History:** **En. Sec. 2, Ch. 641, L. 1987.**

**39-2-903. Definitions.** In this part, the following definitions apply:

(1) "Constructive discharge" means the voluntary termination of employment by an employee because of a situation created by an act or omission of the employer which an objective, reasonable person would find so intolerable that voluntary termination is the only reasonable alternative. Constructive discharge does not mean voluntary termination because of an employer's refusal to promote the employee or improve wages, responsibilities, or other terms and conditions of employment.

(2) "Discharge" includes a constructive discharge as defined in subsection (1) and any other termination of employment, including resignation, elimination of the job, layoff for lack of work, failure to recall or rehire, and any other cutback in the number of employees for a legitimate business reason.

(3) "Employee" means a person who works for another for hire. The term does not include a person who is an independent contractor.

(4) "Fringe benefits" means the value of any employer-paid vacation leave, sick leave, medical insurance plan, disability insurance plan, life insurance plan, and pension benefit plan in force on the date of the termination.

(5) "Good cause" means reasonable job-related grounds for dismissal based on a failure to satisfactorily perform job duties, disruption of the employer's operation, or other legitimate business reason. The legal use of a lawful product by an individual off the employer's premises during nonworking hours is not a legitimate business reason, unless the employer acts within the provisions of 39-2-313(3) or (4).

(6) "Lost wages" means the gross amount of wages that would have been reported to the internal revenue service as gross income on Form W-2 and includes additional compensation deferred at the option of the employee.

(7) "Public policy" means a policy in effect at the time of the discharge concerning the public health, safety, or welfare established by constitutional provision, statute, or administrative rule.

**History:** **En. Sec. 3, Ch. 641, L. 1987; amd. Sec. 3, Ch. 193, L. 1993.**

**39-2-904. Elements of wrongful discharge.** A discharge is wrongful only if:

(1) it was in retaliation for the employee's refusal to violate public policy or for reporting a violation of public policy;

(2) the discharge was not for good cause and the employee had completed the employer's probationary period of employment; or

(3) the employer violated the express provisions of its own written personnel policy.

**History:** **En. Sec. 4, Ch. 641, L. 1987.**

**39-2-905. Remedies.** (1) If an employer has committed a wrongful discharge, the employee may be awarded lost wages and fringe benefits for a period not to exceed 4 years from the date of discharge, together with interest thereon. Interim earnings, including amounts the employee could have earned with reasonable diligence, must be deducted from the amount awarded for lost wages. Before interim earnings are deducted from lost wages, there must be deducted from the interim earnings any reasonable amounts expended by the employee in searching for, obtaining, or relocating to new employment.

(2) The employee may recover punitive damages otherwise allowed by law if it is established by clear and convincing evidence that the employer engaged in actual fraud or actual malice in the discharge of the employee in violation of 39-2-904(1).

(3) There is no right under any legal theory to damages for wrongful discharge under this part for pain and suffering, emotional distress, compensatory damages, punitive damages, or any other form of damages, except as provided for in subsections (1) and (2).

**History:** **En. Sec. 5, Ch. 641, L. 1987; amd. Sec. 1, Ch. 442, L. 1993.**

**39-2-906 through 39-2-910 reserved.**

**39-2-911. Limitation of actions.** (1) An action under this part must be filed within 1 year after the date of discharge.

(2) If an employer maintains written internal procedures, other than those specified in 39-2-912, under which an employee may appeal a discharge within the organizational structure of the employer, the employee shall first exhaust those procedures prior to filing an action under this part. The employee's failure to initiate or exhaust available internal procedures is a defense to an action brought under this part. If the employer's internal procedures are not completed within 90 days from the date the employee initiates the internal procedures, the employee may file an action under this part and for purposes of this subsection the employer's internal procedures are considered exhausted. The limitation period in subsection (1) is tolled until the procedures are exhausted. In no case may the provisions of the employer's internal procedures extend the limitation period in subsection (1) more than 120 days.

(3) If the employer maintains written internal procedures under which an employee may appeal a discharge within the organizational structure of the employer, the employer shall within 7 days of the date of the discharge notify the discharged employee of the existence of such procedures and shall supply the discharged employee with a copy of them. If the employer fails to comply

with this subsection, the discharged employee need not comply with subsection (2).

**History: En. Sec. 6, Ch. 641, L. 1987.**

**39-2-912. Exemptions.** This part does not apply to a discharge:

(1) that is subject to any other state or federal statute that provides a procedure or remedy for contesting the dispute. The statutes include those that prohibit discharge for filing complaints, charges, or claims with administrative bodies or that prohibit unlawful discrimination based on race, national origin, sex, age, disability, creed, religion, political belief, color, marital status, and other similar grounds.

(2) of an employee covered by a written collective bargaining agreement or a written contract of employment for a specific term.

**History: En. Sec. 7, Ch. 641, L. 1987; amd. Sec. 30, Ch. 472, L. 1997.**

**History: En. Sec. 8, Ch. 641, L. 1987.**

**39-2-914. Arbitration.** (1) A party may make a written offer to arbitrate a dispute that otherwise could be adjudicated under this part.

(2) An offer to arbitrate must be in writing and contain the following provisions:

(a) A neutral arbitrator must be selected by mutual agreement or, in the absence of agreement, as provided in 27-5-211.

(b) The arbitration must be governed by the Uniform Arbitration Act, Title 27, chapter 5. If there is a conflict between the Uniform Arbitration Act and this part, this part applies.

(c) The arbitrator is bound by this part.

(3) If a complaint is filed under this part, the offer to arbitrate must be made within 60 days after service of the complaint and must be accepted in writing within 30 days after the date the offer is made.

(4) A discharged employee who makes a valid offer to arbitrate that is accepted by the employer and who prevails in such arbitration is entitled to have the arbitrator's fee and all costs of arbitration paid by the employer.

(5) If a valid offer to arbitrate is made and accepted, arbitration is the exclusive remedy for the wrongful discharge dispute and there is no right to bring or continue a lawsuit under this part. The arbitrator's award is final and binding, subject to review of the arbitrator's decision under the provisions of the Uniform Arbitration Act.

**History: En. Sec. 9, Ch. 641, L. 1987; amd. Sec. 2, Ch. 442, L. 1993.**

**39-2-915. Effect of rejection of offer to arbitrate.** A party who makes a valid offer to arbitrate that is not accepted by the other party and who prevails in an action under this part is entitled as an element of costs to reasonable attorney fees incurred subsequent to the date of the offer.

**39-29-103. Notice and claim of preference.** (1) A public employer shall, by posting or on the application form, give notice of the point preference provided in 39-29-102.

(2) A job applicant who believes he is eligible to receive a point preference shall claim the preference in writing before the time for filing applications for the position involved has passed. Failure to make a timely preference claim for a position is a complete defense to an action instituted by an applicant under 39-29-104 with regard to that position.

(3) If an applicant for a position makes a timely written preference claim, the public employer shall give written notice of its hiring decision to the applicant claiming preference.

**History: En. Sec. 3, Ch. 646, L. 1989.**

**39-29-104. Enforcement of preference.** (1) An applicant who believes he is entitled to but has not been given the point preference provided in 39-29-102 may, within 30 days of receipt of the notice of the hiring decision provided for in 39-29-103, submit to the public employer a written request for an explanation of the public employer's hiring decision. Within 15 days of receipt of the request, the public employer shall give the applicant a written explanation.

(2) After following the procedure described in subsection (1), the applicant may, within 90 days after receipt of notice of the hiring decision, file a petition in the district court in the county in which his application was received by the public employer. The petition must state facts that on their face entitle the applicant to a point preference.

(3) (a) Upon filing of the petition, the court shall order the public employer to appear in court at a specified time not less than 5 or more than 10 days after the day the petition was filed and show cause why the applicant was not hired for the position. At the hearing, the public employer has the burden of proving by a preponderance of the evidence that the employer applied the points under 39-29-102 and made a reasonable hiring decision. The applicant has the burden of proving by a preponderance of the evidence that he is a preference-eligible applicant.

(b) The time to appear provided in subsection (3)(a) may be waived by stipulation of the parties. If a time to appear has been specified pursuant to subsection (3)(a), the court may, on motion of one of the parties or on stipulation of all of the parties, grant a continuance.

(c) If the public employer does not carry its burden of proof under subsection (3)(a) and the court finds that the applicant is a preference-eligible applicant, the court shall order the public employer to comply with the provisions of 39-29-102. In addition, the court shall, upon proper proof, grant an award of backpay, reasonable attorney fees, and costs.

(4) Failure of an applicant to file a petition under subsection (2) within 90 days bars the filing of a petition. If a public employer fails to provide an explanation under subsection (1) within 15 days and a petition is filed under

subsection (2), the court shall order the public employer to comply with the provisions of 39-29-102.

(5) The Montana Rules of Civil Procedure apply to a proceeding under this section to the extent that they do not conflict with this section.

(b) a disabled veteran with a service-connected disability of 30% or more whose performance has not been rated unacceptable under a performance appraisal system over other veterans, disabled veterans, and eligible relatives with similar job duties and qualifications and same length of service.

(2) An employee is not entitled to preference in retention under subsection (1) unless he is a United States citizen.

(3) The preference in retention under subsection (1) does not apply to a position covered by a collective bargaining agreement.

**History: En. Sec. 5, Ch. 646, L. 1989.**

**39-29-112. Adoption of rules.** The department of administration shall adopt rules implementing this chapter. The department's rules apply to all local and state public employers.

(3) If an applicant for a position makes a timely written employment preference claim, the public employer shall give written notice of its hiring decision to each applicant claiming preference.

The remedy provided by this section is the only remedy for a violation of this chapter, and a court may not grant any other relief in an action for violation of this chapter.

(4) Failure of an applicant to file a petition under subsection (2) within 90 days bars the filing of a petition. If a public employer fails to provide an explanation under subsection (1) within 15 days and a petition is filed under subsection (2), the court shall order the public employer to reopen the selection process.

(a) by an employee or group of employees or any labor organization acting in their behalf alleging that 30% of the employees:

(i) wish to be represented for collective bargaining by a labor organization as exclusive representative; or

(ii) assert that the labor organization which has been certified or is currently being recognized by the public employer as bargaining representative is no longer the representative of the majority of employees in the unit; or

(2) In this hearing, the board is not bound by common law and statutory rules of evidence.

(2) Only those labor organizations which have been designated by more than 10% of the employees in the unit found to be appropriate shall be placed on the ballot.

(3) The board or an agent of the board shall determine who is eligible to vote in the election and shall establish rules governing the election.

(4) Unless the majority vote is for no representation by a labor organization and in any election where none of the choices for a representative on the ballot receives a majority, a runoff election shall be conducted, the ballot providing for selection between the two choices receiving the largest and the second largest number of valid votes cast in the election.

(5) A labor organization which receives the majority of the votes cast in an election shall be certified by the board as the exclusive representative.

**39-31-305. Duty to bargain collectively — good faith.** (1) The public employer and the exclusive representative, through appropriate officials or their representatives, shall have the authority and the duty to bargain collectively. This duty extends to the obligation to bargain collectively in good faith as set forth in subsection (2) of this section.

(2) For the purpose of this chapter, to bargain collectively is the performance of the mutual obligation of the public employer or his designated representatives and the representatives of the exclusive representative to meet at reasonable times and negotiate in good faith with respect to wages, hours, fringe benefits, and other conditions of employment or the negotiation of an agreement or any question arising thereunder and the execution of a written contract incorporating any agreement reached. Such obligation does not compel either party to agree to a proposal or require the making of a concession.

(3) For purposes of state government only, the requirement of negotiating in good faith may be met by the submission of a negotiated settlement to the legislature in the executive budget or by bill or joint resolution. The failure to reach a negotiated settlement for submission is not, by itself, prima facie evidence of a failure to negotiate in good faith.

**39-31-306. Collective bargaining agreements.** (1) An agreement reached by the public employer and the exclusive representative must be reduced to writing and must be executed by both parties.

(2) Except as provided in subsection (5), an agreement may contain a grievance procedure culminating in final and binding arbitration of unresolved grievances and disputed interpretations of agreements.

(3) An agreement between the public employer and a labor organization must be valid and enforced under its terms when entered into in accordance with the provisions of this chapter and signed by the chief executive officer of the state or political subdivision or commissioner of higher education or by a representative. A publication of the agreement is not required to make it effective.

(4) The procedure for the making of an agreement between the state or political subdivision and a labor organization provided by this chapter is the exclusive method of making a valid agreement for public employees represented by a labor organization.

(5) An agreement to which a school is a party must contain a grievance procedure culminating in final and binding arbitration of unresolved and disputed interpretations of agreements. The aggrieved party may have the grievance or disputed interpretation of the agreement resolved either by final and binding arbitration or by any other available legal method and forum, but not by both. After a grievance has been submitted to arbitration, the grievant and the exclusive representative waive any right to pursue against the school an action or complaint that seeks the same remedy. If a grievant or the exclusive representative files a complaint or other action against the school, arbitration seeking the same remedy may not be filed or pursued under this section.

**History: En. Sec. 14, Ch. 441, L. 1973; amd. Sec. 1, Ch. 18, L. 1975; R.C.M. 1947, 59-1614(1).**

**39-31-308. Initiation of factfinding — designation of fact finder.** (1) If, upon expiration of an existing collective bargaining agreement or 30 days following certification or recognition of an exclusive representative, a dispute concerning the collective bargaining agreement exists between the employer and the exclusive representative, either party may petition the board to initiate factfinding.

(2) Within 3 days of receipt of such petition, the board shall submit to the parties a list of five qualified, disinterested persons from which the parties shall alternate in striking two names. The remaining person shall be designated fact finder. This process shall be completed within 5 days of receipt of the list. The parties shall notify the board of the designated fact finder.

(3) If no request for factfinding is made by either party before the expiration of the agreement or 30 days following certification or recognition of an exclusive representative, the board may initiate factfinding as provided for in subsection (2) above.

**History: En. Sec. 14, Ch. 441, L. 1973; amd. Sec. 1, Ch. 18, L. 1975; R.C.M. 1947, 59-1614(2) thru (4).**

(2) The public employer and the exclusive representative are the only proper parties to factfinding proceedings.

(3) Upon request of either party or the fact finder, the board shall issue subpoenas for hearings conducted by the fact finder. The fact finder may administer oaths.

(4) Upon completion of the hearings, but no later than 20 days from the date of appointment, the fact finder shall make written findings of facts and recommendations for resolution of the dispute and shall serve the findings on the public employer and the exclusive representative. The fact finder may make this report public 5 days after it is submitted to the parties. If the dispute is not resolved 15 days after the report is submitted to the parties, the report must be made public.

(5) When a party petitions the board to initiate factfinding, the cost of factfinding proceedings must be equally borne by the parties. When the board initiates factfinding, the cost of factfinding proceedings must be equally borne by the board and the parties.

(6) Nothing in 39-31-307 through 39-31-310 prohibits the fact finder from endeavoring to mediate the dispute in which the fact finder has been selected or appointed.

**History: En. Sec. 14, Ch. 441, L. 1973; amd. Sec. 1, Ch. 18, L. 1975; R.C.M. 1947, 59-1614(5) thru (8); amd. Sec. 33, Ch. 397, L. 1979; amd. Sec. 10, Ch. 90, L. 1995.**

(1) interfere with, restrain, or coerce employees in the exercise of the rights guaranteed in 39-31-201;

(2) dominate, interfere, or assist in the formation or administration of any labor organization; however, subject to rules adopted by the board under 39-31-104, an employer is not prohibited from permitting employees to confer with him during working hours without loss of time or pay;

(3) discriminate in regard to hire or tenure of employment or any term or condition of employment in order to encourage or discourage membership in any labor organization; however, nothing in this chapter or in any other statute of this state precludes a public employer from making an agreement with an exclusive representative to require, as a condition of employment, that an employee who is not or does not become a union member, must have an amount equal to the union initiation fee and monthly dues deducted from his wages in the same manner as checkoff of union dues;

(4) discharge or otherwise discriminate against an employee because he has signed or filed an affidavit, petition, or complaint or given any information or testimony under this chapter; or

**39-31-402. Unfair labor practices of labor organization.** It is an unfair labor practice for a labor organization or its agents to:

(1) restrain or coerce employees in the exercise of the right guaranteed in 39-31-201 or a public employer in the selection of his representative for the purpose of collective bargaining or the adjustment of grievances;

**39-31-404. Six-month limitation on unfair labor practice complaint — exception.** No notice of hearing shall be issued based upon any unfair labor practice more than 6 months before the filing of the charge with the board unless the person aggrieved thereby was prevented from filing the charge by reason of service in the armed forces, in which event the 6-month period shall be computed from the day of his discharge.

**History: En. Sec. 7, Ch. 441, L. 1973; R.C.M. 1947, 59-1607(part).**

**39-31-405. Unfair labor practice complaint — investigation — notice of hearing — service — answer.** (1) Whenever a complaint is filed alleging that any person has engaged in or is engaging in any such unfair labor practice, the board shall issue and cause to be served upon the person a copy of the complaint and provide the person with an opportunity to respond to all charges. After receipt of responses from the charged party, an agent designated by the board for such purposes shall investigate the alleged unfair labor practice.

(2) If, after the investigation, the agent designated by the board determines that the charge is without probable merit, the board shall issue and cause to be served upon the complaining party and the person being charged notice of its intention to dismiss the complaint. The dismissal becomes a final order of the board unless either party requests a review of the decision to dismiss the complaint. The request for a review must be made in writing within 10 days of receipt of the notice of intention to dismiss. If a review is requested, the board may uphold its decision to dismiss the complaint or, pursuant to subsection (3), schedule a hearing on the merits. If the board upholds its decision to dismiss the complaint, the dismissal becomes a final order of the board.

(3) If after the investigation or after the review provided for in subsection (2), the board determines that there is probable merit for the charge, the board shall issue and cause to be served upon the complaining party and the party charged a notice of hearing before the board, a member thereof, or before a

**39-31-406. The board may modify its findings as to the facts or make new findings by reason of additional evidence so taken and filed, and it shall file the modifying or new findings with the district court.

## Part 1
## General Provisions

**39-51-101. Short title.** This chapter shall be known and may be cited as the "Unemployment Insurance Law".

**History:** En. Sec. 1, Ch. 137, L. 1937; R.C.M. 1947, 87-101; amd. Sec. 1, Ch. 57, L. 1979.

**39-51-102. Declaration of state public policy.** As a guide to the interpretation and application of this chapter, the public policy of this state is declared to be as follows:

(1) Economic insecurity due to unemployment is a serious menace to the health, morals, and welfare of the people of this state.

(2) Involuntary unemployment is, therefore, a subject of general interest and concern which requires appropriate action by the legislature to prevent its spread and to lighten its burden which now so often falls with crushing force upon the unemployed worker and his family. The achievement of social security requires protection against this greatest hazard of our economic life. This can be provided by encouraging employers to provide more stable employment and by the systematic accumulation of funds during periods of employment to provide benefits for periods of unemployment, thus maintaining purchasing power and limiting the serious social consequences of poor relief assistance.

(3) The legislature, therefore, declares that in its considered judgment the public good and the general welfare of the citizens of this state require the enactment of this measure under the police powers of the state for the

compulsory setting aside of unemployment reserves to be used for the benefit of persons unemployed through no fault of their own.

**History:** **En. Sec. 2, Ch. 137, L. 1937; R.C.M. 1947, 87-102.**

**39-51-103. Nonliability of state — right to benefits subject to provisions of chapter and extent of available funds.** (1) Benefits shall be deemed to be due and payable under this chapter only to the extent provided in this chapter and to the extent that moneys are available therefor to the credit of the unemployment insurance fund, and neither the state nor the department shall be liable for any amount in excess of such sums.

(2) The legislature reserves the right to amend or repeal all or any part of this chapter at any time and there shall be no vested private right of any kind against such amendment or repeal. All the rights, privileges, or immunities conferred by this chapter or by acts done pursuant thereto shall exist subject to the power of the legislature to amend or repeal this chapter at any time.

**History:** **(1)En. Sec. 18, Ch. 137, L. 1937; amd. Sec. 32, Ch. 368, L. 1975; Sec. 87-147, R.C.M. 1947; (2)En. Sec. 20, Ch. 137, L. 1937; Sec. 87-150, R.C.M. 1947; R.C.M. 1947, 87-147, 87-150; amd. Sec. 2, Ch. 57, L. 1979; amd. Sec. 1, Ch. 349, L. 1981.**

**History:** **En. Sec. 22, Ch. 137, L. 1937; R.C.M. 1947, 87-151.**

**39-51-105. Disbursement of funds if federal act becomes inoperative.** If Title III or IX of the federal Social Security Act is declared unconstitutional or in any way is inoperative, this chapter automatically becomes inoperative under the provisions of this chapter and the funds which then remain in the unemployment trust fund shall immediately be paid to the state treasurer to be paid into the unemployment insurance fund and funds there held shall be immediately distributed, upon order of the department, to the employers who have contributed thereto on a proportionate basis. If any part thereof remains undistributed for a period of 1 year it shall be paid to the general fund of the state.

## Part 2

## Definitions

**Part Cross-References**

General definitions, 39-51-201.

**39-51-201. General definitions.** As used in this chapter, unless the context clearly requires otherwise, the following definitions apply:

(1) "Annual payroll" means the total amount of wages paid by an employer, regardless of the time of payment, for employment during a calendar year.

(2) "Base period" means the first 4 of the last 5 completed calendar quarters immediately preceding the first day of an individual's benefit year. However, in the case of a combined-wage claim pursuant to the arrangement approved by the secretary of labor of the United States, the base period is the period applicable under the unemployment law of the paying state. For an individual who fails to meet the qualifications of 39-51-2105 or a similar statute of another state because of a temporary total disability, as defined in 39-71-116, or a similar statute of another state or the United States, the base period means the first 4 quarters of the last 5 completed calendar quarters preceding the disability if a claim for unemployment benefits is filed within 24 months of the date on which the individual's disability was incurred.

(3) "Benefit year", with respect to any individual, means the 52-consecutive-week period beginning with the first day of the calendar week in which the individual files a valid claim for benefits, except that the benefit year is 53 weeks if filing a new valid claim would result in overlapping any quarter of the base year of a previously filed new claim. A subsequent benefit year may not be established until the expiration of the current benefit year. However, in the case of a combined-wage claim pursuant to the arrangement approved by the secretary of labor of the United States, the base period is the period applicable under the unemployment law of the paying state.

(4) "Benefits" means the money payments payable to an individual, as provided in this chapter, with respect to the individual's unemployment.

(5) "Board" means the board of labor appeals provided for in Title 2, chapter 15, part 17.

(6) "Calendar quarter" means the period of 3 consecutive calendar months ending on March 31, June 30, September 30, or December 31.

(7) "Contributions" means the money payments to the state unemployment insurance fund required by this chapter but does not include assessments under 39-51-404(4).

(8) "Department" means the department of labor and industry provided for in Title 2, chapter 15, part 17.

(9) "Domestic or household service" means employment of persons other than members of the household for the purpose of tending to the aid and comfort of the employer or members of the employer's family, including but not limited to housecleaning and yard work, but does not include employment beyond the scope of normal household or domestic duties such as home health care or domiciliary care.

(10) "Employing unit" means any individual or organization (including the state government and any of its political subdivisions or instrumentalities), partnership, association, trust, estate, joint-stock company, insurance company, limited liability company or limited liability partnership that has filed with the secretary of state, or corporation, whether domestic or foreign, or the receiver, trustee in bankruptcy, trustee or the trustee's successor, or

legal representative of a deceased person that has or had in its employ one or more individuals performing services for it within this state, except as provided under 39-51-204(1)(a) and (1)(q). All individuals performing services within this state for any employing unit that maintains two or more separate establishments within this state are considered to be employed by a single employing unit for all the purposes of this chapter. Each individual employed to perform or assist in performing the work of any agent or employee of an employing unit is considered to be employed by the employing unit for the purposes of this chapter, whether the individual was hired or paid directly by the employing unit or by the agent or employee, provided that the employing unit has actual or constructive knowledge of the work.

(11) "Employment office" means a free public employment office or branch of an office operated by this state or maintained as a part of a state-controlled system of public employment offices or other free public employment offices operated and maintained by the United States government or its instrumentalities as the department may approve.

(13) "Gross misconduct" means a criminal act, other than a violation of a motor vehicle traffic law, for which an individual has been convicted in a criminal court or has admitted or conduct that demonstrates a flagrant and wanton disregard of and for the rights or title or interest of a fellow employee or the employer.

The reasonable cash value of remuneration payable in any medium other than cash must be estimated and determined pursuant to rules prescribed by the department. (2) (a) The term "employment" includes an individual's entire service performed within or both within and outside this state if:

(i) the service is localized in this state; or

(ii) the service is not localized in any state but some of the service is performed in this state and:

(A) the base of operations or, if there is no base of operations, the place from which the service is directed or controlled is in this state; or

(B) the base of operations or the place from which the service is directed or controlled is not in any state in which some part of the service is performed, but the individual's residence is in this state.

(b) Service is considered to be localized within a state if:

(i) the service is performed entirely within the state; or

(ii) the service is performed both within and outside the state, but the service performed outside the state is incidental to the individual's service within the state; for example, the out-of-state service is temporary or transitory in nature or consists of isolated transactions.

(3) Service not covered under subsection (2) and performed entirely outside the state and on which contributions are neither required nor paid under an unemployment insurance law of any other state or of the federal government is considered to be employment subject to this chapter if the individual performing the services is a resident of this state and the department approves the election of the employing unit for whom the services are performed in order that the entire service of the individual is considered to be employment subject to this chapter.

(4) Service performed by an individual for wages is considered to be employment subject to this chapter until it is shown to the satisfaction of the department that the individual is an independent contractor.

(5) The term "employment" includes service performed by an individual in the employ of this state or any of its instrumentalities (or in the employ of this state and one or more other states or their instrumentalities) for a hospital or institution of higher education located in this state. The term "employment" includes service performed by all individuals, including those individuals who work for the state of Montana, its universities, public schools, components or units of universities or public schools, or any local government unit and one or more other states or their instrumentalities or political subdivisions whose services are compensated by salary or wages.

(6) The term "employment" includes service performed by an individual in the employ of a religious, charitable, scientific, literary, or educational organization.

(7) (a) The term "employment" includes the service of an individual who is a citizen of the United States performed outside the United States, except in Canada, in the employ of an American employer, other than service that is considered employment under the provisions of subsection (2) or the parallel provisions of another state's law, if:

(i) the employer's principal place of business in the United States is located in this state;

(ii) the employer has no place of business in the United States, but:

(A) the employer is an individual who is a resident of this state;

(B) the employer is a corporation that is organized under the laws of this state; or

(C) the employer is a partnership or a trust and the number of the partners or trustees who are residents of this state is greater than the number who are residents of any other state; or

(iii) none of the criteria of subsections (7)(a)(i) and (7)(a)(ii) are met, but the employer has elected coverage in this state or, the employer having failed to elect coverage in any state, the individual has filed a claim for benefits based on the service under the law of this state.

(b) An "American employer", for purposes of this subsection (7), means a person who is:

(i) an individual who is a resident of the United States;

(2) The department shall determine its own organization and methods of procedure in accordance with the provisions of this chapter and shall have an official seal, which is judicially noticed.

**39-51-1110. Refunds to employers.** (1) If an employer claims an adjustment or the department or its delegate, as provided in 39-51-301, determines through an examination of the employer's account that the employer has overpaid the amount due, the amount of the overpayment must be applied to future unemployment insurance obligations or must be refunded to the employer. The credit or refund may be allowed only if the claim is filed, or the determination is made, within a 5-year period after the date on which any taxes, penalty, or interest became due or within one year from the date the payment is made, whichever is later. The department or its delegate pursuant to 39-51-301(5), shall credit or refund the amount to the employer, without interest.

(2) If the department or its delegate pursuant to 39-51-301(5), determines that an employer has paid taxes to this state under this chapter but the taxes should have been paid to another state under a similar act of the other state, a transfer of the taxes to the other state must be made upon discovery or, upon proof of payment that the other state has been fully paid, then a refund to the employer must be made upon application without limitation of time.

(3) If this chapter is not certified by the secretary of labor under 26 U.S.C. 3304 for any year, then refunds must be made of all taxes required under this chapter from employers for that year.

*1997 Amendments — Composite Section:* Chapter 42 in (3) substituted "the Internal Revenue Code, 26 U.S.C. 3304, as amended" for "section 1603 of the Internal Revenue Code, as amended, 1939"; and made minor changes in style. Amendment effective March 12, 1997.

Chapter 491 in (1) substituted current text concerning adjustments and overpayments for "If not later than 3 years after the date on which any taxes or interest thereon became due or not later than 1 year from the date on which payment was made, whichever is later, an employer who has paid such taxes or interest thereon shall make application for an adjustment thereof in connection with subsequent tax payments or for a refund thereof because such adjustment cannot be made and the department shall determine that such taxes or interest or any portion thereof was erroneously collected, the department shall allow such employer to make an adjustment thereof, without interest, in connection with subsequent tax payments by him or, if such adjustment cannot be made, the department shall refund said amount, without interest, from the fund. For like cause and within the same period, adjustment or refund may be so made on the department's own initiative"; in (2), near beginning, inserted "or its delegate pursuant to 39-51-301(5)"; in (3) substituted "26 U.S.C. 3304" for "section 1603 of the Internal Revenue Code"; and made minor changes in style. Amendment effective January 1, 1998.

Style changes in the chapters were slightly different. In each case, the codifier chose the more appropriate.

**39-51-1121. Definitions.** As used in this part and part 12, the following definitions apply:

(1) "Computation date" means the reporting period ending September 30 preceding the calendar year for which a covered employer's contribution rate is effective.

(b) has established a record of accumulated contributions in excess of benefits charged to the employer's account.

(8) "Taxable wage base" means the amount of wages subject to contributions and to assessments under 39-51-404(4) for each calendar year. Payment of contributions and of assessments under 39-51-404(4) may apply only to wages paid up to and including the amount specified in 39-51-1108.

**39-51-1122. Treatment of minor irregularities in determination of eligible employer status.** For the purpose of determining if a covered employer is an eligible employer, delinquencies of a minor nature may be disregarded if it is shown to the satisfaction of the department that the covered employer acted in good faith and that forfeiture of a reduced contribution rate because of such minor delinquency would be inequitable.

**History: En. Sec. 3, Ch. 685, L. 1979; amd. Sec. 1, Ch. 349, L. 1981.**

**39-51-1123. Rates of contributions.** All covered employers, except governmental entities and those qualified and electing to make payments in lieu of contributions, shall pay contributions at rates assigned annually by the department.

**History: En. Sec. 4, Ch. 685, L. 1979; amd. Sec. 1, Ch. 349, L. 1981.**

**39-51-1124. Procedure for election to make payments in lieu of contributions.** (1) Any nonprofit organization defined in 39-51-1103 or governmental entity electing to become liable for payments in lieu of contributions must file a written notice of its election with the department not later than 30 days immediately following the date of the determination of subjectivity to this chapter. This election shall be for a period of not less than 2 years.

(2) Any nonprofit organization defined in 39-51-1103 or governmental entity which has been paying contributions for at least 2 taxable years may change to payments in lieu of contributions by filing a written notice to that effect with the department within 30 days before the beginning of the taxable year for which the change is effective.

**History: En. Sec. 5, Ch. 685, L. 1979; amd. Sec. 1, Ch. 349, L. 1981.**

**39-51-1125. Computation of payments in lieu of contributions.** (1) After June 30, 1987, qualified employers electing to make payments in lieu of contributions shall pay into the fund an amount equivalent to the full amount of regular benefits plus the state's share of extended benefits paid to individuals based on wages paid by the employing unit. After December 31, 1978, governmental entities shall pay the full amount of extended benefits.

(2) If benefits paid an individual are based on wages paid by both the employer and one or more other employers, the amount payable by any one employer to the fund bears the same ratio to total benefits paid to the individual as the base period wages paid to the individual by such employer bear to the total amount of base period wages paid to the individual by all the individual's base period employers.

(3) If the base period wages of an individual include wages from more than one such employer, the amount to be paid into the fund with respect to the benefits paid to the individual shall be prorated among the liable employers in proportion to the wages paid to the individual by each such employer during the base period.

(4) The amount of payment required from employers shall be ascertained by the department monthly and becomes due and payable by the employer quarterly as directed in this chapter. Penalty and interest for delinquency shall be assessed such employers as specified in 39-51-1301.

(5) A payment may not be required under this section with respect to benefits paid to an individual if the qualified employer continues to provide employment to the individual with no reduction in hours or wages.

**39-51-1126. Termination of election to make payments in lieu of contributions.** (1) Any nonprofit organization or governmental entity may terminate its election to make payments in lieu of contributions after 2 years from the effective date of such election by filing a written notice with the department not later than 30 days prior to the beginning of the taxable year for which the termination is effective.

(2) If a nonprofit organization or governmental entity is delinquent in making payments in lieu of contributions, the department may terminate the election to make payments in lieu of contributions as of the beginning of the next taxable year, and the termination is effective for that and the next taxable year.

**39-51-1207 through 39-51-1210 reserved.**

**39-51-1211. Definitions.** The definitions set forth in 39-51-1121 apply to this part.

**History: En. 39-51-1211 by Code Commissioner, 1979.**

**39-51-1212. Experience rating for governmental entities.** (1) Governmental entities newly covered under this chapter after December 31, 1974, shall make payments for the period prior to July 1, 1977, equal to 0.4% of total wages paid employees for services in employment during the calendar quarter and for the period after July 1, 1977, shall make payments at the median rate.

(2) The rates of governmental entities who have accumulated experience rating credits shall be adjusted annually as follows with each governmental entity assigned a rate based upon:

(a) its benefit cost experience, to be arrived at by dividing the total sum of benefits charged to the employer's account for all past periods which are completed transactions by December 31 by total wages from date of subjectivity of the employing unit through December 31; and

(b) the benefit cost for all past years of governmental entities electing to pay contributions compared with total payrolls reported for all past years by these governmental entities used as a median, with the rates so fixed using the median that the rates will, when applied to the total annual payroll for subject governmental entities, yield total paid contributions equaling approximately the total benefit costs.

(3) New governmental entities electing to pay contributions shall be assigned the median rate for the year in which they become subject.

(4) At no time may the minimum rate be less than 0.1% or the maximum rate be greater than 1.5%. The rates are to be graduated at one-tenth intervals.

(5) In the event benefit charges exceed contributions paid in the last 2 completed fiscal years, governmental entities' rates will be adjusted by increasing all rates to the next higher schedule.

(6) The computed rate is effective July 1 of each year.

(7) Governmental entities must be charged for their share of the total benefits paid to a claimant if the governmental entity contributed wages during the claimant's base period. The benefit charged must be based on the

percentage of wages paid by the governmental entity as compared to the total wages paid by all employers in the claimant's base period.

(8) A payment may not be required under this section with respect to benefits paid to an individual if the governmental employer continues to provide employment to the individual with no reduction in hours or wages.

**History: En. Sec. 9, Ch. 685, L. 1979; amd. Sec. 1, Ch. 50, L. 1989; amd. Sec. 22, Ch. 373, L. 1991.**

**39-51-1213. Classification of employers for experience rating purposes.** (1) The department shall for each calendar year classify employers in accordance with their actual experience in the payment of contributions and with respect to benefits charged against their accounts, with contribution rates reflecting benefit experience. Each employer's rate for a calendar year must be determined on the basis of the employer's record as of October 1 of the preceding calendar year.

(2) In making the classification, each eligible and deficit employer's contribution rate is determined in the manner set forth below:

(a) Each employer is given an "experience factor", which is contributions paid since October 1, 1981, minus benefits charged on each employer's account since October 1, 1981, divided by the employer's average annual taxable payroll rounded to the next lower dollar amount for the 3 fiscal years immediately preceding the computation date. The computation of the "experience factor" must be to six decimal places.

(b) Schedules must be prepared listing all eligible and deficit employers in inverse numerical order of their experience factors. There must be listed on the schedules for each employer in addition to the experience factor:

(i) the amount of the employer's taxable payroll for the fiscal year ending on the computation date; and

(ii) the cumulative total consisting of the sum of the employer's taxable payroll for the fiscal year ending on the computation date and the corresponding taxable payrolls for all other employers preceding that employer on the schedules.

(3) The cumulative taxable payroll amounts listed on the schedules provided for in 39-51-1218 must be segregated into groups that will yield approximately the average tax rate according to the tax schedule assigned for that particular taxable year. Each group must be identified by the rate class number listed in the table that represents the percentage limits of each group. Each employer on the schedules is assigned that contribution rate opposite that employer's rate class for the tax schedule in effect for the taxable year.

(4) (a) If the grouping of rate classes requires the inclusion of exactly one-half of an employer's taxable payroll, the employer is assigned the lower of the two rates designated for the two classes in which the halves of that employer's taxable payroll are required.

(b) If the group of rate classes requires the inclusion of a portion other than exactly one-half of an employer's taxable payroll, the employer is assigned the rate designated for the class in which the greater part of that employer's taxable payroll is required.

(c) If one or more employers on the schedules have experience factors identical to that of the last employer included in a particular rate class, all such employers are included in and assigned the contribution rate specified for the class, notwithstanding the provisions of 39-51-1214.

(5) If the taxable payroll amount, the experience factor, or both of any eligible or deficit employer listed on the schedules is changed, the employer is placed in that position on the schedules that the employer would have occupied had that employer's taxable payroll amount or experience factor as changed been used in determining that employer's position in the first instance. However, the change does not affect the position or rate classification of any other employer listed on the schedules and does not affect the rate determination for previous years.

(6) An employer who has not filed all required payroll reports or paid all taxes, penalties, and interest due by the cutoff date must be assigned a contribution rate in effect for the taxable year for the employer's classification as an eligible, deficit, or new employer, plus an additional assessment of 50% of the employer's assigned contribution rate, rounded to the nearest 1/10 of 1%.

**Compiler's Comments**

*1997 Amendment:* Chapter 60 near beginning of (5), after "both", deleted "such taxable payroll amount and experience factor"; in (6), after "assigned", deleted "the maximum" and at end inserted "plus an additional assessment of 50% of the employer's assigned contribution rate, rounded to the nearest 1/10 of 1%"; and made minor changes in style. Amendment effective January 1, 1998.

**39-51-1214. Benefit payments chargeable to employer experience rating accounts.** (1) Except for cost reimbursement, benefits paid must be charged to the account of each of the claimant's base period employers. The benefit charged must be based on the percentage of wages paid by the employer as compared to the total wages paid by all employers in the claimant's base period.

(2) A charge may not be made to the account of a covered employer with respect to benefits paid under the following situations:

(a) if paid to a worker who terminated services voluntarily without good cause attributable to a covered employer or who had been discharged for misconduct in connection with services;

(b) if paid in accordance with the extended benefit program triggered by either national or state indicators;

(c) if the base period employer continues to provide employment with no reduction in hours or wages;

(d) if benefits are paid to claimants who are in training approved under 39-51-2307; or

(e) if the base period employer is ordered to state or federal active duty in the national guard or reserves.

**39-51-1215. Maintenance of experience rating records.** An experience rating record shall be maintained for each covered employer. The record is credited with all contributions which the covered employer has paid since October 1, 1981. The record is also charged with the amount of benefits paid which are chargeable to the covered employer's account since October 1, 1981. Nothing in this section grants any covered employer or individual in his service a priority with respect to any claim or right because of amounts paid by the covered employer into the employment security fund.

**39-51-1216. Experience rating record voided when account inactive.** Whenever an employer whose coverage has been terminated because he has ceased to do business or because he has not covered employment for a period of 3 years becomes a covered employer, he is considered a new employer and he is not to be credited with his previous experience for the purpose of computing any future "experience factor".

**39-51-1217. Schedule of rates assigned based on trust fund reserve.** (1) The rate schedule for each calendar year is assigned based upon the ratio of the trust fund balance as of October 31 prior to the rate year to total wages in covered employment for the 12-month period ending June 30 prior to the computation date.

(2) The ratio at the top of each tax schedule in the tax table shown in 39-51-1218 represents the minimum fund level required for a specific tax schedule to be in effect.

(3) Employer rates are assigned in accord with the rates provided in each schedule for eligible and deficit employers, based upon their experience as defined in this section.

(4) For the calendar year 1990 and each year thereafter, any employer classified as a new employer must be assigned a rate equal to the average rate of contributions paid by employers in the same major industrial classification for the calendar year preceding the computation date, plus an adjustment for the difference between the average tax rate assigned for the previous calendar year and the average rate in effect for the current calendar year. At no time may a new employer be assigned a rate lower than 1%. The computation of the average rate of contributions in a major industrial classification must exclude those employer accounts that are not eligible for the computation of an experience rating solely by reason of insufficient experience. The department shall develop the major industrial classifications for the state and shall annually determine the contribution rate for each classification.

**39-51-1219. Procedures for the substitution, merger, or acquisition of an employer account by a successor employing unit.** (1) Subject to the provisions of subsection (3), whenever any individual or organization (whether or not a covered employer) in any manner succeeds to or acquires all or substantially all of the business of an employer who at the time of acquisition was a covered employer and whenever in respect to whom the department finds that the business of the predecessor is continued solely by the successor:

(a) the separate account and the actual contribution, benefit, and taxable payroll experience of the predecessor must, upon the joint application of the predecessor and the successor within 90 days after the acquisition and approval by the department, be transferred to the successor employer for the purpose of determining the successor's liability and rate of contribution; and

(b) any successor who was not an employer on the date of acquisition becomes a covered employer as of that date.

(2) Whenever any individual or organization (whether or not a covered employer) in any manner succeeds to or acquires part of the business of an employer who at the time of acquisition was a covered employer and whenever that portion of the business is continued by the successor:

(a) so much of the separate account and the actual contribution, benefit, and taxable payroll experience of the predecessor as is attributable to the portion of the business transferred, as determined on a pro rata basis in the same ratio that the wages of covered employees properly allocable to the transferred portion of the business bear to the payroll of the predecessor in the last 4 completed calendar quarters immediately preceding the date of transfer, must, upon the joint application of the predecessor and the successor within 90 days after the acquisition and approval by the department, be transferred to the successor employer for the purpose of determining the successor's liability and rate of contribution; and

(b) any successor who was not an employer on the date of acquisition becomes a covered employer as of that date.

(3) (a) The 90-day period may be extended at the discretion of the department.

(b) Whenever a predecessor covered employer has a deficit experience rating account as of the last computation date, the transfer provided for in subsections (1) and (2) is mandatory except when it is shown by substantial evidence that the management, the ownership, or both the management and ownership are not substantially the same for the successor as for the predecessor, in which case the successor shall begin with the rate of a new employer. Whenever a mandatory transfer involves only a portion of the experience rating record and the predecessor or successor employers fail to supply the required payroll information within 10 days after notice, the transfer must be based on estimates of the applicable payrolls. The successor must be notified in writing of the mandatory transfer, and unless the mandatory transfer is appealed within 30 calendar days, the right to appeal is waived.

(c) Whenever a predecessor covered employer has an eligible experience rating account as of the last computation date and when it is shown by substantial evidence that the management, the ownership, or both the management and the ownership are substantially the same for the successor as for the predecessor, the transfer provided for in subsections (1) and (2) is automatic. Whenever an automatic transfer involves only a portion of the experience rating record and the predecessor or successor employers fail to supply the required payroll information within 10 days after notification, the transfer must be based on estimates of the applicable payrolls. The successor must be notified in writing of the automatic transfer and shall request within 30 days of notification that the experience rating account of the predecessor not be transferred.

(4) (a) If the successor was a covered employer prior to the date of the acquisition of all or a part of the predecessor's business, the successor's rate of contribution, effective the first day of the calendar year immediately following the date of acquisition, is based on the combined experience of the predecessor and successor.

(b) If the successor was not a covered employer prior to the date of the acquisition of all or a part of the predecessor's business, the successor's rate is the rate applicable to the predecessor with respect to the period immediately preceding the date of acquisition, but if there was more than one predecessor, the successor's rate must be a newly computed rate based on the combined experience of the predecessors, becoming effective immediately after the date of acquisition and remaining in effect for the balance of the rate year.

General definitions, 39-51-201.

**39-51-1301.** *(Temporary)* **Penalty and interest on past-due taxes.** (1) Taxes unpaid on the date on which they are due and payable, as provided by 39-51-1103(1) and (2) and 39-51-1125, that are paid by the end of the month following the due date are subject to a penalty assessment of $10 or 10% of the taxes due, whichever is greater. If the taxes are not paid by the end of the month following the due date, the employer is subject to a penalty assessment of $15 or 15% of the taxes due, whichever is greater. All past-due taxes bear interest at the rate of 18% a year, to be prorated on a daily basis.

(2) A penalty of $40 must be assessed whenever, as the result of a willful refusal of an employer to furnish wage information or pay taxes on time, the department issues a subpoena to obtain wage information or makes a summary or jeopardy assessment pursuant to 39-51-1302.

(3) There is an account in the federal special revenue fund. Penalties and interest collected under this section must be deposited in that account. Money deposited in that account and appropriated to the department may only be used by the department to administer this chapter, including the detection and collection of unpaid taxes and overpayments of benefits to the extent that federal grant revenue is less than amounts appropriated for this purpose. Money in the account not appropriated for these purposes must be transferred by the department to the unemployment insurance trust fund at the end of each fiscal year.

(4) When failure to pay taxes on time was not caused by willful intent of the employer, the department may abate the penalty and interest.

(5) All money accruing to the unemployment insurance trust fund from interest and penalties collected on past-due taxes must be used solely for the payment of unemployment insurance benefits and may not be used for any other purpose.

**39-51-1301.** *(Effective January 1, 1999)* **Penalty and interest on past-due reports and taxes.** (1) Failure to file reports and payments in a timely manner, as required under 39-51-603, 39-51-1103, and 39-51-1125, may subject an employer to penalty and interest, as provided by 15-30-209.

*1997 Amendment:* Chapter 491 in (1) substituted current text concerning failure to file reports and payments for former (1) and (2) that read: "Taxes unpaid on the date on which they are due and payable, as provided by 39-51-1103(1) and (2) and 39-51-1125, that are paid by the end of the month following the due date are subject to a penalty assessment of $10 or 10% of the taxes due, whichever is greater. All past-due taxes bear interest at the rate of 18% a year, to be prorated on a daily basis.

(2) A penalty of $40 must be assessed whenever, as the result of a willful refusal of an employer to furnish wage information or pay taxes on time, the department issues a subpoena to obtain wage information or makes a summary or jeopardy assessment pursuant to 39-51-1302"; in (2), in second sentence, substituted "for unemployment insurance obligations are distributed as provided in 15-30-250, and" for "under this section" and in third sentence inserted "or transferred by the department to its delegate, pursuant to 39-51-301(5)" and inserted "or its delegate"; deleted (4) that read: "(4) When failure to pay taxes on time was not caused by willful intent of the employer, the department may abate the penalty and interest"; in (3), near middle after "collected on past-due", inserted "unemployment insurance"; and made minor changes in style. Amendment effective January 1, 1999.

**39-51-1302. Summary or jeopardy assessment of unpaid taxes.** (1) If any employer fails to file a report or return as required under this chapter or the regulations of the department adopted thereunder within the time specified or if the employer's records are inaccurate or are incomplete when an employer has already filed a quarterly wage report for the period in question, the department may make a summary or jeopardy assessment of the amount due by making up such report and determining the amount of taxes due and owing to the fund upon the basis of such information as the department may be able to obtain, and thereupon the same shall be collected the same as other reports and taxes due, with penalty and interest as provided in this chapter.

(2) Upon making such summary or jeopardy assessment, the department shall immediately notify the employer in writing by personal service or by certified mail in the usual course at the last known principal place of business operated by the employer. Such assessment shall be final unless the employer shall protest such assessment in writing within 15 days after service of the notice or, within the same period of time, the employer shall file a correct, signed, and sworn report and statement as provided by the chapter and the regulations of the department.

(3) Upon written protest being filed as above set forth, a day certain for the hearing thereof shall be fixed by the department and notice thereof mailed to the employer. At such hearing, the facts ascertained by the department shall be conclusive and the department may upon the basis of such facts ascertained assess the amount due, modify, set aside, or revise the prior assessment and require the employer to pay the amount due with penalty and interest as provided for in this chapter. A copy of the decision of the department and the assessment of the amount due shall be mailed to the employer at his last known principal place of business and thereupon become final.

**History:** **En. as Subd. (f) of Sec. 14, Ch. 137, L. 1937 by Sec. 3, Ch. 233, L. 1943; amd. Sec. 28, Ch. 368, L. 1975; R.C.M. 1947, 87-140; amd. Sec. 1, Ch. 349, L. 1981; amd. Sec. 13, Ch. 373, L. 1991.**

**39-51-1303. Collection of unpaid taxes.** (1) The department, or its delegate pursuant to 39-51-301(5), has authority to enter into payment agreements with an employer to resolve unpaid taxes, penalty, and interest. Penalty or interest, or both penalty and interest, may be abated if an acceptable payment agreement is entered into and adhered to. Failure to meet the terms of the payment agreement voids the penalty and interest abatement and penalty and interest must be recomputed from the due date of the unpaid tax.

(2) If, after due notice, any employer, liable corporate officer, liable member or manager of a limited liability company referred to in 39-51-1105, or partner in a limited liability partnership defaults in any payment of taxes, penalties, or interest on the taxes and penalties, the department, or its delegate pursuant to 39-51-301(5), may initiate a civil action in the name of the state to collect the amount due, and the employer, liable corporate officer, liable member or manager of a limited liability company referred to in 39-51-1105, or partner in a limited liability partnership adjudged in default shall pay the costs of the action.

(3) An action for the collection of taxes due must be brought within 5 years from the date the original or amended report was filed or assessment became due, whichever is later, or it is barred.

(4) The department, or its delegate pursuant to 39-51-301(5), may pursue its remedy under 39-51-1304, or this section, or both.

*1997 Amendments:* Chapter 60, in (2), in two places after "39-51-1105", inserted "or partner in a limited liability partnership"; and made minor changes in style. Amendment effective March 17, 1997.

Chapter 491 inserted (1) concerning authority of Department to resolve unpaid taxes, penalties, and interest; in (2) and (4) inserted "or its delegate pursuant to 39-51-301(5)"; in (2), near beginning after "liable corporate officer", deleted "or employee", in two places, after "referred to in 39-51-1105", inserted "or partner in a limited liability partnership", and near middle, after "action in the name of the", substituted "state" for "department"; in (3) substituted "original or amended report was filed or assessment became due, whichever is later" for "taxes"; and made minor changes in style. Amendment effective January 1, 1998.

**39-51-1304. Lien for payment of unpaid taxes — levy and execution.** (1) Unpaid taxes, including penalties and interest assessed on unpaid taxes, have the effect of a judgment against the employer or against the liable corporate officer or liable member or manager of a limited liability company referred to in 39-51-1105, or a partner in a limited liability partnership, arising at the time that the payments are due. The department may issue a certificate stating the amount of payments due and directing the clerk of the district court of any county of the state to enter the certificate as a judgment in the docket pursuant to 25-9-301. From the time that the judgment is docketed, it becomes a lien upon all real and personal property of the employer. After the due process requirements of 39-51-1109 and 39-51-2403 have been satisfied, the department may enforce the judgment through the sheriff or agent authorized to collect the tax in the same manner as prescribed for execution upon a judgment. A notice of levy may be made by means of a certified letter by an agent authorized to collect the tax. The department may enforce the judgment at any time within 10 years of the creation of the lien or the effective date of the lien, whichever is later.

(2) A judgment lien filed pursuant to this section may be renewed for another 10-year period pursuant to the methods provided in 25-13-102.

(3) The lien provided for in subsection (1) is not valid against any third party owning an interest in real or personal property against which the judgment is enforced if:

(a) the third party's interest is recorded prior to the entrance of the certificate as a judgment; and

(b) the third party receives from the most recent grantor of the interest a signed affidavit stating that all taxes, penalties, and interest due from the grantor have been paid.

(4) A grantor who signs and delivers an affidavit is subject to the penalties imposed by 39-51-3204 if any part of it is untrue. Notwithstanding the provisions of 39-51-3204, the department may proceed under 39-51-1303, this section, or both, to collect the delinquent taxes, penalties, and interest from the:

(a) employer;

(b) liable corporate officer;

(c) liable member or manager of a limited liability company referred to in 39-51-1105; or

(d) partner in a limited liability partnership.

(5) The lien provided for in subsection (1) must be released upon payment in full of the unpaid taxes, penalties, and accumulated interest. The department may release or may partially release the lien upon partial payment or whenever the department determines that the release or partial release of the lien will facilitate the collection of unpaid taxes, penalties, or interest. The department may release the lien if it determines that the lien is unenforceable.

**39-51-2402. Initial determination — redetermination.** (1) A representative designated by the department and referred to as a deputy shall promptly examine the claim and, on the basis of the facts the deputy has found, the deputy shall determine whether or not the claim is valid. If the claim is valid, the deputy will determine the week the benefits commence, the weekly benefit amount payable, and the maximum benefit amount. The deputy may refer the claim or any question involved in the claim to an appeals referee who shall make the decision on the claim in accordance with the procedure prescribed in 39-51-2403. With respect to a determination, redetermination, or appeal by a claimant involving wages, the issue must be resolved in accordance with procedures for unemployment insurance benefit claimant appeals as prescribed in 15-2-302 and 15-30-257. The deputy shall promptly notify the claimant and any other interested party of the decision and the reasons for reaching the decision.

(2) The deputy may for good cause reconsider the decision and shall promptly notify the claimant and other interested parties of the amended decision and the reasons for the decision.

(3) A determination or redetermination of an initial or additional claim may not be made under this section unless 5 days' notice of the time and place of the claimant's interview for examination of the claim is mailed to each interested party.

(4) A determination or redetermination is final unless an interested party entitled to notice of the decision applies for reconsideration of the determination or appeals the decision within 10 days after the notification was mailed to the interested party's last-known address. The 10-day period may be extended for good cause.

(5) Except as provided in subsection (6), a redetermination of a claim for benefits may not be made after 2 years from the date of the initial determination.

(6) A redetermination may be made within 3 years from the date of the initial determination of a claim if the initial determination was based on a false claim, misrepresentation, or failure to disclose a material fact by the claimant or the employer.

The department is deemed to be a party to any judicial action involving any such decision and may be represented in any such action by an attorney employed by the department or, at the department's request, by the attorney general.

(2) Within 30 days after the date of notification or mailing of the decision of the board, any party aggrieved thereby may secure judicial review thereof by commencing an action in the district court of the county in which said party resides and in which action any other party to the proceeding before the board shall be made a defendant. It shall not be necessary in any judicial proceeding under this section to enter exceptions to the rulings of the board and no bond shall be required for entering such appeal. Upon the final determination of such judicial proceeding, the department shall enter an order in accordance with such determination.

(2) "Exhaustee" means an individual who, with respect to any week of unemployment in the eligibility period:

(a) has received, prior to such week, all of the regular benefits that were available under this chapter or any other state law, including dependents' allowances and benefits payable to federal civilian employees and ex-service personnel under 5 U.S.C. chapter 85, in the current benefit year that includes such week; provided that, for the purposes of this subsection, an individual shall be deemed to have received all of the regular benefits that were available although, as a result of a pending appeal with respect to wages that were not considered in the original monetary determination of the benefit year, the individual may subsequently be determined to be entitled to added regular benefits;

(b) the benefit year having expired prior to such week, has no or insufficient wages on the basis of which the individual could establish a new benefit year that would include such week;

(b) Computations required by the provisions of subsection (5)(a) shall be made by the department in accordance with regulations prescribed by the U.S. secretary of labor.

(6) "Regular benefits" means benefits payable to an individual under this chapter or under any other state law, including benefits payable to federal civilian employees and to ex-service personnel pursuant to 5 U.S.C. chapter 85, other than extended benefits.

**39-71-105. Declaration of public policy.** For the purposes of interpretng and applying Title 39, chapters 71 and 72, the following is the public policy f this state:

(1) It is an objective of the Montana workers' compensation system to rovide, without regard to fault, wage supplement and medical benefits to a orker suffering from a work-related injury or disease. Wage-loss benefits are ot intended to make an injured worker whole; they are intended to assist a orker at a reasonable cost to the employer. Within that limitation, the age-loss benefit should bear a reasonable relationship to actual wages lost as result of a work-related injury or disease.

(2) A worker's removal from the work force due to a work-related injury r disease has a negative impact on the worker, the worker's family, the mployer, and the general public. Therefore, it is an objective of the workers' ompensation system to return a worker to work as soon as possible after the orker has suffered a work-related injury or disease.

(3) Montana's workers' compensation and occupational disease insurance ystems are intended to be primarily self-administering. Claimants should be ble to speedily obtain benefits, and employers should be able to provide overage at reasonably constant rates. To meet these objectives, the system ust be designed to minimize reliance upon lawyers and the courts to obtain enefits and interpret liabilities.

(4) Title 39, chapters 71 and 72, must be construed according to their rms and not liberally in favor of any party.

(5) It is the intent of the legislature that stress claims, often referred to as mental-mental claims" and "mental-physical claims", are not compensable nder Montana's workers' compensation and occupational disease laws. The gislature recognizes that these claims are difficult to objectively verify and at the claims have a potential to place an economic burden on the workers' mpensation and occupational disease system. The legislature also recognizes at there are other states that do not provide compensation for various tegories of stress claims and that stress claims have presented economic roblems for certain other jurisdictions. In addition, not all injuries are mpensable under the present system, as is the case with repetitive injury aims, and it is within the legislature's authority to define the limits of the orkers' compensation and occupational disease system.
**History: En. Sec. 1, Ch. 464, L. 1987; amd. Sec. 1, Ch. 630, L. 1993.**

**39-71-106. No liability for reporting violation.** A person, including t not limited to an insurer or an employer, may not be held liable for civil amages as a result of reporting in good faith information that the person lieves proves a violation of the provisions of chapter 72 or this chapter.
**History: En. Sec. 17, Ch. 619, L. 1993.**

**39-71-107. Insurers to act promptly on claims.** (1) Pursuant to the blic policy stated in 39-71-105, prompt claims handling practices are necessary to provide appropriate service to injured workers, to employers, and to providers who are the customers of the workers' compensation system.

(2) An insurer shall provide to the claimant:

(a) a written statement of the reasons that a claim is being denied at the time of denial;

(b) whenever benefits requested by a claimant are denied, a written explanation of how the claimant may appeal an insurer's decision; and

(c) a written explanation of the amount of wage loss benefits being paid to the claimant, along with an explanation of the calculation used to compute those benefits. The explanation must be sent within 7 days of the initial payment of the benefit.

(3) An insurer shall:

(a) each person in this state, including a contractor other than an independent contractor, who is in the service of an employer, as defined by 39-71-117, under any appointment or contract of hire, expressed or implied, oral or written. The terms include aliens and minors, whether lawfully or unlawfully employed, and all of the elected and appointed paid public officers and officers and members of boards of directors of quasi-public or private corporations, except those officers identified in 39-71-401(2), while rendering actual service for the corporations for pay. Casual employees, as defined by 39-71-116, are included as employees if they are not otherwise covered by workers' compensation and if an employer has elected to be bound by the provisions of the compensation law for these casual employments, as provided in 39-71-401(2). Household or domestic employment is excluded.

(b) any juvenile who is performing work under authorization of a district court judge in a delinquency prevention or rehabilitation program;

(c) a person who is receiving on-the-job vocational rehabilitation training or other on-the-job training under a state or federal vocational training program, whether or not under an appointment or contract of hire with an employer, as defined in this chapter, and, except as provided in subsection (9), whether or not receiving payment from a third party. However, this subsection does not apply to students enrolled in vocational training programs, as outlined in this subsection, while they are on the premises of a public school or community college.

(e) a person, other than a juvenile as defined in subsection (1)(b), who is performing community service for a nonprofit organization or association or for a federal, state, or local government entity under a court order, or an order from a hearings officer as a result of a probation or parole violation, whether or not under appointment or contract of hire with an employer, as defined in this chapter, and whether or not receiving payment from a third party. For a person covered by the definition in this subsection (1)(e):

(i) compensation benefits must be limited to medical expenses pursuant to 39-71-704 and an impairment award pursuant to 39-71-703 that is based upon the minimum wage established under Title 39, chapter 3, part 4, for a full-time employee at the time of the injury; and

(ii) premiums must be paid by the employer, as defined in 39-71-117(3), and must be based upon the minimum wage established under Title 39, chapter 3, part 4, for the number of hours of community service required under the order from the court or hearings officer.

(c) A change in elected wages must be in writing and is effective at the start of the next quarter following notification.

(d) All weekly compensation benefits must be based on the amount of elected wages, subject to the minimum and maximum limitations of this subsection. For premium ratemaking and for the determination of weekly wage for weekly compensation benefits, the electing employer may elect not less than $900 a month and not more than 1 ½ times the average weekly wage, as defined in this chapter.

this chapter any volunteer firefighter. A volunteer firefighter who receives workers' compensation coverage under this section may not receive disability benefits under Title 19, chapter 17.

(b) In the event of an election, the employer shall report payroll for all volunteer firefighters for premium and weekly benefit purposes based on the number of volunteer hours of each firefighter times the average weekly wage divided by 40 hours, subject to a maximum of 1 ½ times the average weekly wage.

(8) Except as provided in chapter 8 of this title, an employee or worker in this state whose services are furnished by a person, association, contractor, firm, limited liability company, limited liability partnership, or corporation, other than a temporary service contractor, to an employer, as defined in 39-71-117, is presumed to be under the control and employment of the employer. This presumption may be rebutted as provided in 39-71-117(3).

(9) A student currently enrolled in an elementary, secondary, or postsecondary educational institution who is participating in work-based learning activities and who is paid wages by the educational institution or business partner is the employee of the entity that pays the student's wages for all purposes under this chapter. A student who is not paid wages by the business partner or the educational institution is a volunteer and is subject to the provisions of this chapter.

**39-71-123. Wages defined.** (1) "Wages" means all remuneration paid for services performed by an employee for an employer, or income provided for in subsection (1)(d). Wages include the cash value of all remuneration paid in any medium other than cash. The term includes but is not limited to:

(a) commissions, bonuses, and remuneration at the regular hourly rate for overtime work, holidays, vacations, and sickness periods;

(b) back pay or any similar pay made for or in regards to previous service by the employee for the employer, other than retirement or pension benefits from a qualified plan;

(c) tips or other gratuities received by the employee, to the extent that tips or gratuities are documented by the employee to the employer for tax purposes;

(d) income or payment in the form of a draw, wage, net profit, or substitute for money received or taken by a sole proprietor or partner, regardless of whether the sole proprietor or partner has performed work or provided services for that remuneration;

(e) board, lodging, rent, or housing if it constitutes a part of the employee's remuneration and is based on its actual value; and

(f) payments made to an employee on any basis other than time worked, including but not limited to piecework, an incentive plan, or profit-sharing arrangement.

(2) The term "wages" does not include any of the following:

(a) employee expense reimbursements or allowances for meals, lodging, travel, subsistence, and other expenses, as set forth in department rules;

(b) the amount of the payment made by the employer for employees, if the payment was made for:

(i) retirement or pension pursuant to a qualified plan as defined under the provisions of the Internal Revenue Code;

(ii) sickness or accident disability under a workers' compensation policy;

(iii) medical or hospitalization expenses in connection with sickness or accident disability, including health insurance for the employee or the employee's immediate family; or

(iv) death, including life insurance for the employee or the employee's immediate family;

(c) vacation or sick leave benefits accrued but not paid; or

(d) special rewards for individual invention or discovery.

(3) (a) Except as provided in subsection (3)(b), for compensation benefit purposes, the average actual earnings for the four pay periods immediately preceding the injury are the employee's wages, except that if the term of employment for the same employer is less than four pay periods, the employee's wages are the hourly rate times the number of hours in a week for which the employee was hired to work.

(b) For good cause shown, if the use of the last four pay periods does not accurately reflect the claimant's employment history with the employer, the wage may be calculated by dividing the total earnings for an additional period of time, not to exceed 1 year prior to the date of injury, by the number of weeks in that period, including periods of idleness or seasonal fluctuations.

(4) (a) For the purpose of calculating compensation benefits for an employee working concurrent employments, the average actual wages must be calculated as provided in subsection (3). As used in this subsection, "concurrent employment" means employment in which the employee was actually employed at the time of the injury and would have continued to be employed without a break in the term of employment if not for the injury.

(b) The compensation benefits for a covered volunteer must be based on the average actual wages in the volunteer's regular employment, except self-employment as a sole proprietor or partner who elected not to be covered, from which the volunteer is disabled by the injury incurred.

(c) The compensation benefits for an employee working at two or more concurrent remunerated employments must be based on the aggregate of average actual wages of all employments, except self-employment as a sole proprietor or partner who elected not to be covered, from which the employee is disabled by the injury incurred.

**39-71-201.** *(Temporary)* **Administration fund.** (1) A workers' compensation administration fund is established out of which all costs of administering the Workers' Compensation and Occupational Disease Acts and the statutory occupational safety acts the department must administer, with the exception of the subsequent injury fund, as provided for in 39-71-907, and the uninsured employers' fund, are to be paid upon lawful appropriation. The department shall collect and deposit in the state treasury to the credit of the workers' compensation administrative fund:

(a) all fees and penalties provided in 39-71-205, 39-71-223, 39-71-304, 39-71-307, 39-71-308, 39-71-315, 39-71-316, 39-71-401(6), 39-71-2204, 39-71-2205, and 39-71-2337; and

(b) all fees paid by an assessment on each plan No. 1 employer, plan No. 2 insurer, and plan No. 3, the state fund. The assessments must be levied against the preceding calendar year's gross annual payroll of the plan No. 1 employers and the gross annual direct premiums collected in Montana on the policies of the plan No. 2 insurers, insuring employers covered under the chapter, during the preceding calendar year. However, an assessment of the plan No. 1 employer or plan No. 2 insurer may not be less than $500. If at any time during the fiscal year a plan No. 1 employer is granted permission to self-insure or a plan No. 2 insurer is authorized to insure employers under this chapter, that plan No. 1 employer or plan No. 2 insurer is subject to assessment. The assessments must be sufficient to fund the direct costs identified to the three plans and an equitable portion of the indirect costs based on the ratio of the preceding fiscal year's indirect costs distributed to the plans, using proper accounting and cost allocation procedures. Plan No. 3 must be assessed an amount sufficient to fund the direct costs and an equitable portion of the indirect costs of regulating plan No. 3. Other sources of revenue, including unexpended funds from the preceding fiscal year, must be used to reduce the costs before levying the assessments.

(2) The administration fund must be debited with expenses incurred by the department in the general administration of the provisions of this chapter, including the salaries of its members, officers, and employees and the travel expenses of the members, officers, and employees, as provided for in 2-18-501 through 2-18-503, as amended, incurred while on the business of the department either within or without the state.

(3) Disbursements from the administration money must be made after being approved by the department upon a claim. *(Terminates June 30, 1999—sec. 8, Ch. 385, L. 1997.)*

The assessments must be 2.6% of the following benefits paid during the preceding calendar year for injuries covered by the Workers' Compensation Act and the Occupational Disease Act without regard to the application of any deductible whether the employer or the insurer pays the losses:

(B) owns less than 20% of the number of shares of stock in the corporation or limited liability company if the officer's or manager's shares when aggregated with the shares owned by a person or persons listed in subsection (2)(q)(iv) total 20% or more of the number of shares in the corporation or limited liability company; or

(iv) the officer or manager is the spouse, child, adopted child, stepchild, mother, father, son-in-law, daughter-in-law, nephew, niece, brother, or sister of a corporate officer who meets the requirements of subsection (2)(q)(iii)(A) or (2)(q)(iii)(B).

(r) a person who is an officer or a manager of a ditch company as defined in 27-1-731;

(s) service performed by an ordained, commissioned, or licensed minister of a church in the exercise of the church's ministry or by a member of a religious order in the exercise of duties required by the order.

(3) (a) A sole proprietor, a working member of a partnership, a working member of a limited liability partnership, or a working member of a member-managed limited liability company who represents to the public that the person is an independent contractor shall elect to be bound personally and individually by the provisions of compensation plan No. 1, 2, or 3 but may apply to the department for an exemption from the Workers' Compensation Act.

(b) The application must be made in accordance with the rules adopted by the department. There is a $25 fee for the initial application. Any subsequent application renewal must be accompanied by a $25 application fee. The application fee must be deposited in the administration fund established in 39-71-201 to offset the costs of administering the program.

(c) When an application is approved by the department, it is conclusive as to the status of an independent contractor and precludes the applicant from obtaining benefits under this chapter.

(d) The exemption, if approved, remains in effect for 3 years following the date of the department's approval. To maintain the independent contractor status, an independent contractor shall every 3 years submit a renewal application. A renewal application must be submitted for all independent contractor exemptions approved on or after July 1, 1995. The renewal application and the $25 renewal application fee must be received by the department at least 30 days before the anniversary date of the previously approved exemption.

(e) A person who makes a false statement or misrepresentation concerning that person's status as an exempt independent contractor is subject to a civil penalty of $1,000. The department may impose the penalty for each false statement or misrepresentation. The penalty must be paid to the uninsured employers' fund. The lien provisions of 39-71-506 apply to the penalty imposed by this section.

(f) If the department denies the application for exemption, the applicant may contest the denial by petitioning for review of the decision by an appeals referee in the manner provided for in 39-51-1109. An applicant dissatisfied with the decision of the appeals referee may appeal the decision in accordance with the procedure established in 39-51-2403 and 39-51-2404.

(4) (a) A corporation or a manager-managed limited liability company shall provide coverage for its employees under the provisions of compensation plan No. 1, 2, or 3. A quasi-public corporation, a private corporation, or a manager-managed limited liability company may elect coverage for its corporate officers or managers, who are otherwise exempt under subsection (2), by giving a written notice in the following manner:

(i) if the employer has elected to be bound by the provisions of compensation plan No. 1, by delivering the notice to the board of directors of the corporation or to the management organization of the manager-managed limited liability company; or

(ii) if the employer has elected to be bound by the provisions of compensation plan No. 2 or 3, by delivering the notice to the board of directors of the corporation or to the management organization of the manager-managed limited liability company and to the insurer.

(b) If the employer changes plans or insurers, the employer's previous election is not effective and the employer shall again serve notice to its insurer and to its board of directors or the management organization of the manager-managed limited liability company if the employer elects to be bound.

(5) The appointment or election of an employee as an officer of a corporation, a partner in a partnership, a partner in a limited liability partnership, or a member in or a manager of a limited liability company for the purpose of exempting the employee from coverage under this chapter does not entitle the officer, partner, member, or manager to exemption from coverage.

(6) Each employer shall post a sign in the workplace at the locations where notices to employees are normally posted, informing employees about the employer's current provision of workers' compensation insurance. A workplace is any location where an employee performs any work-related act in the course of employment, regardless of whether the location is temporary or permanent, and includes the place of business or property of a third person while the employer has access to or control over the place of business or property for the purpose of carrying on the employer's usual trade, business, or occupation. The sign must be provided by the department, distributed through insurers or directly by the department, and posted by employers in accordance with rules adopted by the department. An employer who purposely or knowingly fails to post a sign as provided in this subsection is subject to a $50 fine for each citation.

(2) Except as provided in subsection (5), if a worker from another state and the worker's employer from another state are temporarily engaged in work within this state, this chapter does not apply to them:

(a) if the employer and employee are bound by the provisions of the workers' compensation law or similar law of the other state that applies to them while they are in the state of Montana; and

(b) if the Workers' Compensation Act of this state is recognized and given effect as the exclusive remedy for workers employed in this state who are injured while temporarily employed in the other state.

(3) A certificate from an authorized officer of the workers' compensation department or similar agency of another state certifying that an employer of the other state is bound by the Workers' Compensation Act of the state and that its act will be applied to employees of the employer while in the state of Montana is prima facie evidence of the application of the workers' compensation law of the certifying state.

(4) The department may, with the approval of the governor, enter into agreements with workers' compensation agencies of other states for the purpose of promulgating regulations not inconsistent with the provisions of this chapter to carry out the extraterritorial application of the workers' compensation laws of the agreeing states.

**39-71-403. Plan three exclusive for state agencies — election of plan by other public corporations — financing of self-insurance fund.**

(1) If a state agency is the employer, the terms, conditions, and provisions of compensation plan No. 3, state fund, are exclusive, compulsory, and obligatory upon both employer and employee. Any sums necessary to be paid under the provisions of this chapter by any state agency are considered to be ordinary and necessary expense of the agency. The agency shall make appropriation of and pay the sums into the state fund at the time and in the manner provided for in this chapter, notwithstanding that the state agency may have failed to anticipate the ordinary and necessary expense in any budget, estimate of expenses, appropriations, ordinances, or otherwise.

(2) A public corporation, other than a state agency, may elect coverage under compensation plan No. 1, plan No. 2, or plan No. 3, separately or jointly with any other public corporation other than a state agency. A public corporation electing compensation plan No. 1 may purchase reinsurance or issue bonds or notes pursuant to subsection (3)(b). A public corporation electing compensation plan No. 1 is subject to the same provisions as a private employer electing compensation plan No. 1.

(3) (a) A public corporation, other than a state agency, that elects plan No. 1 may establish a fund sufficient to pay the compensation and benefits provided for in this chapter and chapter 72 and to discharge all liabilities that reasonably incur during the fiscal year for which the election is effective. Proceeds from the fund must be used only to pay claims covered by this chapter and chapter 72 and for actual and necessary expenses required for the efficient administration of the fund, including debt service on any bonds and notes issued pursuant to subsection (3)(b).

(b) (i) A public corporation, other than a state agency, separately or jointly with another public corporation, other than a state agency, may issue and sell its bonds and notes for the purpose of establishing, in whole or in part, the self-insurance workers' compensation fund provided for in subsection (3)(a) and to pay the costs associated with the sale and issuance of the bonds. Bonds and notes may be issued in an amount not exceeding 3% of the taxable valuation of the public corporation as of the date of issue. The bonds and notes must be authorized by resolution of the governing body of the public corporation and are payable from an annual property tax levied in the amount necessary to pay principal and interest on the bonds or notes. This authority to levy an annual property tax exists despite any provision of law or maximum levy limitation to the contrary. The revenues derived from the sale of the bonds and notes may not be used for any other purpose.

(ii) The bonds and notes:

(A) may be sold at public or private sale;

(B) do not constitute debt within the meaning of any statutory debt limitation; and

(C) may contain other terms and provisions as the governing body determines.

(iii) Two or more public corporations, other than state agencies, may agree to exercise their respective borrowing powers jointly under this subsection (3)(b) or may authorize a joint board to exercise the powers on their behalf.

(iv) The fund established from the proceeds of bonds and notes issued and sold under this subsection (3)(b) may, if sufficient, be used in lieu of a surety bond, reinsurance, specific and aggregate excess insurance, or any other form of additional security necessary to demonstrate the public corporation's ability to discharge all liabilities as provided in subsection (3)(a). Subject to the 3% of taxable valuation limitation in subsection (3)(b)(i), a public corporation may issue bonds and notes to establish a fund sufficient to discharge liabilities for periods greater than 1 year.

(4) All money in the fund established under subsection (3)(a) not needed to meet immediate expenditures must be invested by the governing body of the public corporation or the joint board created by two or more public corporations as provided in subsection (3)(b)(iii), and all proceeds of the investment must be credited to the fund.

Any insurer who becomes liable for payment of benefits may recover the amount of benefits paid and to be paid and necessary expenses from the contractor primarily liable therein.

(2) Where an employer contracts to have any work to be done by a contractor other than an independent contractor, and the work so contracted to be done is a part or process in the trade or business of the employer, then the employer is liable to pay all benefits under this chapter to the same extent as if the work were done without the intervention of the contractor, and the work so contracted to be done shall not be construed to be casual employment. Where an employer contracts work to be done as specified in this subsection, the contractor and the contractor's employees shall come under that plan of compensation adopted by the employer.

(3) Where an employer contracts any work to be done, wholly or in part for the employer, by an independent contractor, where the work so contracted to be done is casual employment as to such employer, then the contractor shall become the employer for the purposes of this chapter.

**39-71-407. Liability of insurers — limitations.** (1) Each insurer is liable for the payment of compensation, in the manner and to the extent provided in this section, to an employee of an employer that it insures who receives an injury arising out of and in the course of employment or, in the case of death from the injury, to the employee's beneficiaries, if any.

(2) (a) An insurer is liable for an injury, as defined in 39-71-119, if the injury is established by objective medical findings and if the claimant establishes that it is more probable than not that:

(i) a claimed injury has occurred; or

(ii) a claimed injury aggravated a preexisting condition.

(b) Proof that it was medically possible that a claimed injury occurred or that the claimed injury aggravated a preexisting condition is not sufficient to establish liability.

(3) An employee who suffers an injury or dies while traveling is not covered by this chapter unless:

(a) (i) the employer furnishes the transportation or the employee receives reimbursement from the employer for costs of travel, gas, oil, or lodging as a part of the employee's benefits or employment agreement; and

(ii) the travel is necessitated by and on behalf of the employer as an integral part or condition of the employment; or

(b) the travel is required by the employer as part of the employee's job duties.

(4) An employee is not eligible for benefits otherwise payable under this chapter if the employee's use of alcohol or drugs not prescribed by a physician is the major contributing cause of the accident. However, if the employer had knowledge of and failed to attempt to stop the employee's use of alcohol or drugs, this subsection does not apply.

(5) If a claimant who has reached maximum healing suffers a subsequent nonwork-related injury to the same part of the body, the workers' compensation insurer is not liable for any compensation or medical benefits caused by the subsequent nonwork-related injury.

(6) An employee is not eligible for benefits payable under this chapter unless the entitlement to benefits is established by objective medical findings that contain sufficient factual and historical information concerning the relationship of the worker's condition to the original injury.

(7) As used in this section, "major contributing cause" means a cause that is the leading cause contributing to the result when compared to all other contributing causes.

**39-71-412. Liability of third party other than employer or fellow employee — additional cause of action.** The right to compensation and medical benefits as provided by this chapter is not affected by the fact that the injury, occupational disease, or death is caused by the negligence of a third party other than the employer or the servants or employees of the employer. Whenever such event occurs to an employee while performing the duties of his employment and such event is caused by the act or omission of some persons or corporations other than his employer or the servants or employees of his employer, the employee or in case of his death his heirs or personal representative shall, in addition to the right to receive compensation under this chapter, have a right to prosecute any cause of action he may have for damages against such persons or corporations.

**39-71-413. Liability of fellow employee for intentional and malicious acts or omissions — additional cause of action.** If an employee receives an injury while performing the duties of his employment and the injury or injuries so received by the employee are caused by the intentional and malicious act or omission of a servant or employee of his employer, then the employee or in case of his death his heirs or personal representatives shall, in addition to the right to receive compensation under the Workers' Compensation Act, have a right to prosecute any cause of action he may have for damages against the servants or employees of his employer causing the injury.

**39-71-414. Subrogation.** (1) If an action is prosecuted as provided for in 39-71-412 or 39-71-413 and except as otherwise provided in this section, the insurer is entitled to subrogation for all compensation and benefits paid or to be paid under the Workers' Compensation Act. The insurer's right of subrogation is a first lien on the claim, judgment, or recovery.

(2) (a) If the injured employee intends to institute the third-party action, the employee shall give the insurer reasonable notice of the intention to institute the action.

(b) The injured employee may request that the insurer pay a proportionate share of the reasonable cost of the action, including attorney fees.

(c) The insurer may elect not to participate in the cost of the action. If this election is made, the insurer waives 50% of its subrogation rights granted by this section.

(d) If the injured employee or the employee's personal representative institutes the action, the employee is entitled to at least one-third of the amount recovered by judgment or settlement less a proportionate share of reasonable costs, including attorney fees, if the amount of recovery is insufficient to provide the employee with that amount after payment of subrogation.

(3) If an injured employee refuses or fails to institute the third-party action within 1 year from the date of injury, the insurer may institute the action in the name of the employee and for the employee's benefit or that of the employee's personal representative. If the insurer institutes the action, it shall pay to the employee any amount received by judgment or settlement that is in excess of the amounts paid or to be paid under the Workers' Compensation Act after the insurer's reasonable costs, including attorney fees for prosecuting the action, have been deducted from the recovery.

(4) An insurer may enter into compromise agreements in settlement of subrogation rights.

(5) Regardless of whether the amount of compensation and other benefits payable under the Workers' Compensation Act have been fully determined, the insurer and the claimant's heirs or personal representative may stipulate the proportion of the third-party settlement to be allocated under subrogation. Upon review and approval by the department, the agreement constitutes a compromise settlement of the issue of subrogation. A dispute between the insurer and claimant concerning subrogation is a dispute subject to the mediation requirements of 39-71-2401.

(6) (a) The insurer is entitled to full subrogation rights under this section, unless the claimant is able to demonstrate damages in excess of the workers' compensation benefits and the third-party recovery combined. If the insurer is entitled to subrogation under this section, the insurer may subrogate against the entire settlement or award of a third-party claim brought by the claimant or the claimant's personal representative without regard to the nature of the damages.

(b) If a survival action does not exist and the parties reach a settlement of a wrongful death claim without apportionment of damages by a court or jury, the insurer may subrogate against the entire settlement amount, without regard to the parties' apportionment of the damages, unless the insurer is a party to the settlement agreement.

(7) Regardless of whether the amount of compensation and other benefits payable have been fully determined, the insurer and the claimant may stipulate the proportion of the third-party settlement to be allocated under subrogation.

Upon review and approval by the department, the agreement constitutes a compromise settlement of the issue of subrogation. A dispute between the insurer and claimant concerning subrogation is a dispute subject to the mediation requirements of 39-71-2401.

**39-71-434. Deductible insurance policy provision for medical benefits.** (1) In order to lower the amount an employer is required to pay to obtain workers' compensation insurance coverage under this chapter, a workers' compensation policy issued by the state compensation insurance fund under plan No. 3 or by a private insurer under plan No. 2 must offer a deductible for the medical, hospital, and related services allowed under 39-71-704. The medical deductible must be offered in amounts of at least $500.

(2) If the insured employer chooses to accept a medical deductible, the insured employer is liable for the amount of the deductible for the medical benefits paid for each otherwise compensable claim of work injury suffered by an employee.

(3) The insured employer shall contract with the insurer to have the insurer pay the entire cost of the covered medical benefits directly to the

provider of medical or related services and then seek reimbursement from the insured employer for the deductible amount. The insurer is entitled to reimbursement only for medical, hospital, and related services allowed under 39-71-704, up to the amount of the deductible.

(4) If an insured employer who has contracted with an insurer for a medical deductible does not pay the medical deductible amount to the insurer through reimbursement, the amount paid by the insurer on the claim may be included as benefits paid in a determination of the insured employer's rate.

(5) If an insured employer chooses to accept a medical deductible, then for purposes of computing rates and rating plans, all medical losses incurred must be reported to the insurer without regard to the application of any medical deductible regardless of whether the employer or the insurer pays the losses.

**History: En. Sec. 1, Ch. 641, L. 1989; amd. Sec. 1, Ch. 666, L. 1991; amd. Sec. 1, Ch. 248, L. 1993.**

**39-71-435. Workers' compensation and employers' liability insurance — optional deductibles.** (1) An insurer issuing a workers' compensation or an employer's liability insurance policy may offer to the policyholder, as part of the policy or by endorsement, optional deductibles for benefits payable under the policy consistent with the standards contained in subsection (3).

(2) The advisory organization designated under 33-16-1023 may develop and file a deductible plan or plans on behalf of its members consistent with the standards contained in subsection (3).

(3) The commissioner of insurance shall approve a deductible plan that is in accordance with the following standards:

(a) Claimants' rights are properly protected and claimants' benefits are paid without regard to the deductible.

(b) Premium reductions reflect the type and level of the deductible, consistent with accepted actuarial standards.

(c) Premium reductions for deductibles are determined before application of any experience modification, premium surcharge, or premium discount.

(d) Recognition is given to policyholder characteristics, including but not limited to size, financial capabilities, nature of activities, and number of employees.

(e) The policyholder is liable to the insurer for the deductible amount in regard to benefits paid for compensable claims.

(f) The insurer pays all of the deductible amount applicable to a compensable claim to the person or provider entitled to benefits and then seeks reimbursement from the policyholder for the applicable deductible amount.

(g) Failure by the policyholder to reimburse deductible amounts to the insurer is treated under the policy as nonpayment of premium.

(h) Losses subject to the deductible must be reported and recorded as losses for purposes of calculating rates for a policyholder on the same basis as losses under policies providing first dollar coverage.

(4) The state compensation insurance fund, plan No. 3, may adopt the plan filed by the designated advisory organization or adopt an optional deductible plan that meets the requirements of this section.

(5) For purposes of 39-71-201, liability for assessments must be ascertained based on premiums collected, in the case of policies written under

plan No. 2, or on the assessment levied, in the case of policies written under plan No. 3, for which the policyholder would have been obligated without the deductible. For all other taxes and assessments based on premium, the amount of premium or assessment must be determined after application of the deductible.

(2) When the department discovers a person, business, or other entity functioning as a prime contractor that has subcontracted for the services of an uninsured employer, it may order the person, business, or other entity functioning as a prime contractor to cause all operations performed by the uninsured employer to cease at worksites controlled by the prime contractor until the uninsured employer has elected to be bound by a compensation plan. If after 3 business days following the order by the department the person, business, or other entity functioning as a prime contractor has not complied with the order, the department may order the prime contractor to cease all operations at the affected worksites.

(3) An employer who does not comply with the department's order to cease operations is guilty of a misdemeanor. Each day of violation is a separate offense. The county attorney may prosecute a criminal action under this subsection in the county in which the violation occurs. Prosecution under this

Each day of violation is a separate offense. The county attorney may prosecute a criminal action under this subsection in the county in which the violation occurs. Prosecution under this subsection does not bar the department from enforcing its order by a civil action. In addition, the department may assess a penalty against the person, business, or other entity functioning as a prime contractor of not more than $1,000 per day for each day of violation.

(5) The department may institute and maintain in the name of the state, through the attorney general or the county attorney of the county in which the violation occurs, an action for an injunction order or other civil remedy in district court to enforce its order to cease operations.

(6) The remedies provided in 39-71-506 and subsections (3) through (5) of this section are not mutually exclusive and may be pursued concurrently.

**39-71-508. Coordination of remedies.** An employee who suffers an injury arising out of and in the course of employment while working for an uninsured employer as defined in 39-71-501 or an employee's beneficiaries in injuries resulting in death may pursue all remedies concurrently, including but not limited to:

(1) a claim for benefits from the uninsured employers' fund;

(2) a damage action against the employer in accordance with 39-71-509;

(3) an independent action against an employer as provided in 39-71-515; or

(4) any other civil remedy provided by law.

**39-71-509. Action against uninsured employer — limitation of employer's defenses.** If an injured employee or the employee's beneficiaries bring an action to recover damages for personal injuries sustained or for death resulting from personal injuries so sustained, it is not a defense for the employer that the:

(1) employee was negligent unless such negligence was willful;

(2) injury was caused by the negligence of a fellow employee; or

(3) employee had assumed the risks inherent in, incident to, or arising out of his employment or arising from the failure of the employer to provide and maintain a reasonably safe place to work or reasonably safe tools or appliances.

**39-71-510. Limitation on benefit entitlement under fund.** Notwithstanding the provisions of 39-71-407, 39-71-502, and 39-71-503, injured employees or an employee's beneficiaries who pursue a claim for benefits from the uninsured employers' fund are not granted an entitlement by this state for full workers' compensation benefits from the fund. Benefits from the fund must be paid in accordance with the sums in the fund. If the department determines at any time that the sums in the fund are not adequate to fully pay all claims, the department may make appropriate proportionate reductions in benefits to all claimants. The reductions do not entitle claimants to retroactive reimbursements in the future.

**39-71-511. Setoffs to claim against fund.** A claim for benefits from the uninsured employer's fund must be discharged, finally or periodically, to the extent that an employee or the employee's beneficiaries receive actual monetary compensation by judgment or settlement from the uninsured employer, a third party who shares liability as defined in 39-71-412, or a fellow employee who shares liability as defined in 39-71-413.

**39-71-512 through 39-71-514 reserved.**

**39-71-515. Independent cause of action.** (1) An injured employee or the employee's beneficiaries have an independent cause of action against an uninsured employer for failure to be enrolled in a compensation plan as required by this chapter.

(2) In such an action, prima facie liability of the uninsured employer exists if the claimant proves, by a preponderance of the evidence, that:

(a) the employer was required by law to be enrolled under compensation plan No. 1, 2, or 3 with respect to the claimant; and

(b) the employer was not so enrolled on the date of the injury or death.

(3) It is not a defense to such an action that the employee had knowledge of or consented to the employer's failure to carry insurance or that the employee was negligent in permitting such failure to exist.

(4) The amount of recoverable damages in such an action is the amount of compensation that the employee would have received had the employer been properly enrolled under compensation plan No. 1, 2, or 3.

(5) A plaintiff who prevails in an action brought under this section is entitled to recover reasonable costs and attorney fees incurred in the action, in addition to his damages.

**39-71-602. Statute of limitation not to apply during minority or mental incompetency unless guardian appointed.** No limitation of time as provided in 39-71-601 or in this chapter, known as the Workers' Compensation Act, shall run as against any injured worker who is mentally incompetent and without a guardian or an injured minor under 18 years of age who may be without a parent or guardian. A guardian in either case may be appointed by any court of competent jurisdiction, in which event the period of limitations as provided for in 39-71-601 shall begin to run on the date of appointment of such guardian or when such minor arrives at 18 years of age, whichever date is earlier.

**39-71-603. Notice of injuries other than death to be submitted within thirty days.** (1) A claim to recover benefits under the Workers' Compensation Act for injuries not resulting in death may not be considered compensable unless, within 30 days after the occurrence of the accident that is claimed to have caused the injury, notice of the time and place where the accident occurred and the nature of the injury is given to the employer or the employer's insurer by the injured employee or someone on the employee's behalf. Actual knowledge of the accident and injury on the part of the employer or the employer's managing agent or superintendent in charge of the work in which the injured employee was engaged at the time of the injury is equivalent to notice.

(2) If a sole proprietor, partner, manager of a manager-managed limited liability company, member of a member-managed limited liability company, or corporate officer covered under this chapter is injured in an accident, the sole proprietor, partner, manager, member, or corporate officer or an appointed designee shall, within 30 days, notify the insurer of the time and location of the accident and the nature of the injury.

**39-71-604. Application for compensation.** (1) If a worker is entitled to benefits under this chapter, the worker shall file with the insurer all reasonable information needed by the insurer to determine compensability. It is the duty of the worker's attending physician to lend all necessary assistance in making application for compensation and such proof of other matters as may be required by the rules of the department without charge to the worker. The filing of forms or other documentation by the attending physician does not constitute a claim for compensation.

(2) If death results from an injury, the parties entitled to compensation or someone in their behalf shall file a claim with the insurer. The claim must be accompanied with proof of death and proof of relationship, showing the parties entitled to compensation, certificate of the attending physician, if any, and such other proof as may be required by the department.

**39-71-605. Examination of employee by physician — effect of refusal to submit to examination — report and testimony of physician — cost.** (1) (a) Whenever in case of injury the right to compensation under this chapter would exist in favor of any employee, the employee shall, upon the written request of the insurer, submit from time to time to examination by a physician, psychologist, or panel that must be provided and paid for by the insurer and shall likewise submit to examination from time to time by any physician, psychologist, or panel selected by the department or as ordered by the workers' compensation judge.

(b) The request or order for an examination must fix a time and place for the examination, with regard for the employee's convenience, physical condition, and ability to attend at the time and place that is as close to the employee's residence as is practical. An examination that is conducted by a physician, psychologist, or panel licensed in another state is not precluded under this section. The employee is entitled to have a physician present at any examination. If the employee, after written request, fails or refuses to submit to the examination or in any way obstructs the examination, the employee's right to compensation must be suspended and is subject to the provisions of 39-71-607. Any physician, psychologist, or panel employed by the insurer or the department who makes or is present at any examination may be required to testify as to the results of the examination.

(2) In the event of a dispute concerning the physical condition of a claimant or the cause or causes of the injury or disability, if any, the department or the workers' compensation judge, at the request of the claimant or insurer, as the case may be, shall require the claimant to submit to an examination as it considers desirable by a physician, psychologist, or panel within the state or elsewhere that has had adequate and substantial experience in the particular field of medicine concerned with the matters presented by the dispute. The

physician, psychologist, or panel making the examination shall file a written report of findings with the claimant and insurer for their use in the determination of the controversy involved. The requesting party shall pay the physician, psychologist, or panel for the examination.

(3) As used in this section, a panel includes a treating physician, as defined in 39-71-116, and may include a psychologist.

(4) A claimant is required, upon a written request of an insurer, to submit to a functional capacities evaluation conducted by a licensed physical therapist.

(5) This section does not apply to impairment evaluations provided for in 39-71-711.

**39-71-606. Insurer to accept or deny claim within thirty days of receipt — notice of benefits and entitlements to claimants — notice of denial — notice of reopening — notice to employer.** (1) Each insurer under any plan for the payment of workers' compensation benefits shall, within 30 days of receipt of a claim for compensation signed by the claimant or the claimant's representative, either accept or deny the claim and, if denied, shall inform the claimant and the department in writing of the denial.

(2) The department shall make available to insurers for distribution to claimants sufficient copies of a document describing current benefits and entitlements available under Title 39, chapter 71. Upon receipt of a claim, each insurer shall promptly notify the claimant in writing of potential benefits and entitlements available by providing the claimant a copy of the document prepared by the department.

(3) Each insurer under plan No. 2 or No. 3 for the payment of workers' compensation benefits shall notify the employer of the reopening of the claim within 14 days of the reopening of a claim for the purpose of paying compensation benefits.

(4) Upon the request of an employer that it insures, an insurer shall notify the employer of all compensation benefits that are ongoing and are being charged against that employer's account.

(5) Failure of an insurer to comply with the time limitations required in this section does not constitute an acceptance of a claim as a matter of law. However, an insurer who fails to comply with 39-71-608 or this section may be assessed a penalty under 39-71-2907 if a claim is determined to be compensable by the workers' compensation court.

*1997 Amendment:* Chapter 276 in (1), after "for compensation", inserted "signed by the claimant or the claimant's representative"; inserted (5) providing that failure by insurer to comply with time limitations is not acceptance of claim and authorizing assessment of a penalty for compensable claim; and made minor changes in style. Amendment effective April 16, 1997.

*Retroactive Applicability:* Section 33(2), Ch. 276, L. 1997, provided: "[Section 11] [39-71-606] applies retroactively, within the meaning of 1-2-109, to claims filed on or after March 27, 1973."

**39-71-607. Suspension of payments by insurer pending receipt of medical information.** Under rules adopted by the department, an insurer may suspend compensation payments pending the receipt of medical information when an injured worker unreasonably fails to keep scheduled medical appointments. If, after a medical examination, the injured worker is released to return to work, the worker forfeits the right to any suspended benefits.

**39-71-608. Payments within thirty days by insurer without admission of liability or waiver of defense authorized — notice.** An insurer may, after written notice to the claimant and the department, make payment of compensation benefits within 30 days of receipt of a claim for compensation without such payments being construed as an admission of liability or a waiver of any right of defense.

**39-71-609. Denial of claim after payments made or termination of all benefits or reduction to partial benefits by insurer — fourteen days' notice required — exception.** (1) Except as provided in subsection (2), if an insurer determines to deny a claim on which payments have been made under 39-71-608 during a time of further investigation or, after a claim has been accepted, terminates all biweekly compensation benefits, it may do so only after 14 days' written notice to the claimant, the claimant's authorized representative, if any, and the department. For injuries occurring prior to July 1, 1987, an insurer must give 14 days' written notice to the claimant before reducing benefits from total to partial. However, if an insurer has knowledge that a claimant has returned to work, compensation benefits may be terminated as of the time the claimant returned to work.

(2) Temporary total disability benefits may be terminated on the date that the worker has been released to return to work in some capacity.

**History: En. Sec. 1, Ch. 477, L. 1973; amd. Sec. 1, Ch. 173, L. 1974; R.C.M. 1947, 92-615(part); amd. Sec. 8, Ch. 103, L. 1979; amd. Sec. 5, Ch. 333, L. 1989; amd. Sec. 64, Ch. 613, L. 1989; amd. Sec. 10, Ch. 243, L. 1995.**

**39-71-610. Termination of benefits by insurer — department order to pay disputed benefits prior to hearing — limitation on order — right of reimbursement.** If an insurer terminates biweekly compensation benefits and the termination of compensation benefits is disputed by the claimant, the department may, upon written request, order an insurer to pay additional biweekly compensation benefits prior to a hearing, but in no event may the biweekly compensation benefits be ordered to be paid under this section for a period exceeding 49 days or for any period subsequent to the date of a hearing. If after a hearing it is held that the insurer was not liable for the compensation payments ordered by the department, the insurer has the right to be reimbursed for such payments by the claimant.

**39-71-611. Costs and attorneys' fees payable on denial of claim or termination of benefits later found compensable.** (1) The insurer shall pay reasonable costs and attorney fees as established by the workers' compensation court if:

(a) the insurer denies liability for a claim for compensation or terminates compensation benefits;

(b) the claim is later adjudged compensable by the workers' compensation court; and

(c) in the case of attorneys' fees, the workers' compensation court determines that the insurer's actions in denying liability or terminating benefits were unreasonable.

(2) A finding of unreasonableness against an insurer made under this section does not constitute a finding that the insurer acted in bad faith or violated the unfair trade practices provisions of Title 33, chapter 18.

Attorney fees, Title 25, ch. 10, part 3.

**39-71-612. Costs and attorneys' fees that may be assessed against an insurer by workers' compensation judge.** (1) If an insurer pays or submits a written offer of payment of compensation under chapter 71 or 72 of this title but controversy relates to the amount of compensation due, the case is brought before the workers' compensation judge for adjudication of the controversy, and the award granted by the judge is greater than the amount paid or offered by the insurer, a reasonable attorney's fee and costs as established by the workers' compensation judge if the case has gone to a hearing may be awarded by the judge in addition to the amount of compensation.

(2) An award of attorneys' fees under subsection (1) may only be made if it is determined that the actions of the insurer were unreasonable. Any written offer of payment made 30 days or more before the date of hearing must be considered a valid offer of payment for the purposes of this section.

(3) A finding of unreasonableness against an insurer made under this section does not constitute a finding that the insurer acted in bad faith or violated the unfair trade practices provisions of Title 33, chapter 18.

**39-71-613. Regulation of attorney fees — forfeiture of fee for noncompliance — return of fee when claimant received benefits through fraud or deception.** (1) When an attorney represents or acts on behalf of a claimant or any other party on any workers' compensation claim, the attorney shall submit to the department a contract of employment, on a form provided by the department, stating specifically the terms of the fee arrangement between the attorney and the claimant.

(2) The department may regulate the amount of the attorney fees in any workers' compensation case. In regulating the amount of the fee, the department shall consider:

(a) the benefits the claimant gained due to the efforts of the attorney;

(b) the time the attorney was required to spend on the case;

(c) the complexity of the case; and

(d) any other relevant matter the department may consider appropriate.

(3) An attorney who violates a provision of this section, a rule adopted under this section, or an order fixing attorney fees under this section forfeits the right to any fee that the attorney collected or was entitled to collect.

(4) If, after an attorney receives attorney fees and costs assessed against an insurer, the claimant is convicted of having obtained benefits through fraud or deception, the attorney fees and costs for obtaining the benefits must be returned to the insurer by the attorney.

**39-71-614. Calculation of attorney fees — limitation.** (1) The amount of an attorney's fee assessed against an insurer under 39-71-611 or 39-71-612 must be based exclusively on the time spent by the attorney in representing the claimant on the issues brought to hearing. The attorney must document the time spent, but the judge is not bound by the documentation submitted.

(2) The judge shall determine a reasonable attorney fee and assess costs. The hourly rate applied to the time spent must be based on the attorney's customary and current hourly rate for legal work performed in this state, subject to a maximum established by the department.

(3) This section does not restrict a claimant and an attorney from entering into a contingency fee arrangement under which the attorney receives a percentage of the amount of compensation payments received by the claimant because of the efforts of the attorney. However, an amount equal to any fee and costs assessed against an insurer under 39-71-611 or 39-71-612 and this section must be deducted from the fee an attorney is entitled to from the claimant under a contingency fee arrangement.

**39-71-615. Payment of medical claims without acceptance of liability.** (1) An insurer may pay a medical claim that is based upon the report of a nonwage loss injury or occupational disease without the payments being construed as an acceptance of liability for the claim.

(2) An insurer shall, within 10 days of making payment under subsection (1), notify the worker of the payment of the medical claim without acceptance of liability.

(3) Upon written request by a worker for the payment of indemnity benefits or for a determination of liability, the insurer shall investigate the claim to determine liability for the injury or occupational disease under 39-71-606 or 39-71-608.

**39-71-701. Compensation for temporary total disability — exception.** (1) Subject to the limitation in 39-71-736 and subsection (4) of this section, a worker is eligible for temporary total disability benefits:

(a) when the worker suffers a total loss of wages as a result of an injury and until the worker reaches maximum healing; or

(b) until the worker has been released to return to the employment in which the worker was engaged at the time of the injury or to employment with similar physical requirements.

(2) The determination of temporary total disability must be supported by a preponderance of objective medical findings.

(3) Weekly compensation benefits for injury producing temporary total disability are 66 ⅔% of the wages received at the time of the injury. The maximum weekly compensation benefits may not exceed the state's average weekly wage at the time of injury. Temporary total disability benefits must be paid for the duration of the worker's temporary disability. The weekly benefit amount may not be adjusted for cost of living as provided in 39-71-702(5).

(4) If the treating physician releases a worker to return to the same, a modified, or an alternative position that the individual is able and qualified to perform with the same employer at an equivalent or higher wage than the individual received at the time of injury, the worker is no longer eligible for temporary total disability benefits even though the worker has not reached maximum healing. A worker requalifies for temporary total disability benefits if the modified or alternative position is no longer available for any reason to the worker and the worker continues to be temporarily totally disabled, as defined in 39-71-116.

(5) In cases in which it is determined that periodic disability benefits granted by the Social Security Act are payable because of the injury, the weekly benefits payable under this section are reduced, but not below zero, by an amount equal, as nearly as practical, to one-half the federal periodic benefits for the week, which amount is to be calculated from the date of the disability social security entitlement.

(6) If the claimant is awarded social security benefits, the insurer may, upon notification of the claimant's receipt of social security benefits, suspend biweekly compensation benefits for a period sufficient to recover any resulting overpayment of benefits. This subsection does not prevent a claimant and insurer from agreeing to a repayment plan.

(7) A worker may not receive both wages and temporary total disability benefits without the written consent of the insurer. A worker who receives both wages and temporary total disability benefits without written consent of the insurer is guilty of theft and may be prosecuted under 45-6-301.

**39-71-702. Compensation for permanent total disability.** (1) If a worker is no longer temporarily totally disabled and is permanently totally disabled, as defined in 39-71-116, the worker is eligible for permanent total disability benefits. Permanent total disability benefits must be paid for the duration of the worker's permanent total disability, subject to 39-71-710.

(2) The determination of permanent total disability must be supported by a preponderance of objective medical findings.

(3) Weekly compensation benefits for an injury resulting in permanent total disability are 66 ⅔% of the wages received at the time of the injury. The maximum weekly compensation benefits may not exceed the state's average weekly wage at the time of injury.

(4) In cases in which it is determined that periodic disability benefits granted by the Social Security Act are payable because of the injury, the weekly benefits payable under this section are reduced, but not below zero, by an amount equal, as nearly as practical, to one-half the federal periodic benefits for the week, which amount is to be calculated from the date of the disability social security entitlement.

(5) A worker's benefit amount must be adjusted for a cost-of-living increase on the next July 1 after 104 weeks of permanent total disability benefits have been paid and on each succeeding July 1. A worker may not receive more than 10 adjustments. The adjustment must be the percentage increase, if any, in the state's average weekly wage as adopted by the department over the state's average weekly wage adopted for the previous year or 3%, whichever is less.

(6) A worker may not receive both wages and permanent total disability benefits without the written consent of the insurer. A worker who receives both wages and permanent total disability benefits without written consent of the insurer is guilty of theft and may be prosecuted under 45-6-301.

(7) If the claimant is awarded social security benefits, the insurer may, upon notification of the claimant's receipt of social security benefits, suspend biweekly compensation benefits for a period sufficient to recover any resulting overpayment of benefits. This subsection does not prevent a claimant and insurer from agreeing to a repayment plan.

**39-71-703. Compensation for permanent partial disability.** (1) If an injured worker suffers a permanent partial disability and is no longer entitled to temporary total or permanent total disability benefits, the worker is entitled to a permanent partial disability award if that worker:

(a) has an actual wage loss as a result of the injury; and

(b) has a permanent impairment rating that:

(i) is established by objective medical findings; and

(ii) is more than zero as determined by the latest edition of the American medical association Guides to the Evaluation of Permanent Impairment.

(2) When a worker receives an impairment rating as the result of a compensable injury and has no actual wage loss as a result of the injury, the worker is eligible for an impairment award only.

(3) The permanent partial disability award must be arrived at by multiplying the percentage arrived at through the calculation provided in subsection (5) by 350 weeks.

(4) A permanent partial disability award granted an injured worker may not exceed a permanent partial disability rating of 100%.

(5) The percentage to be used in subsection (3) must be determined by adding all of the following applicable percentages to the impairment rating:

(a) if the claimant is 40 years of age or younger at the time of injury, 0%; if the claimant is over 40 years of age at the time of injury, 1%;

(b) for a worker who has completed less than 12 years of education, 1%; for a worker who has completed 12 years or more of education or who has received a graduate equivalency diploma, 0%;

(c) if a worker has no actual wage loss as a result of the industrial injury, 0%; if a worker has an actual wage loss of $2 or less an hour as a result of the industrial injury, 10%; if a worker has an actual wage loss of more than $2 an hour as a result of the industrial injury, 20%. Wage loss benefits must be based on the difference between the actual wages received at the time of injury and the wages that the worker earns or is qualified to earn after the worker reaches maximum healing.

(d) if a worker, at the time of the injury, was performing heavy labor activity and after the injury the worker can perform only light or sedentary labor activity, 5%; if a worker, at the time of injury, was performing heavy labor activity and after the injury the worker can perform only medium labor activity, 3%; if a worker was performing medium labor activity at the time of the injury and after the injury the worker can perform only light or sedentary labor activity, 2%.

(6) The weekly benefit rate for permanent partial disability is 66 ⅔% of the wages received at the time of injury, but the rate may not exceed one-half the state's average weekly wage. The weekly benefit amount established for an injured worker may not be changed by a subsequent adjustment in the state's average weekly wage for future fiscal years.

(7) If a worker suffers a subsequent compensable injury or injuries to the same part of the body, the award payable for the subsequent injury may not duplicate any amounts paid for the previous injury or injuries.

(8) If a worker is eligible for a rehabilitation plan, permanent partial disability benefits payable under this section must be calculated based on the

wages that the worker earns or would be qualified to earn following the completion of the rehabilitation plan.

(9) As used in this section:

(a) "heavy labor activity" means the ability to lift over 50 pounds occasionally or up to 50 pounds frequently;

(b) "medium labor activity" means the ability to lift up to 50 pounds occasionally or up to 25 pounds frequently;

(c) "light labor activity" means the ability to lift up to 20 pounds occasionally or up to 10 pounds frequently; and

(d) "sedentary labor activity" means the ability to lift up to 10 pounds occasionally or up to 5 pounds frequently.

*1997 Amendments:* Chapter 42 in (3) substituted "subsection (5)" for "subsection (4)". Amendment effective March 12, 1997.

Chapter 276 in (9)(c), defining light labor activity, substituted "20 pounds" for "25 pounds". Amendment effective July 1, 1997.

*Effective Date — Applicability:* Section 34(2), Ch. 276, L. 1997, provided: "[Sections 7, 12 [39-71-703] through 14 and 29] are effective July 1, 1997, and apply to claims for injuries occurring on or after [the effective dates of sections 7, 12 through 14 and 29]."

**39-71-704. Payment of medical, hospital, and related services — fee schedules and hospital rates — fee limitation.** (1) In addition to the compensation provided under this chapter and as an additional benefit separate and apart from compensation benefits actually provided, the following must be furnished:

(a) After the happening of a compensable injury and subject to other provisions of this chapter, the insurer shall furnish reasonable primary medical services for conditions resulting from the injury for those periods as the nature of the injury or the process of recovery requires.

(b) The insurer shall furnish secondary medical services only upon a clear demonstration of cost-effectiveness of the services in returning the injured worker to actual employment.

(c) The insurer shall replace or repair prescription eyeglasses, prescription contact lenses, prescription hearing aids, and dentures that are damaged or lost as a result of an injury, as defined in 39-71-119, arising out of and in the course of employment.

(d) The insurer shall reimburse a worker for reasonable travel expenses incurred in travel to a medical provider for treatment of an injury only if the travel is incurred at the request of the insurer. Reimbursement must be at the rates allowed for reimbursement of travel by state employees.

(e) Except for the repair or replacement of a prosthesis furnished as a result of an industrial injury, the benefits provided for in this section terminate when they are not used for a period of 60 consecutive months.

(f) Notwithstanding subsection (1)(a), the insurer may not be required to furnish, after the worker has achieved medical stability, palliative or maintenance care except:

(i) when provided to a worker who has been determined to be permanently totally disabled and for whom it is medically necessary to monitor administration of prescription medication to maintain the worker in a medically stationary condition; or

(ii) when necessary to monitor the status of a prosthetic device.

(g) If the worker's treating physician believes that palliative or maintenance care that would otherwise not be compensable under subsection (1)(f) is appropriate to enable the worker to continue current employment or that there is a clear probability of returning the worker to employment, the treating physician shall first request approval from the insurer for the treatment. If approval is not granted, the treating physician may request approval from the department for the treatment. The department shall appoint a panel of physicians, including at least one treating physician from the area of specialty in which the injured worker is being treated, pursuant to rules that the department may adopt, to review the proposed treatment and determine its appropriateness.

(h) Notwithstanding any other provisions of this chapter, the department, by rule and upon the advice of the professional licensing boards of practitioners affected by the rule, may exclude from compensability any medical treatment that the department finds to be unscientific, unproved, outmoded, or experimental.

(2) The department shall annually establish a schedule of fees for medical services not provided at a hospital that are necessary for the treatment of injured workers. Charges submitted by providers must be the usual and customary charges for nonworkers' compensation patients. The department may require insurers to submit information to be used in establishing the schedule.

(3) (a) The department shall establish rates for hospital services necessary for the treatment of injured workers.

(b) Except as provided in subsection (3)(g), for the fiscal year beginning July 1, 1997, rates for services provided at a hospital must be the greater of:

(i) 69% of the hospital's January 1, 1997, usual and customary charges; or

(ii) the discount factor established by the department that was in effect on June 30, 1997, for the hospital. The discount factor for a hospital formed by the merger of two or more existing hospitals is computed by using the weighted average of the discount factors in effect at the time of the merger.

(c) Except as provided in subsection (3)(g), beginning July 1, 1998, the department shall adjust hospital discount factors so that the rate of payment does not exceed the annual percentage increase in the state's average weekly wage, as defined in 39-71-116.

(d) The department may establish a fee schedule for hospital outpatient services rendered on or after July 1, 1998. The fee schedule must, in the aggregate, provide for fees that are equal to the statewide average discount factors paid to hospitals to provide the same or equivalent procedure to workers' compensation hospital outpatients.

(e) The discount factors established by the department pursuant to this subsection (3) may not be less than medicaid reimbursement rates.

(f) For services available in Montana, insurers are not required to pay facilities located outside Montana rates that are greater than those allowed for services delivered in Montana.

(g) For a hospital licensed as a medical assistance facility pursuant to Title 50, chapter 5, the rate for services is the hospital's usual and customary charge. Fees paid to a hospital licensed as a medical assistance facility are not subject to the limitation provided in subsection (4).

(4) The percentage increase in medical costs payable under this chapter may not exceed the annual percentage increase in the state's average weekly wage, as defined in 39-71-116.

(5) Payment pursuant to reimbursement agreements between managed care organizations or preferred provider organizations and insurers is not bound by the provisions of this section.

(6) Disputes between an insurer and a medical service provider regarding the amount of a fee for medical services must be resolved by a hearing before the department upon written application of a party to the dispute.

(7) (a) After the initial visit, the worker is responsible for 20%, but not to exceed $10, of the cost of each subsequent visit to a medical service provider for treatment relating to a compensable injury or occupational disease, unless the visit is to a medical service provider in a managed care organization as requested by the insurer or is a visit to a preferred provider as requested by the insurer.

(b) After the initial visit, the worker is responsible for $25 of the cost of each subsequent visit to a hospital emergency department for treatment relating to a compensable injury or occupational disease.

(c) "Visit", as used in subsections (7)(a) and (7)(b), means each time that the worker obtains services relating to a compensable injury or occupational disease from:

(i) a treating physician;

(ii) a physical therapist;

(iii) a psychologist; or

(iv) hospital outpatient services available in a nonhospital setting.

(d) A worker is not responsible for the cost of a subsequent visit pursuant to subsection (7)(a) if the visit is an examination requested by an insurer pursuant to 39-71-605.

*1997 Amendments:* Chapter 308 in (3)(a), after first sentence, deleted the method for determining rates that read: "Beginning January 1, 1995, the rates may be based on per diem or diagnostic-related groups. The rates established by the department pursuant to this subsection may not be less than medicaid reimbursement rates. Approved rates must be in effect for a period of 12 months from the date of approval. The department may coordinate this ratesetting function with other public agencies that have similar responsibilities. For services available in Montana, insurers are not required to pay facilities located outside Montana rates that are greater than those allowed for services delivered in Montana"; the substituted method inserted as (3)(b) through (3)(g) provided that for the year beginning July 1, 1997, rates must be the greater of 69% of the hospital's January 1, 1997, usual charge or the discount factor established by the Department that was in effect for the hospital on June 30, 1997, provided that beginning July 1, 1998, the Department shall adjust the hospital discount factors so that the rate does not exceed the annual percentage increase in the state's average weekly wage, allowed the Department to establish a fee schedule for outpatient services rendered after July 1, 1998, provided that discount factors cannot be less than the Medicaid reimbursement rates, provided that for services available in Montana, an insurer need not pay facilities located outside Montana rates that are higher than those allowed for services in Montana, and provided that for a hospital licensed as a medical assistance facility, the rate for services is the hospital's usual rate; and made minor changes in style. Termination of benefits upon retirement.** (1) If a claimant is receiving disability or rehabilitation compensation benefits and the claimant receives social security retirement benefits or is eligible to receive or is receiving full social security retirement benefits or retirement benefits from a system that is an alternative to social security retirement, the claimant is considered to be retired. When the claimant is retired, the liability of the insurer is ended for payment of permanent partial disability benefits other than the impairment award, payment of permanent total disability benefits, and payment of rehabilitation compensation benefits. However, the insurer remains liable for temporary total disability benefits, any impairment award, and medical benefits.

(2) If a claimant who is eligible under subsection (1) to receive retirement benefits and while gainfully employed suffers a work-related injury, the insurer retains liability for temporary total disability benefits, any impairment award, and medical benefits.

**39-71-711. Impairment evaluation — ratings.** (1) An impairment rating:

(a) is a purely medical determination and must be determined by an impairment evaluator after a claimant has reached maximum healing;

(b) must be based on the current edition of the Guides to Evaluation of Permanent Impairment published by the American medical association;

(c) must be expressed as a percentage of the whole person; and

(d) must be established by objective medical findings.

(2) A claimant or insurer, or both, may obtain an impairment rating from an evaluator who is a medical doctor or from an evaluator who is a chiropractor if the injury falls within the scope of chiropractic practice. If the claimant and insurer cannot agree upon the rating, the mediation procedure in part 24 of this chapter must be followed.

(3) An evaluator must be a physician licensed under Title 37, chapter 3, except if the claimant's treating physician is a chiropractor, the evaluator may be a chiropractor who is certified as an evaluator under chapter 12.

(4) Disputes over impairment ratings are not subject to 39-71-605.

**39-71-712. Temporary partial disability benefits.** (1) If, prior to maximum healing, an injured worker has a physical restriction and is approved to return to a modified or alternative employment that the worker is able and qualified to perform and the worker suffers an actual wage loss as a result of a temporary work restriction, the worker qualifies for temporary partial disability benefits.

(2) An insurer's liability for temporary partial disability must be the difference between the injured worker's average weekly wage received at the

time of the injury, subject to a maximum of 40 hours a week, and the actual weekly wages earned during the period that the claimant is temporarily partially disabled, not to exceed the injured worker's temporary total disability benefit rate.

(3) Temporary partial disability benefits are limited to a total of 26 weeks. The insurer may extend the period of temporary partial disability payments.

(4) A worker is not eligible for temporary partial disability benefits or temporary total disability benefits if:

(a) the worker has been released by the treating physician to return to a modified or alternative position that the individual is able and qualified to perform with the same employer;

(b) the wages payable in the modified or alternative position, when combined with the temporary partial disability benefits, would result in an equivalent or higher wage than the worker received at the time of injury; and

(c) the worker refuses to accept the modified or alternative position. A worker requalifies for temporary total disability benefits if the modified or alternative position is no longer available to the worker and the worker continues to be temporarily totally disabled as defined in 39-71-116.

(5) Temporary partial disability may not be credited against any permanent partial disability award or settlement under 39-71-703.

**39-71-721. Compensation for injury causing death — limitation.** (1) (a) If an injured employee dies and the injury was the proximate cause of the death, the beneficiary of the deceased is entitled to the same compensation as though the death occurred immediately following the injury. A beneficiary's eligibility for benefits commences after the date of death, and the benefit level is established as set forth in subsection (2).

(b) The insurer is entitled to recover any overpayments or compensation paid in a lump sum to a worker prior to death but not yet recouped. The insurer shall recover the payments from the beneficiary's biweekly payments as provided in 39-71-741(3).

(2) To beneficiaries as defined in 39-71-116(5)(a) through (5)(d), weekly compensation benefits for an injury causing death are 66 2⁄3% of the decedent's wages. The maximum weekly compensation benefit may not exceed the state's average weekly wage at the time of injury. The minimum weekly compensation benefit is 50% of the state's average weekly wage, but in no event may it exceed the decedent's actual wages at the time of death.

(3) To beneficiaries as defined in 39-71-116(5)(e) and (5)(f), weekly benefits must be paid to the extent of the dependency at the time of the injury,

subject to a maximum of 66 ⅔% of the decedent's wages. The maximum weekly compensation may not exceed the state's average weekly wage at the time of injury.

(4) If the decedent leaves no beneficiary, a lump-sum payment of $3,000 must be paid to the decedent's surviving parent or parents.

(5) If any beneficiary of a deceased employee dies, the right of the beneficiary to compensation under this chapter ceases. Death benefits must be paid to a surviving spouse for 500 weeks subsequent to the date of the deceased employee's death or until the spouse's remarriage, whichever occurs first. After benefit payments cease to a surviving spouse, death benefits must be paid to beneficiaries, if any, as defined in 39-71-116(5)(b) through (5)(d).

(6) In all cases, benefits must be paid to beneficiaries.

(7) Benefits paid under this section may not be adjusted for cost of living as provided in 39-71-702.

The department may approve an agreement to convert the following benefits to a lump sum only under the following conditions:

(a) all benefits if a claimant and an insurer dispute the initial compensability of an injury and there is a reasonable dispute over compensability;

(b) permanent partial disability benefits if an insurer has accepted initial liability for an injury. The total of any permanent partial lump-sum conversion in part that is awarded to a claimant prior to the claimant's final award may not exceed the anticipated award under 39-71-703. The department may disapprove an agreement under this subsection (1)(b) only if the department determines that the lump-sum conversion amount is inadequate.

(c) permanent total disability benefits if the total of all lump-sum conversions in part that are awarded to a claimant do not exceed $20,000. The approval or award of a lump-sum permanent total disability payment in whole or in part by the department or court must be the exception. It may be given only if the worker has demonstrated financial need that:

(i) relates to:

(A) the necessities of life;

(B) an accumulation of debt incurred prior to the injury; or

(C) a self-employment venture that is considered feasible under criteria set forth by the department; or

(ii) arises subsequent to the date of injury or arises because of reduced income as a result of the injury; or

(d) except as otherwise provided in this chapter, all other compromise settlements and lump-sum payments agreed to by a claimant and insurer.

(2) Any lump-sum conversion of benefits under this section must be converted to present value using the rate prescribed under subsection (3)(b).

(3) (a) An insurer may recoup any lump-sum payment amortized at the rate established by the department, prorated biweekly over the projected duration of the compensation period.

(b) The rate adopted by the department must be based on the average rate for United States 10-year treasury bills in the previous calendar year.

(c) If the projected compensation period is the claimant's lifetime, the life expectancy must be determined by using the most recent table of life expectancy as published by the United States national center for health statistics.

(4) A dispute between a claimant and an insurer regarding the conversion of biweekly payments into a lump-sum is considered a dispute for which a mediator and the workers' compensation court have jurisdiction to make a determination. If an insurer and a claimant agree to a compromise and release settlement or a lump-sum payment but the department disapproves the agreement, the parties may request the workers' compensation court to review the department's decision.

**39-71-801. Occupational deafness compensated as provided in part.** Regardless of other definitions of injury and time limitations imposed by this chapter, compensation is awarded for occupational deafness as provided in this part.

**History: En. 92-710 by Sec. 1, Ch. 366, L. 1971; amd. Sec. 1, Ch. 381, L. 1973; R.C.M. 1947, 92-710(part); amd. Sec. 70, Ch. 397, L. 1979.**

**39-71-802. Definitions.** (1) "Noise" means sound capable of producing occupational deafness.

(2) "Noisy employment" means employment in the performance of which an employee is subjected to noise.

(3) "Occupational deafness" means permanent partial or permanent total loss of hearing of one or both ears due to prolonged exposure to noise in employment.

**History: En. 92-710 by Sec. 1, Ch. 366, L. 1971; amd. Sec. 1, Ch. 381, L. 1973; R.C.M. 1947, 92-710(part).**

**39-71-803. Occupational deafness distinguished from traumatic loss of hearing.** Occupational deafness as herein provided is distinguished from traumatic loss of hearing, which may be compensated under parts 7 and 10 of this chapter.

**History: En. 92-710 by Sec. 1, Ch. 366, L. 1971; amd. Sec. 1, Ch. 381, L. 1973; R.C.M. 1947, 92-710(8); amd. Sec. 33, Ch. 464, L. 1987.**

**39-71-804. Compensable loss of hearing confined to certain frequencies.** Losses of hearing due to industrial noise for compensation purposes shall be confined to the frequencies of 500, 1,000, and 2,000 cycles per second. Loss of hearing ability for frequency tones above 2,000 cycles per second is not to be considered as constituting disability for hearing.

**History: En. 92-710 by Sec. 1, Ch. 366, L. 1971; amd. Sec. 1, Ch. 381, L. 1973; R.C.M. 1947, 92-710(1)(a).**

**39-71-805. Determining percent of hearing loss.** (1) The percent of hearing loss, for purposes of the determination of compensation claims for occupational deafness, shall be calculated as the average in decibels of the thresholds of hearing for the frequencies of 500, 1,000, and 2,000 cycles per second. Pure tone air conduction audiometric instruments, approved by nationally recognized authorities in this field, shall be used for measuring hearing loss. If the losses of hearing average 25 decibels or less in the three frequencies, as measured under ISO Standard 1964, such losses of hearing shall not then constitute any compensable hearing disability. If the losses of hearing average 92 decibels or more in the three frequencies, as measured under ISO Standard 1964, then the same shall constitute and be total or 100% compensable hearing loss.

(2) In measuring hearing impairment, the lowest measured losses in each of the three frequencies shall be added together and divided by three to determine the average decibel loss. For every decibel of loss exceeding 25

decibels, an allowance of 1 1/2% shall be made up to the maximum of 100%, which is reached at 92 decibels.

(3) In determining the binaural percentage of loss, the percentage of impairment in the better ear shall be multiplied by five. The resulting figure shall be added to the percentage of impairment in the poorer ear and the sum of the two divided by six. The final percentage shall be representative of the binaural hearing impairment.

(4) Before determining the percentage of hearing impairment, in order to allow for the average amount of hearing loss from nonoccupational causes found in the population at any given age, there shall be deducted from the total average decibel loss one-half decibel for each year of the employee's age over 40 at the time of last exposure to industrial noise.

(5) No consideration shall be given to the question of whether or not the ability of an employee to understand speech is improved by the use of a hearing aid.

**History: En. 92-710 by Sec. 1, Ch. 366, L. 1971; amd. Sec. 1, Ch. 381, L. 1973; R.C.M. 1947, 92-710(1)(b) thru (f).**

**39-71-806. Disability payments not payable for temporary hearing loss due to prolonged exposure to noise.** No benefits shall be payable for temporary total or temporary partial disability under this part for loss of hearing due to prolonged exposure to noise.

**History: En. 92-710 by Sec. 1, Ch. 366, L. 1971; amd. Sec. 1, Ch. 381, L. 1973; R.C.M. 1947, 92-710(2).**

**39-71-807. Compensation for wage loss where employee transferred due to occupational deafness.** An employee who because of occupational deafness is transferred by his employer to other employment and thereby sustains actual wage loss must be compensated at the rate provided in 39-71-703, not exceeding $3,500 in the aggregate from all employers. "Time of injury", "incurred such injury", or "date of injury" in such case is the date of wage loss.

**History: En. 92-710 by Sec. 1, Ch. 366, L. 1971; amd. Sec. 1, Ch. 381, L. 1973; R.C.M. 1947, 92-710(3); amd. Sec. 71, Ch. 397, L. 1979.**

**39-71-808. Compensation for occupational deafness.** (1) Subject to the limitations herein contained, there shall be payable:

(a) for total occupational deafness of one ear, 40 weeks of compensation;

(b) for total occupational deafness of both ears, 200 weeks of compensation; and

(c) for partial occupational deafness, compensation shall bear such relation to that named herein as disabilities bear to the maximum disabilities herein provided.

(2) In cases covered by this section, "time of injury", "incurred such injury", or "date of injury" shall be exclusively the date of occurrence of any of the following events to an employee:

(a) transfer because of occupational deafness to nonnoisy employment by an employer whose employment has caused occupational deafness;

(b) retirement;

(c) termination of the employer-employee relationship;

(d) layoff provided the layoff is complete and continuous for 1 year.

(3) No claim under this section shall be filed, however, until 6 consecutive months of removal from noisy employment after the time of injury, except that under subsection (2)(d), such 6 consecutive months period may commence within the last 6 months of layoff.

**History: En. 92-710 by Sec. 1, Ch. 366, L. 1971; amd. Sec. 1, Ch. 381, L. 1973; R.C.M. 1947, 92-710(4).**

**39-71-809. Liability of employer for occupational deafness.** An employer shall become liable for the entire occupational deafness to which his employment has contributed; but if previous deafness is established by hearing test or other competent evidence, whether or not the employee was exposed to noise within the 6 months preceding such test, he shall not be liable for previous loss so established nor shall he be liable for any loss for which compensation has previously been paid or awarded.

**History: En. 92-710 by Sec. 1, Ch. 366, L. 1971; amd. Sec. 1, Ch. 381, L. 1973; R.C.M. 1947, 92-710(9).**

**39-71-810. Employee to have worked ninety days for employer from whom compensation claimed.** No payment shall be made to an employee under this part unless he shall have worked in noisy employment for a total period of at least 90 days for the employer from whom he claims compensation.

**History: En. 92-710 by Sec. 1, Ch. 366, L. 1971; amd. Sec. 1, Ch. 381, L. 1973; R.C.M. 1947, 92-710(6).**

**39-71-811. Minimum exposure and noise intensity level required.** No claim shall be filed, however, unless the employee is exposed 8 hours daily and for a period of at least 90 days as above required to noise intensity levels above 90 decibels.

**History: En. 92-710 by Sec. 1, Ch. 366, L. 1971; amd. Sec. 1, Ch. 381, L. 1973; R.C.M. 1947, 92-710(10).**

**39-71-812. Limitation on amount of compensation payable to employee under part.** Any amount paid to an employee under this part by an employer shall be credited against compensation payable by any employer to such employee for occupational deafness under 39-71-807 and 39-71-808. No employee shall in the aggregate receive greater compensation from any or all employers for occupational deafness than that provided in this part for total occupational deafness.

**History: En. 92-710 by Sec. 1, Ch. 366, L. 1971; amd. Sec. 1, Ch. 381, L. 1973; R.C.M. 1947, 92-710(7).**

**39-71-813. Limitation provisions applicable — when provisions begin to run.** The limitation provisions in this chapter control claims arising under this part. Such provisions run from the first date upon which claim may be filed or from the date of subsequent death, provided that no claim may accrue to any dependent unless an award has been issued or liability admitted.

The department shall conduct an investigation and shall issue a certificate to a person who, in the department's discretion, meets the requirements for certification. A person shall apply for certification before employment or within 60 days after the person becomes employed or reemployed and before an injury occurs that is covered by this part. The department shall acknowledge receipt of the information. Failure to file the required information with the department within 60 days after the first day of the person's employment or retention in employment precludes the employer from the protection and benefits of this part unless the information is filed before an injury for which benefits are payable under this part.

**39-71-907. Certified person with a disability to be compensated for injury as provided by chapter — insurer liability for compensation limited — appropriation.** (1) A person certified as having a physical or mental disability that constitutes or results in a substantial impediment to employment who receives an injury, as defined in 39-71-119, that results in death or disability must be paid compensation in the manner and to the extent provided in this chapter or, in case of death resulting from the injury, the compensation must be paid to the person's beneficiaries or dependents. The liability of the insurer for payment of medical and burial benefits as provided in this chapter is limited to those benefits arising from services rendered during the period of 104 weeks after the date of injury. The liability of the insurer for payment of benefits as provided in this chapter is limited to 104 weeks of compensation benefits actually paid. Thereafter, all compensation and the cost of all medical care and burial are the liability of the fund.

(2) The amounts necessary for the payment of benefits from this fund are statutorily appropriated, as provided in 17-7-502, from this fund.

Amendment effective January 1, 1998.

Chapter 472 in (1), near beginning, substituted "having a physical or mental disability that constitutes or results in a substantial impediment to employment" for "vocationally handicapped"; and made minor changes in style.

**39-71-908. Notification of fund of its potential liability under part — review by fund.** Not less than 90 or more than 150 days before the expiration of 104 weeks after the date of injury, the insurer shall notify the fund whether it is likely that compensation may be payable beyond a period of 104 weeks after the date of the injury. The fund thereafter may review, at reasonable times, such information as the insurer has regarding the accident and the nature and extent of the injury and disability.

**History: En. 92-709.1 by Sec. 1, Ch. 254, L. 1973; R.C.M. 1947, 92-709.1(part); amd. Sec. 77, Ch. 397, L. 1979; amd. Sec. 25, Ch. 613, L. 1989.**

**39-71-909. Effect of fund's failure to give notification of its intent to dispute liability — subsequent notification by fund authorized.** If the fund does not notify the insurer of its intent to dispute the payment of compensation, medical, and burial benefits, the insurer shall continue to make payments on behalf of the fund and shall be reimbursed by the fund for all benefits paid in excess of the insurer's liability. However, at any time subsequent to 104 weeks after the date of injury, the fund may notify the insurer of a dispute as to payment of benefits. **39-71-915.** *(Effective January 1, 1998)* **Assessment of insurers — definition.** (1) As used in this section, "paid losses" means the following benefits paid during the preceding calendar year for injuries covered by the Montana Workers' Compensation Act without regard to the application of any deductible regardless of whether the employer or the insurer pays the losses:

(a) total compensation benefits paid; and

(b) except for medical benefits in excess of $200,000 per occurrence that are exempt from assessment, total medical benefits paid for medical treatment rendered to an injured worker, including hospital treatment and prescription drugs.

(2) The fund must be maintained by assessing each plan No. 1 employer, each plan No. 2 insured employer, and plan No. 3, the state fund. The assessment amount is the total amount of paid losses reimbursed from the fund in the preceding calendar year and the expenses of administration less other income. The total assessment amount collected must be allocated among plan No. 1 employers, plan No. 2 insured employers, and plan No. 3, the state fund, based on paid losses for the calendar year preceding the year in which the assessment is collected. The board of investments shall invest the money of the fund, and the investment income must be deposited in the fund.

(3) On or before March 31 each year, the department shall notify each plan No. 1 employer, plan No. 2 insurer, and plan No. 3, the state fund, of the amount to be assessed against the employer or the state fund for that calendar year. On or before March 31 each year, the department, in consultation with the advisory organization designated under 33-16-1023, shall notify plan No. 2 insurers of the premium surcharge rate to be effective for policies written or renewed on and after January 1 in that calendar year.

(4) The portion of the plan No. 1 assessment assessed against an individual plan No. 1 employer is a proportionate amount of total plan No. 1 paid losses during the preceding calendar year that is equal to the percentage that the total paid losses of the individual plan No. 1 employer bore to the total paid losses of all plan No. 1 employers during the preceding calendar year.

(5) The portion of the plan No. 2 assessment subject to premium surcharge for an individual plan No. 2 insured employer is a proportionate amount of total plan No. 2 paid losses during the preceding calendar year that is equal to the percentage that the total paid losses of the individual plan No. 2 insured employer bore to the total paid losses of all plan No. 2 insurers during the preceding calendar year.

(6) Payment of assessments due must be made to the department semiannually on June 30 and December 31 of the year following the calendar year on which the assessment is based.

(7) Each plan No. 2 insurer providing workers' compensation insurance may collect from each of its policyholders an amount equal to the insured employer's fund assessment through a surcharge based on premium. When collected, assessments may not constitute an element of loss for the purpose of establishing rates for workers' compensation insurance but, for the purpose of collection, must be treated as separate costs imposed upon insured employers.

The total of this assessment must be stated as a separate cost on an insured employer's policy or on a separate document submitted by the insured employer and must be identified as "workers' compensation policyholder surcharge". Each assessment must be shown as a percentage of the total workers' compensation policyholder premium. The premium surcharge must be collected at the same time and in the same manner that the premium for the coverage is collected. The premium surcharge must be excluded from the definition of premiums for all purposes, including computation of insurance producers' commissions or premium taxes, except that an insurer may cancel a workers' compensation policy for nonpayment of the premium surcharge. Cancellation must be in accordance with the procedures applicable to the nonpayment of premium.

(8) All assessments paid to the department must be deposited in the fund.

## Part 11

## Managed Care and Preferred Provider Organizations

**39-71-1101. Choice of physician by worker — change of physician — receipt of care from managed care organization.** (1) Subject to subsection (3), a worker may choose the initial treating physician within the state of Montana.

(2) Authorization by the insurer is required to change treating physicians. If authorization is not granted, the insurer shall direct the worker to a managed care organization, if any, or to a medical service provider who qualifies as a treating physician, who shall then serve as the worker's treating physician.

(3) A medical service provider who otherwise qualifies as a treating physician but who is not a member of a managed care organization may not provide treatment unless authorized by the insurer, if:

(a) the injury results in a total loss of wages for any duration;

(b) the injury will result in permanent impairment;

(c) the injury results in the need for a referral to another medical provider for specialized evaluation or treatment; or

(d) specialized diagnostic tests, including but not limited to magnetic resonance imaging, computerized axial tomography, or electromyography, are required.

(4) A worker whose injury is subject to the provisions of subsection (3) shall, unless otherwise authorized by the insurer, receive medical services from the managed care organization designated by the insurer, in accordance with 39-71-1104. The designated treating physician in the managed care organization then becomes the worker's treating physician. The insurer is not liable for medical services obtained otherwise, except that a worker may receive immediate emergency medical treatment for a compensable injury from a medical service provider who is not a member of a managed care organization.

**History: En. Sec. 5, Ch. 628, L. 1993.**

**39-71-1102. Preferred provider organizations — establishment — limitations.** In order to promote cost containment of medical care provided for in 39-71-704, development of preferred provider organizations by insurers is encouraged. Insurers may establish arrangements with suppliers of soft and durable medical goods and medical providers in addition to or in conjunction with managed care organizations. Workers' compensation insurers may contract with other entities to use the other entities' preferred provider organizations. After the date that a worker is given written notice by the insurer of a preferred provider, the insurer is not liable for charges from nonpreferred providers. This section does not prohibit the worker from choosing the initial treating physician under 39-71-1101(1).

**History: En. Sec. 6, Ch. 628, L. 1993.**

**39-71-1103. Workers' compensation managed care.** (1) A managed care system is a program organized to serve the medical needs of injured workers in an efficient and cost-effective manner by managing the delivery of medical services for a defined population of injured workers, pursuant to 39-71-1101, through appropriate health care professionals.

(2) The department shall develop criteria pursuant to 39-71-1105 for certification of managed care organizations. The department may adopt rules for certification of managed care organizations.

(3) Insurers may contract with certified managed care organizations for medical services for injured workers. A worker who is subject to managed care may choose from managed care organizations in the worker's community that have a contract with the insurer responsible for the worker's medical services.

**History: En. Sec. 7, Ch. 628, L. 1993.**

**39-71-1104. Managed care organizations — notification.** Workers who are subject to managed care must receive medical services in the manner prescribed in the contract. Each contract must comply with the certification requirements provided in 39-71-1105. Insurers who contract with a managed care organization for medical services shall give written notice to workers of eligible service providers and shall give notice of the manner of receiving medical services.

**History: En. Sec. 8, Ch. 628, L. 1993.**

**39-71-1105. Managed care organizations — application — certification.** (1) A health care provider, a group of medical service providers, or an entity with a managed care organization may make written application to the department to become certified under this section to provide managed care to injured workers for injuries that are covered under this chapter or for occupational diseases that are covered under the Occupational Disease Act of Montana. However, this section does not authorize an organization that is formed, owned, or operated by a workers' compensation insurer or self-insured employer other than a health care provider to become certified to provide managed care. When a health care provider, a group of medical service providers, or an entity with a managed care organization is establishing a managed care organization and independent physical therapy practices exist in the community, the managed care organization is encouraged to utilize independent physical therapists as part of the managed care organization if the independent physical therapists agree to abide by all the applicable requirements for a managed care organization set forth in this section, in rules established by the department, and in the provisions of a managed care plan for which certification is being sought.

(2) Each application for certification must be accompanied by an application fee if prescribed by the department. A certificate is valid for the period prescribed by the department, unless it is revoked or suspended at an earlier date.

(3) The department shall establish by rule the form for the application for certification and the required information regarding the proposed plan for providing medical services. The information includes but is not limited to:

(a) a list of names of each individual who will provide services under the managed care plan, together with appropriate evidence of compliance with any licensing or certification requirements for that individual to practice in the state;

(b) names of the individuals who will be designated as treating physicians and who will be responsible for the coordination of medical services;

(c) a description of the times, places, and manner of providing primary medical services under the plan;

(d) a description of the times, places, and manner of providing secondary medical services, if any, that the applicants wish to provide; and

(e) satisfactory evidence of the ability to comply with any financial requirements to ensure delivery of service in accordance with the plan that the department may require.

(4) The department shall certify a group of medical service providers or an entity with a managed care organization to provide managed care under a plan if the department finds that the plan:

(a) proposes to provide coordination of services that meet quality, continuity, and other treatment standards prescribed by the department and will provide all primary medical services that may be required by this chapter in a manner that is timely and effective for the worker;

(b) provides appropriate financial incentives to reduce service costs and utilization without sacrificing the quality of services;

(c) provides adequate methods of peer review and service utilization review to prevent excessive or inappropriate treatment, to exclude from participation in the plan those individuals who violate these treatment standards, and to provide for the resolution of any medical disputes that may arise;

(d) provides for cooperative efforts by the worker, the employer, the rehabilitation providers, and the managed care organization to promote an early return to work for the injured worker;

(e) provides a timely and accurate method of reporting to the department necessary information regarding medical and health care service cost and utilization to enable the department to determine the effectiveness of the plan;

(f) authorizes workers to receive medical treatment from a primary care physician who is not a member of the managed care organization but who maintains the worker's medical records and with whom the worker has a documented history of treatment, if that primary care physician agrees to refer the worker to the managed care organization for any specialized treatment, including physical therapy, that the worker may require and if that primary care physician agrees to comply with all the rules, terms, and conditions regarding services performed by the managed care organization. As used in this subsection (f), "primary care physician" means a physician who is qualified to be a treating physician and who is a family practitioner, a general practitioner, an internal medicine practitioner, or a chiropractor.

(g) complies with any other requirements determined by department rule to be necessary to provide quality medical services and health care to injured workers.

(5) The department shall refuse to certify or may revoke or suspend the certification of a health care provider, a group of medical service providers, or an entity with a managed care organization to provide managed care if the department finds that:

(a) the plan for providing medical care services fails to meet the requirements of this section; and

(b) service under the plan is not being provided in accordance with the terms of a certified plan.

**History:** **En. Sec. 9, Ch. 628, L. 1993.**

**39-71-1106. Compliance with medical treatment required — termination of compensation benefits for noncompliance.** An insurer that provides 14 days' notice to the worker and the department may terminate any compensation benefits that the worker is receiving until the worker cooperates, if the insurer believes that the worker is unreasonably refusing:

(1) to cooperate with a managed care organization or treating physician;

(2) to submit to medical treatment recommended by the treating physician, except for invasive procedures; or

(3) to provide access to health care information to medical providers, the insurer, or an agent of the insurer.

**History:** **En. Sec. 10, Ch. 628, L. 1993.**

**39-71-1107. Domiciliary care — requirements — evaluation.** (1) Reasonable domiciliary care must be provided by the insurer:

(a) from the date the insurer knows of the employee's need for home medical services that results from an industrial injury;

(b) when the preponderance of credible medical evidence demonstrates that nursing care is necessary as a result of the accident and describes with a reasonable degree of particularity the nature and extent of duties to be performed;

(c) when the services are performed under the direction of the treating physician who, following a nursing analysis, prescribes the care on a form provided by the department;

(d) when the services rendered are of the type beyond the scope of normal household duties; and

(e) when subject to subsections (3) and (4), there is a means to determine with reasonable certainty the value of the services performed.

(2) When a worker suffers from a condition that requires domiciliary care, which results from the accident, and requires nursing care as provided for in Title 37, chapter 8, a licensed nurse shall provide the services.

(3) When a worker suffers from a condition that requires 24-hour care and that results from the accident but that requires domiciliary care other than as provided in Title 37, chapter 8, the care may be provided by a family member. The insurer's responsibility for reimbursement for the care is limited to no more than the daily statewide average medicaid reimbursement rate for the current fiscal year for care in a nursing home. The insurer is not responsible for respite care.

(4) Domiciliary care by a family member that is necessary for a period of less than 24 hours a day may not exceed the prevailing hourly wage, and the insurer is not liable for more than 8 hours of care per day.

**History: En. Sec. 11, Ch. 628, L. 1993.**

**39-71-1108. Physician self-referral prohibition.** (1) Unless authorized by the insurer, a treating physician may not refer a claimant to a health care facility at which the physician does not directly provide care or services when the physician has an investment interest in the facility, unless there is a demonstrated need in the community for the facility and alternative financing is not available. The insurer or the claimant is not liable for charges incurred in violation of this section.

(2) Subsection (1) does not apply to care or services provided directly to an injured worker by a treating physician with an ownership interest in a managed care organization that has been certified by the department.

## Montana Safety Culture Act

**39-71-1501. Short title.** Section 2-15-1708 and this part may be cited as the "Montana Safety Culture Act".

**History:** En. Sec. 1, Ch. 295, L. 1993.

**39-71-1502. Purpose.** The purpose of 2-15-1708 and this part is to reduce the incidence of occupational injury and illness by promoting safety in the workplace in order to control the costs of claims for workers' compensation insurance. The creation of a safety culture requires employers to provide training and education to make safety awareness part of the requirement for each worker's satisfactory job performance and requires the department to promote safety awareness for the public through the education and preparation of each student for entrance into the labor market. A reduction in workplace injuries, illnesses, and deaths through enhanced safety on the job benefits the public as well as the employers and the employees by lowering both financial and physical costs. Ensuring immunity to insurers in the provision of safety consultation services encourages and promotes safety in the workplace and improves the relationship between employers and employees.

**History:** En. Sec. 2, Ch. 295, L. 1993.

**39-71-1503. Safety consultation.** (1) As used in 2-15-1708 and this part, "safety consultation services" means assistance rendered by an insurer to advise and aid an insured employer in the identification, evaluation, and control of existing and potential accidental and occupational health problems. The services may be delivered in person, by mail, or by telephone, based upon need.

(2) Safety consultation services include but are not limited to:

(a) surveys consisting of onsite identification and subsequent evaluation of exposures relative to employees, materials, equipment, work methods, processes, and facilities;

(b) recommendations expressed in the form of communications to an insured employer, with reference to control of exposures to occupational accident, injury, or illness and to improvement of safety programs and systems;

(c) training programs, including aids, programs, and materials made available to assist in the control of exposures;

(d) consultations to advise insured employers relative to risk, exposure, and experience in the insured employer's business;

(e) accident analysis consisting of review of reported accidents to determine cause and trends; and

(f) industrial hygiene services, including recognition, evaluation, and control of chemical, physical, and biological exposures.

**History:** En. Sec. 3, Ch. 295, L. 1993.

**39-71-1504. Safety programs — educational activities.** (1) To promote health and safety in places of employment in this state:

(a) each public or private employer shall establish and administer a safety program in accordance with rules adopted by the department pursuant to 39-71-1505; and

(b) the department, relying upon the support and assistance of concerned private entities or other governmental agencies, shall produce and distribute material to the schools of Montana and provide guest speakers intended to:

(i) educate students about the necessity for safe work practices;

(ii) prepare students to embark on accident-free careers; and

(iii) disseminate information promoting the reduction and control of the rate of incidence of workplace injuries or occupational disease.

(2) An employer who employs temporary workers shall include those workers in the employer's safety program. A temporary services contractor shall provide a safety program for employees not employed by other employers.

**History: En. Sec. 4, Ch. 295, L. 1993.**

**39-71-1505. Rulemaking authority.** The department shall adopt rules, including but not limited to rules that require:

(1) each employer to conduct an educational-based safety program, including but not limited to:

(a) a safety training program to provide:

(i) new employee general safety orientation;

(ii) job- or task-specific safety training; and

(iii) continuous refresher safety training, including periodic safety meetings;

(b) periodic hazard assessment, with corrective actions identified; and

(c) appropriate documentation of performance of the activities; and

(2) an employer of more than five employees to have a comprehensive and effective safety program, including but not limited to:

(a) subject to subsection (3), a safety committee composed of employee and employer representatives that holds regularly scheduled meetings;

(b) procedures of reporting and investigating all work-related incidents, accidents, injuries, and illnesses; and

(c) policies and procedures that assign specific safety responsibilities and safety performance accountability.

(3) The department may adopt rules authorizing :

(a) a plan No. 2 or plan No. 3 insurer to waive the requirement in subsection (2)(a) for a safety committee if the employer presents sufficient evidence of an effective written safety plan and has a satisfactory modification factor, if applicable, or has a low incident record of injuries; or

(b) the department to waive the requirement in subsection (2)(a) for a safety committee if a plan No. 1 insurer approved by the department presents sufficient evidence of an effective safety program, including a written safety plan. A waiver granted under this subsection (3)(b) to a member of the self-insurers guaranty fund must be made with the concurrence of the fund.

**History: En. Sec. 5, Ch. 295, L. 1993; amd. Sec. 1, Ch. 238, L. 1995.**

**39-71-1506. Notification of safety consultation services available by insurer.** To implement safety requirements, each insurer shall notify each insured employer of the type of safety consultation services available and the location where the safety consultation services may be requested.

**History: En. Sec. 6, Ch. 295, L. 1993.**

**39-71-1507. Safety consultation services — safety program as provision of insurance contract or agreement.** (1) Each insurer shall provide safety consultation services to each of its insured employers who request the assistance.

(2) The safety consultation services to be provided are within the discretion of the insurer but must include consideration of the hazard, experience, and size of the insured employer's operations.

(3) The insurer shall establish a system of priorities to use in responding to worksite safety consultation service requests, giving first priority to insured employers that have an unreasonably high actual or potential loss experience.

(4) Each insurer's insurance contract or agreement must require each insured employer to implement a safety program as part of the contract or agreement to provide workers' compensation coverage.

**39-71-1508. Safety consultation services — insurer's exemption from civil liability — exceptions.** (1) The furnishing of or the failure to furnish safety consultation services related to, in connection with, or incidental to a workers' compensation insurance contract or agreement to provide workers' compensation coverage does not subject the insurer or its agents, employees, or service contractors to liability for damages from injury, loss, or death, whether direct or consequential, occurring as a result of any act or omission by any person in the course of providing safety consultation services.

(2) Subsection (1) does not apply:

(a) if the injury, loss, or death occurred during the actual performance of safety consultation services and was directly and proximately caused by the negligence of the insurer or its agents, employees, or service contractors;

(b) to any safety consultation services required to be performed under the provisions of a written service contract for which a specific charge is made and not incidental to a policy of insurance; or

(c) in an action against an insurer or its agents, employees, or service contractors for damages caused by the act or omission of the insurer or its agents, employees, or service contractors in which it is judicially determined that the act or omission constituted a crime or involved actual malice.

**39-71-2103. Employer permitted to carry on business and settle directly with employee — individual liability.** (1) If the employer making the election is found by the department and the Montana self-insurers guaranty fund to have the requisite financial ability to pay the compensation and benefits in this chapter, then the department, with the concurrence of the guaranty fund, shall grant to the employer permission to carry on business for the year within which the election is made and proof filed, or the remaining portion of the year, and to make payments directly to the employees as they may become entitled to receive the payments.

(2) Each individual employer in an association, corporation, limited liability company, or organization of employers given permission by the department to operate as self-insured under plan No. 1 of this chapter is jointly and severally liable for all obligations incurred by the association, corporation, limited liability company, or organization under this chapter. An association, corporation, limited liability company, or organization of employers given permission to operate as self-insured shall maintain excess liability coverage in amounts and under conditions as provided by rules of the department.

Additional proof of solvency — revocation of order.** The department, with the concurrence of the Montana self-insurers guaranty fund, may at any time require from any employer acting under compensation plan No. 1 additional proof of solvency and financial ability to pay the compensation provided by this chapter and may at any time, upon notice to the employer of not less than 10 or more than 20 days, after and upon a full hearing, revoke any order or approval.

**History:** En. Sec. 30, Ch. 96, L. 1915; re-en. Sec. 2973, R.C.M. 1921; re-en. Sec. 2973, R.C.M. 1935; amd. Sec. 52, Ch. 23, L. 1975; R.C.M. 1947, 92-904; amd. Sec. 64, Ch. 613, L. 1989; amd. Sec. 1, Ch. 150, L. 1993.

**39-71-2106. Requiring security of employer.** (1) (a) The department, with the concurrence of the Montana self-insurers guaranty fund, may require any employer who elects to be bound by compensation plan No. 1 to provide a security deposit in accordance with rules adopted by the department. All securities of the United States treasury must be in book-entry form. The security deposit may be a surety bond, government bond, certificate of deposit, or letter of credit approved by the department and the Montana self-insurers guaranty fund. For the first 3 years of operating as a self-insured employer, the employer's security deposit must be the greater of:

(i) $250,000; or

(ii) an average of the workers' compensation liabilities incurred by the employer in Montana for the first 3 of the last 4 completed calendar years.

(b) The department, with the concurrence of the Montana self-insurers guaranty fund, may, in accordance with rules adopted by the department, require a larger deposit as additional evidence of ability to pay the benefits provided by this chapter.

(c) The department may, with the concurrence of the Montana self-insurers guaranty fund, reduce the amount of the security deposit if the evidence indicates that the full amount of the deposit is unnecessary.

(2) (a) The department, with the concurrence of the Montana self-insurers guaranty fund, may require an employer to give security in addition to the security deposit described in subsection (1) if:

(i) the department, with the concurrence of the Montana self-insurers guaranty fund, determines that the employer lacks the ability to pay the benefits that are expected to be paid by the employer under the terms and conditions of this chapter that are chargeable to the employer during the year to be covered by the permission provided for in 39-71-2103; or

(ii) the employer is a group of individual employers seeking permission to operate under compensation plan No. 1.

(b) The additional security required in subsection (2)(a) must be an amount that the department, with the concurrence of the Montana self-insurers guaranty fund, finds reasonable and necessary to pay the benefits provided under the terms and conditions of this chapter that the employer may accrue during the year.

(3) (a) The security deposit provided for in subsection (1) must be deposited with the department. The security deposit may consist of:

(i) a bond executed to the department with a surety. The security deposit must state that the employer will pay or cause to be paid to employees the amount for which the employer was given permission under 39-71-2103 and for which the employer is liable under the terms and conditions of this chapter during the year.

(ii) any Montana state, county, municipal, or school district bonds that the department and the Montana self-insurers guaranty fund consider solvent; or

(iii) other security deposits allowed in subsection (1)(a).

(b) Each security deposit and the character and amount of the security deposit are subject to approval, revision, or change considered necessary by the department and the Montana self-insurers guaranty fund.

(c) Upon proof of the final payment of the liability for which the security deposit is given, the security deposit or any remainder of the security deposit must be returned to the depositor.

(4) The department is liable for the value and safekeeping of all security deposits and shall, at any time, upon demand of the depositor, account for the security deposits.

**39-71-2107. When employer to make deposit or security to guarantee payment of compensation.** Within 30 days after the happening of an accident where death or the nature of the injury renders the amount of future payments certain or reasonably certain, the employer shall make a deposit or give security, as herein defined, with the department for the protection and guaranty of the payment of such liability in such sum as the department may direct. However, if sufficient securities are already on deposit with the department or if the department determines that the employer has sufficient financial responsibility to meet the liability of the employer, together with other liabilities already accrued, no such additional deposit or security shall be demanded.

**39-71-2108. Failure of employer to pay compensation — duty of department.** Upon the failure of the employer to pay any compensation provided for in this chapter upon the terms and in the amounts and at the times when the same becomes due and payable, the department shall, upon demand of the person to whom compensation is due, apply any deposits made with the department to the payment of the same, and the department shall take the proper steps to convert any securities on deposit with the department or sufficient thereof into cash and to pay the same upon the liabilities of the employer accruing under the terms of this chapter, and the department shall, when necessary, collect and enforce the collection of the liability of all sureties upon any bonds which may be given by the employer to insure the payment of his liability. To these ends and for these purposes, the department shall be deemed to be the owner of the deposit and security and the obligee in the bond in trust for the purposes and may proceed in its own name to recover upon the bonds or foreclose and liquidate the securities.

**39-71-2203. Content of policies — policies subject to approval, change, or revision by department.** (1) All policies insuring the payment of compensation under this chapter must contain a clause to the effect that, as between the employee and the insurer, the notice to or knowledge of the occurrence of the injury on the part of the insured shall be deemed notice or knowledge, as the case may be, on the part of the insurer; that jurisdiction of the insured for the purpose of this chapter shall be jurisdiction of the insurer; and that the insurer shall in all things be bound by and subject to the awards, orders, judgments, or decrees rendered against such insured.

(2) No such policy shall be issued unless it contains the agreement of the insurer that it will promptly pay to the person entitled to compensation all the installments of compensation or other payments in this chapter provided for

and that the obligation shall not be affected by any default of the insured after the injury or by any default in the giving of any notice required by such policy or by this chapter or otherwise. Such agreement shall be construed to be a direct promise by the insured to the person entitled to compensation.

(3) Every policy or contract insuring against liability for compensation under compensation plan No. 2 must contain a clause to the effect that the insurer shall be directly and primarily liable to and will pay directly to the employee or in case of death to his beneficiaries or major or minor dependents, the compensation, if any, for which the employer is liable.

(4) Every such policy shall at all times be subject to approval, change, or revision by the department and shall contain the clauses, agreements, and promises required by this chapter.

Insurer to submit notice of coverage within thirty days — penalty for failure.** (1) The insurer shall, within 30 days after the issuance of the policy of workers' compensation insurance, submit to the department the notice of coverage stating the effective date of the policy insuring the employer and other information that may be required by the department.

(2) The department may:

(a) recognize the advisory organization designated under 33-16-1023 as an agent for authorized workers' compensation insurers in Montana; and

(b) under terms and conditions acceptable to the department, accept notice of coverage received from the advisory organization designated under 33-16-1023 as the insurer's notice of coverage.

(3) The department may, in its discretion, assess a penalty of no more than $200 against an insurer that as a general business practice does not comply with the 30-day notice requirement set forth in subsection (1).

**39-71-2205. Policy in effect until canceled or replaced — twenty-day notification of cancellation required — penalty.** (1) The policy remains in effect until canceled, and cancellation may take effect only by written notice to the named insured and to the department at least 20 days prior to the date of cancellation. However, the policy terminates on the effective date of a replacement or succeeding workers' compensation insurance policy issued to the insured. Nothing in this section prevents an insurer from canceling a policy of workers' compensation insurance before a replacement policy is issued to the insured.

(2) The department may:

(a) recognize the advisory organization designated under 33-16-1023 as an agent for authorized workers' compensation insurers in Montana; and

(b) under terms and conditions acceptable to the department, accept notice of cancellation received from the advisory organization designated under 33-16-1023 as the insurer's notice of cancellation.

(3) (a) The department may assess a penalty of up to $200 against an insurer that does not comply with the notice requirement in subsection (1).

(b) An insurer may contest the penalty assessment in a hearing conducted according to department rules.

(2) The commissioner shall accept a filing under subsection (1) that includes a reasonable method of recognizing differences in rates of pay. This method must use a credit scale with the starting point set at one and one-half times the Montana average weekly wage as reported by the department.

(3) The advisory organization shall file a revenue neutral plan for new and renewed policies for prompt and orderly transition to a method of computing premiums that is in compliance with the requirements of this section.

**39-71-2311. Intent and purpose of plan.** It is the intent and purpose of the state fund to allow employers an option to insure their liability for workers' compensation and occupational disease coverage with the state fund. The state fund must be neither more nor less than self-supporting. Premium rates must be set at least annually at a level sufficient to ensure the adequate funding of the insurance program, including the costs of administration, benefits, and adequate reserves, during and at the end of the period for which the rates will be in effect. In determining premium rates, the state fund shall make every effort to adequately predict future costs. When the costs of a factor influencing rates are unclear and difficult to predict, the state fund shall use a prediction calculated to be more than likely to cover those costs rather than less than likely to cover those costs. Unnecessary surpluses that are created by the imposition of premiums found to have been set higher than necessary because of a high estimate of the cost of a factor or factors may be refunded by the declaration of a dividend as provided in this part. For the purpose of keeping the state fund solvent, the state fund shall implement variable pricing levels as provided in 39-71-2341 and the board of directors may, in its discretion, assess a policy charge, a minimum premium, or both.

**39-71-2341. Variable pricing — higher premium by state fund for noncompliance with safety program — expenditure accounting.** (1) The state fund shall:

(a) implement variable pricing levels within individual rate classifications to reward an employer with a good safety record and penalize an employer with a poor safety record. The timeliness of an employer's payroll reporting and premium payments and other relevant factors may be considered in the placement of an employer within the variable pricing levels.

(b) provide an additional pricing level with a higher rate within the classification for those employers who do not satisfactorily implement a safety program subsequent to the provision of or attempt to provide onsite safety consultation services.

(2) The state fund may assess a surcharge of an additional 20% on premiums payable to the state fund by high-loss employers. The criteria for identifying high-loss employers must be established by the state fund board of directors by rule.

(3) The state fund shall separately account for money expended under 2-15-1708, 33-15-318, Title 39, chapter 71, part 15, 39-71-2311, and this section.

(a) separate the liability of the state fund on the basis of whether a claim is for an injury resulting from an accident that occurred before July 1, 1990, or an accident that occurs on or after that date;

(b) create an old fund liability tax provided for in 39-71-2503 and dedicate the tax money first to the repayment of bonds issued under 39-71-2354 and 39-71-2355 and then to the repayment of loans given under 39-71-2354 and 39-71-2355 and the direct payment of the costs of administering and paying claims for injuries from accidents that occurred before July 1, 1990.

(3) The legislature further determines that in order to prevent the creation of a new unfunded liability with respect to claims for injuries for accidents that occur on or after July 1, 1990, certain duties of the state fund should be clarified and legislative oversight of the state fund should be increased. *(Terminates on the day that the budget director certifies that the old fund liability tax is terminated—sec. 34(3), Ch. 276, L. 1997.)*

(Version effective on occurrence of contingency) Chapter 276 at beginning of second sentence in (1) deleted "Except as provided in 39-71-2316 and 39-71-2354"; and made minor changes in style. Amendment effective on the date that the budget director certifies that the old fund liability tax is terminated pursuant to 39-71-2505.

*Contingent Termination:* Section 35(1), Ch. 276, L. 1997, provided that the temporary version of 39-71-2352 terminates on the date that the old fund liability tax is terminated.

**39-71-2353. Repealed.** Sec. 9, Ch. 797, L. 1991.

**History: En. Sec. 4, Ch. 4, Sp. L. May 1990.**

**39-71-2354.** *(Temporary)* **Use of old fund liability tax proceeds — loans — bonds.** (1) Subject to 39-71-2503(2), taxes collected under 39-71-2503 may be used only to administer and pay claims for injuries resulting from accidents that occurred before July 1, 1990, including the cost of repaying bonds issued and loan proceeds given under 39-71-2355 and this section. If the state fund determines that, for the next 1 or more years following the date of the determination, the tax revenue, together with funds in the account required by 39-71-2321 for claims for injuries resulting from accidents that occurred before July 1, 1990, will be insufficient to administer and pay those claims, the state fund may, through its board of directors, request the budget director to certify to the board of investments that additional funding is necessary. If the budget director agrees with the state fund's board of directors that additional funding is necessary, the budget director shall certify to the board of investments the amount that the budget director determines is necessary to administer and pay claims for injuries resulting from accidents that occurred before July 1, 1990. Except as provided in subsection (2), the board of investments shall, at times and in amounts that it considers necessary or advisable, finance the amount certified by the budget director by giving the state fund the proceeds of a loan or a bond issue to administer and pay claims for injuries resulting from accidents that occurred before July 1, 1990. Loans must be from reserves accumulated from premiums paid to the state fund based upon wages payable on or after July 1, 1990. The board of investments shall choose the method of financing that is most cost-effective for the state fund. A loan must bear interest at the rate that the board of investments determines the money would earn if invested on behalf of the state fund. The board of investments may also, upon request of the board of directors of the state fund, give the state fund the proceeds of a bond issue, to be used to pay off loans made under 39-71-2355 and this section. Bonds for the state fund must be workers' compensation bonds issued under 39-71-2355.

(2) The total amount of loan proceeds given to the state fund plus workers' compensation bonds issued under 39-71-2355, except bonds issued to repay loans as provided for in subsection (1), may not exceed $220 million. All loan and bond proceeds given to the state fund must be repaid to the board of investments before July 1, 2020. *(Repealed on occurrence of contingency—secs. 31(2), 34(3), Ch. 276, L. 1997.)*

(2) Bonds are limited obligations payable solely from and secured by the money deposited in the workers' compensation bond repayment account created by 39-71-2321. Each series of bonds may be issued by the board of investments at public or private sale, in denominations and form, whether payable to bearer or registered as to principal or both principal and interest, with such provisions for the conversion or exchange, bearing interest at a rate or rates or the method of determining the rate or rates, maturing at times, not later than June 30, 2020, subject to redemption at earlier times and prices and upon notice, and payable at the office of a fiscal agency of the state, as determined by the board of investments. Any action taken by the board of investments under 39-71-2354 and this section must be approved by at least a majority vote of its members.

(3) In all other respects the board of investments is authorized to prescribe the form and terms of the bonds and shall do whatever is lawful and necessary for their issuance and payment.

(4) Bonds and any interest coupons appurtenant thereto must be signed by the members of the board of investments, and the bonds must be issued under the great seal of the state of Montana. The bonds and coupons may be executed with facsimile signatures and seal in the manner and subject to the limitations prescribed by law. The state treasurer shall keep a record of all bonds issued and sold.

(5) All loan and bond proceeds given to the state fund must be deposited to the credit of the account required by 39-71-2321 for claims for injuries resulting from accidents that occurred before July 1, 1990, and may be used only for the administration and payment of those claims and for the costs of giving the loan proceeds and issuing the bonds. *(Repealed on occurrence of contingency—secs. 31(2), 34(3), Ch. 276, L. 1997.)*

**39-71-2356. Mutually agreeable lump-sum settlements.** During the period beginning October 1, 1991, and ending September 30, 1992, a workers' compensation claimant and the state fund may, regardless of the lump-sum law in effect on the date of the injury, mutually agree to a lump-sum settlement of a claim. If a mutual agreement is not reached, the lump-sum law in effect on the date of the injury applies.

The evaluations may be conducted by persons appointed under 5-13-305. Audit and evaluation costs are an expense of and must be paid by the state fund and must be allocated between those claims for injuries resulting from accidents that occurred before July 1, 1990, and those claims for injuries resulting from accidents that occur on or after that date.

**History: En. Sec. 5, Ch. 4, Sp. L. May 1990.**

**39-71-2362. Authority of legislative auditor with respect to state fund.** The legislative auditor shall review rates established by the board to determine if the rates are excessive, inadequate, or unfairly discriminatory. Each year, the legislative auditor shall:

(2) report the findings of the examination and rate review to the governor, the legislature, and the board of directors of the state fund.

A copy of the approved budget must be delivered to the governor and the legislature.

(b) The board may approve administrative expenditures in excess of 15% of the earned annual premium of the prior fiscal year, but the excess amount approved may not exceed one-half of the investment income earned in the prior fiscal year.

## Part 24
## Mediation

**Part Cross-References**

Uniform Arbitration Act, Title 27, ch. 5.

**39-71-2401. Disputes — jurisdiction — settlement requirements — mediation.** (1) A dispute concerning benefits arising under this chapter or chapter 72, other than the disputes described in subsection (2), must be brought before a department mediator as provided in this part. If a dispute still exists after the parties satisfy the mediation requirements in this part, either party may petition the workers' compensation court for a resolution.

(2) A dispute arising under this chapter that does not concern benefits or a dispute for which a specific provision of this chapter gives the department jurisdiction must be brought before the department.

(3) An appeal from a department order may be made to the workers' compensation court.

(4) Except as otherwise provided in this chapter, before a party may bring a dispute concerning benefits before a mediator, the parties shall attempt to settle as follows:

(a) The party making a demand shall present the other party with a specific written demand that contains sufficient explanation and documentary evidence to enable the other party to thoroughly evaluate the demand.

(b) The party receiving the demand shall respond in writing within 15 working days of receipt. If the demand is denied in whole or in part, the response shall state the basis of the denial.

(c) Upon motion of a party or upon the mediator's own motion, the mediator has the authority to dismiss a petition if he finds that either party did not comply with this subsection. A decision dismissing a petition under this subsection must be in writing and must state in detail the grounds for dismissal. The mediator's decision may be reviewed by the workers' compensation court upon motion of a party.

(d) Nothing in this subsection relieves a party of an obligation otherwise contained in this chapter.

**History: En. Sec. 8, Ch. 464, L. 1987; amd. Sec. 1, Ch. 427, L. 1989; amd. Sec. 64, Ch. 613, L. 1989; amd. Sec. 10, Ch. 558, L. 1991.**

**39-71-2402 through 39-71-2405 reserved.**

**39-71-2406. Purpose.** The purpose of this part is to prevent when possible the filing in the workers' compensation court of actions by claimants or insurers relating to claims under chapter 71 or 72 of this title if an equitable and reasonable resolution of the dispute may be effected at an earlier stage. To achieve this purpose, this part provides for a procedure for mandatory, nonbinding mediation. It is the intent of this part that the mediation process be used to resolve cases on an informal basis at minimal cost to the parties, and to this end, the parties are required to fully present their cases at the mediation level. However, if a cause proceeds to the workers' compensation court, the parties are not precluded from presenting additional evidence before the court. If a new issue is raised at the workers' compensation court that was not raised at mediation, the court shall remand the issue to the mediator for consideration.

**History: En. Sec. 52, Ch. 464, L. 1987; amd. Sec. 2, Ch. 427, L. 1989.**

**39-71-2407. Department authority — rules.** (1) The department shall designate mediators and shall implement the provisions of this part.

(2) The department may adopt the rules necessary to implement this part. The rules may prescribe:

(a) the qualifications of mediators; and

(b) a procedure for the conduct of mediation proceedings.

(3) The cost to the department of implementing this part must be paid out of the workers' compensation administration fund.

**History: En. Sec. 53, Ch. 464, L. 1987.**

**39-71-2408. Mandatory, nonbinding mediation.** (1) Except as otherwise provided, in a dispute arising under chapter 71 or 72 of this title, the insurer and claimant shall mediate any issue concerning benefits and the mediator shall issue a report following the mediation process recommending a solution to the dispute before either party may file a petition in the workers' compensation court.

(2) The resolution recommended by the mediator is without administrative or judicial authority and is not binding on the parties.

**History: En. Sec. 54, Ch. 464, L. 1987.**

**39-71-2409. Duties of mediator.** A mediator shall assist the parties in negotiating a resolution to their dispute by:

(1) facilitating an exchange of information between the parties;

(2) assuring that all relevant information is brought forth during the mediation process;

(3) suggesting possible solutions to issues of dispute between the parties;

(4) recommending a solution; and

(5) assisting the parties to voluntarily resolve their dispute.

**History: En. Sec. 55, Ch. 464, L. 1987; amd. Sec. 3, Ch. 427, L. 1989.**

**39-71-2410. Limitations on mediation proceedings.** (1) Except as may be necessary for the workers' compensation court to rule on issues arising under 39-71-2401(4)(c) or 39-71-2411(7)(c), mediation proceedings are:

(a) held in private;

(b) informal and held without a verbatim record; and

(c) confidential.

(2) All communications, verbal or written, from the parties to the mediator and any information and evidence presented to the mediator during the proceeding are confidential.

(3) A mediator's files and records are closed to all but the parties.

(4) (a) A mediator may not be called to testify in any proceeding concerning the issues discussed in the mediation process.

(b) Neither the mediator's report nor any of the information or recommendations contained in it are admissible as evidence in any action subsequently brought in any court of law.

(5) Notwithstanding subsections (1) through (4), a mediator may issue a report and the parties and the mediator may be required to attend a conference before the workers' compensation court as set forth in 39-71-2411.

**History: En. Sec. 56, Ch. 464, L. 1987; amd. Sec. 4, Ch. 427, L. 1989; amd. Sec. 11, Ch. 558, L. 1991.**

**39-71-2411. Mediation procedure.** (1) Except as otherwise provided, a claimant or an insurer having a dispute relating to benefits under chapter 71 or 72 of this title may petition the department for mediation of the dispute.

(2) A party may take part in mediation proceedings with or without representation.

(3) The mediator shall review the department file for the case and may receive any additional documentation or argument either party submits.

(4) The mediator shall request that each party offer argument summarizing the party's position. A party's argument must fully present the party's case. The argument is not limited by the rules of evidence.

(5) After the parties have presented all their information and argument to the mediator, the mediator shall recommend a solution to the parties within a reasonable time to be established by rule.

(6) A party shall notify the mediator within 25 days of the mailing of the mediator's report whether the party accepts the mediator's recommendation.

If either party does not accept the mediator's recommendation, the party may petition the workers' compensation court for resolution of the dispute.

(7) (a) If a mediator determines that either party failed to cooperate in the mediation process, the mediator shall prepare a written report setting forth the determination and the grounds for the determination. The report must be mailed to the parties and to the workers' compensation court. Unless a party disputes the determination as set forth in subsection (7)(c), the parties shall repeat the mediation process, but only one time.

(b) A mediator may determine that a party has failed to cooperate in the mediation process only if the party failed to:

(i) supply information or offer a summary of the party's position as reasonably requested by the mediator;

(ii) attend scheduled mediation conferences unless excused by the mediator; or

(iii) listen to and review the information and position offered by the opposing party.

(c) If a party disputes a mediator's determination that the party failed to cooperate in the mediation process, the party may file a petition with the workers' compensation court. Upon receipt of a petition, the court shall summon the parties and the mediator to determine by oral discussion whether the mediator's determination of noncooperation is supportable. If the court finds that the mediator's determination is supportable, the court may order the parties to attempt a second time to mediate their dispute.

*Repealer — Contingent Effective Date:* Section 34(3), Ch. 276, L. 1997, provided: "[Sections 8, 19, 22, 24, and 31(2) [repealing this section]] are effective on the date that the budget director certifies that the old fund liability tax is terminated pursuant to [section 28] [39-71-2505]."

**39-71-2502.** *(Temporary)* **Findings and purpose.** (1) Based on current liabilities and actuarial analysis, an unfunded liability presently exists in the state fund with regard to claims for injuries resulting from accidents that occurred before July 1, 1990, and it may increase. While legislative action is required to correct the causes of the unfunded liability, those actions will not provide sufficient funds to permit the state fund to pay its existing liabilities and obligations in a timely manner from premium and investment income available to the state fund. Therefore, it is necessary to provide other sources of funding for the unfunded liability in addition to premium and investment income.

(2) The police power of the state extends to all great public needs. The state, in the exercise of its police power, has determined that it is greatly and immediately necessary to the public welfare to make workers' compensation insurance available to all employers through the state fund as the insurer of last resort. In making this insurance available, the state fund has incurred the unfunded liability described in subsection (1). The burden of this unfunded liability should not be borne solely by those employers who have insured with the state fund because the availability of insurance to all employers through the state fund has benefited all those receiving compensation in Montana. This unfunded liability should not be borne only by employers. Therefore, all employers, employees, sole proprietors, subchapter S. corporation shareholders, partners of partnerships, and members or managers of limited liability companies should share in the cost of the unfunded liability.

(3) The purpose of this part is to provide supplemental sources of financing for the unfunded liability. *(Repealed on occurrence of contingency—secs. 31(2), 34(3), Ch. 276, L. 1997.)*

(3) There is imposed on each employer a workers' compensation old fund liability tax as provided in 39-71-2503. The employer old fund liability tax is an amount equal to 0.5% of the employer's payroll for wages paid in the preceding payroll period for wages paid for employment, as defined in this part.

(4) The employee old fund liability tax is an amount equal to 0.2% of the employee's wages in the preceding payroll period for wages paid for employment, as defined in this part.

(d) The old fund liability tax terminates on January 1 if, by October 15 of the prior year, the budget director certifies to the department that, based upon the independent actuary's selected best estimate ultimate projections and as approved by the state fund board of directors, claims for injuries resulting from accidents that occurred before July 1, 1990, will be adequately funded as of January 1.

(e) The old fund liability tax terminates on July 1 if, by February 28 of the year the budget director certifies to the department that, based upon the independent actuary's selected best estimate ultimate projections and, as approved by the state fund board of directors, claims for injuries resulting from accidents that occurred before July 1, 1990, will be adequately funded as of July 1.

(f) If the old fund liability tax terminates on July 1, the amount of tax imposed under subsection (5) is an amount equal to 0.1% for the full calendar year.

(g) In determining whether claims for injuries resulting from accidents that occurred before July 1, 1990, are adequately funded, the estimated future amounts of old fund liability tax must be included.

(h) By October 1 of each year following the first full fiscal year after termination of the old fund liability tax, any funds in excess of the adequate funding amount established in subsection (7)(b) must be returned to the account established in 39-71-2321 to pay claims for injuries resulting from accidents that occurred after July 1, 1990. Under this section, the total amount of funds returned to the account may not exceed $63.8 million.

(i) If, in any fiscal year after the old fund liability tax is terminated and claims for injuries resulting from accidents that occurred after July 1, 1990, are not adequately funded, any amount returned to the account in 39-71-2321 to pay claims for injuries resulting from accidents that occurred after July 1, 1990, pursuant to subsection (7)(h) must be transferred back to the account established in 39-71-2321 to pay claims for injuries resulting from accidents that occurred before July 1, 1990.

**39-71-2507.** *(Effective January 1, 1998)* **Employment defined and exclusions from definition of employment.** (1) As used in this part "employment", subject to the provisions of subsection (2), means the service by an employee for an employer.

(2) The term "employment" does not include:

(f) casual labor not in the course of an employer's trade or business performed in any calendar quarter, unless the cash remuneration paid for the service is $50 or more and the service is performed by an individual who is regularly employed by the employer to perform the service. A stay of execution under this subsection may not extend for more than 30 days following the judge's disposition of posttrial motions.

(2) The appellant may request of the workers' compensation judge or the supreme court, upon service of a notice of appeal, a stay of execution of the judgment or order pending resolution of the appeal. The appellant may request a stay by presenting a supersedeas bond to the workers' compensation judge and obtaining his approval of the bond. The signer's address also must be stated.

(2) A party who is not represented by an attorney shall sign his petition, pleading, motion, or other paper and state his address.

(c) it is warranted by existing law or by a good faith argument for the extension, modification, or reversal of existing law; and

(d) it is not interposed for any improper purpose, such as to harass or to cause unnecessary delay or needless increase in the cost of litigation.

(4) If a petition, pleading, motion, or other paper is signed in violation of this section, the court, upon motion or upon its own initiative, shall impose an

appropriate sanction upon the person who signed it, a represented party, or both. The sanction may include an order to pay to the other party or parties the amount of the reasonable expense incurred because of the filing of the petition, pleading, motion, or other paper, including reasonable attorney fees.

The list may include physicians nominated by the board of medical examiners. A physician on the panel must be certified by the physician's specialty board or be eligible for certification in the specialty area appropriate to the claimant's condition in relation to this chapter.

(2) The department shall select a panel physician to examine a claimant, as required. The department shall appoint, as required, a physician as the presiding officer.

**39-72-602. Insurer may accept liability — procedure for medical examination when insurer has not accepted liability.** (1) An insurer may accept liability for a claim under this chapter based on information submitted to it by a claimant.

(2) In order to determine the compensability of claims under this chapter when an insurer has not accepted liability, the following procedure must be followed:

(a) The department shall direct the claimant to a member of the medical panel for an examination. The panel member shall conduct an examination to determine whether the claimant is totally disabled and is suffering from an occupational disease. The panel member shall submit a report of the member's findings to the department.

(b) Either the claimant or the insurer may, within 20 days after the receipt of the report by the first panel member, request that the claimant be examined by a second panel member. If a second examination is requested, the department shall direct the claimant to a second panel member who shall conduct an examination to determine whether the claimant is totally disabled and is suffering from an occupational disease. The panel member shall submit a report of the member's findings to the department. The medical panel member may, in order to reach a conclusion, consult with the claimant's attending physician. The reports from the two examining physicians must be sent by the department to the presiding officer of the panel. The presiding officer shall issue a report concerning the claimant's physical condition and whether the claimant is suffering from an occupational disease.

(c) (i) If a second examination is not requested, the department shall issue its order determining whether the claimant is entitled to occupational disease benefits based on the report of the first examining physician.

(ii) If a second examination is requested, the department shall issue its order based on the report of the presiding officer. If the panel presiding officer has examined the claimant, the department shall appoint another presiding officer.

**39-72-605. When occupational disease causes death.** When an occupational disease is claimed to have caused death and a claim for death benefits is filed therefor, the department shall select at least two physicians who in the department's judgment could properly determine the condition regarding the decedent's death in relation to a possible occupational disease, and the physicians shall examine all available evidence pertaining to the claim and shall make findings and report to the department. The report is prima facie evidence of fact as to the matters therein contained.

Autopsy.** Upon the filing of a claim for compensation for death caused by an occupational disease if an autopsy is necessary to determine the cause of death, an autopsy shall be ordered by the department. The autopsy shall be made under the supervision of the county coroner or a medical examiner. The department may designate a duly licensed physician who is a specialist in such examinations to perform or attend the autopsies and to certify his findings thereon. The examination shall be at a place reasonably convenient for the employee.

(2) The order directing the examination shall fix a time and place having regard to the convenience of the employee, his physical condition, and his ability to attend. The employee and any other party in interest may have a physician present at the examination if the physician is provided and paid for by the employee or other party.

(3) If the employee refuses to submit to the examination or obstructs the examination, his right to compensation is suspended until the examination has been made, and no compensation is payable during or for the period of suspension.

**39-72-608. Payment of medical examination, report, and autopsy expenses.** The expense of the first medical examination and report as provided in 39-72-602 must be borne by the insurer. The expense of a reexamination and panel report must be borne by the dissatisfied party requesting the reexamination. The expense of the periodic medical examinations and reports, as provided in 39-72-607, must be borne by the party requesting the periodic medical examination. The expense of the autopsy, as provided for in 39-72-606, must be borne by the party requesting the autopsy. In order to perfect an appeal to the workers' compensation judge, the appealing party shall request a hearing before the department. The department shall grant a hearing, which may be conducted by telephone or by videoconference. The department's final determination may not be issued until after the hearing.

(2) Appeals from a final determination of the department must be made to the workers' compensation judge within 30 days after the department has issued its final determination. The judge, after a hearing held pursuant to 39-71-2903 and 39-71-2904, shall make a final determination concerning the claimant's claim. The judge may overrule the department only on the basis that the department's determination is:

(2) If an insurer appeals a decision of the department to the workers' compensation judge or from the judge to the supreme court and the claim is
